Reb Elchonon Artscroll History Series

Paul Socken

Reb Elchonon Artscroll History Series:

Trust Me! Eliezer Parkoff, 2002 Emunah faith and bitachon trust in Hashem are the pillars of a Jew's life But how can one climb the heights of trusting in G-d This book is the answer to the person who quests to deepen his relationship with his Creator Organized according to the parashos of Bereishis through Yisro the author weaves the words of our Sages both classic and contemporary along with astounding stories and vignettes to form a practical comprehensive view of bitachon Topics covered include How much effort should a person invest in earning a livelihood Why so many trials in life How do you pay the rent when you have no money Emunah has the power to change nature etc

A Psychology of Hope Kalman Kaplan, Matthew B. Schwartz, 1993-03-30 This book offers a new approach by combining the disciplines of history psychology and religion to explain the suicidal element in both Western culture and the individual and how to treat it Ancient Greek society displays in its literature and the lives of its people an obsessive interest in suicide and death Kaplan and Schwartz have explored the psychodynamic roots of this problem in particular the tragic confusion of the Greek heroic impulse and its commitment to unsatisfactory choices that are destructively rigid and harsh The ancient Hebraic writings speak little of suicide and approach reality and freedom in vastly different terms God is an involved parent caring for his children Therefore heroism in the Greek sense is not needed nor is the individual compelled to choose between impossible alternatives In each of the first three sections the authors discuss the issues of suicide from a comparative framework whether in thought or myth then the suicide inducing effects of the Graeco Roman world and finally the suicide preventing effects of the Hebrew world The final section draws on this material to present a suicide prevention therapy Historical in scope the book offers a new psychological model linking culture to the suicidal personality and suggests an antidote especially with regard to the treatment of the suicidal individual

A Psychology of Hope Kalman J. Kaplan, Matthew B. Schwartz, 2008-10-07 Combines the disciplines of history and psychology to explain the suicidal element in Western culture and how to treat it

Reb Elchonon Aharon Sorski, 1982 The inspiring story life story of Rabbi Elchonon Wasserman Adapted from Aaron Sorasky's Ohr Elchonon New edition including two chapters on his son Reb Simcha

Rabbis of our Time Marek Čejka, Roman Kořan, 2015-10-16 The term rabbi predominantly denotes Jewish men qualified to interpret the Torah and apply halacha or those entrusted with the religious leadership of a Jewish community However the role of the rabbi has been understood differently across the Jewish world While in Israel they control legally powerful rabbinical courts and major religious political parties in the Jewish communities of the Diaspora this role is often limited by legal regulations of individual countries However the significance of past and present rabbis and their religious and political influence endures across the world Rabbis of Our Time provides a comprehensive overview of the most influential rabbinical authorities of Judaism in the 20th and 21st Century Through focussing on the most theologically influential rabbis of the contemporary era and examining their political impact it opens a broader discussion of the relationship between Judaism and politics It looks at the various centres

of current Judaism and Jewish thinking especially the State of Israel and the USA as well as locating rabbis in various time periods Through interviews and extracts from religious texts and books authored by rabbis readers will discover more about a range of rabbis from those before the formation of Israel to the most famous Chief Rabbis of Israel as well as those who did not reach the highest state religious functions but influenced the relation between Judaism and Israel by other means The rabbis selected represent all major contemporary streams of Judaism from ultra Orthodox Haredi to Reform and Liberal currents and together create a broader picture of the scope of contemporary Jewish thinking in a theological and political context An extensive and detailed source of information on the varieties of Jewish thinking influencing contemporary Judaism and the modern State of Israel this book is of interest to students and scholars of Jewish Studies as well as Religion and Politics

Why Study Talmud in the Twenty-First Century? Paul Socken, 2009-10-29 The Talmud is the repository of thousands of years of Jewish wisdom It is a conglomerate of law legend and philosophy a blend of unique logic and shrewd pragmatism of history and science of anecdotes and humor Unfortunately its sometimes complex subject matter often seems irrelevant in today's world In this edited volume sixteen eminent North American and Israeli scholars from several schools of Jewish thought grapple with the text and tradition of Talmud talking personally about their own reasons for studying it Each of these scholars and teachers believes that Talmud is indispensable to any serious study of modern Judaism and so each essay challenges the reader to engage in his or her own individual journey of discovery The diverse feminist rabbinic educational and philosophical approaches in this collection are as varied as the contributors' experiences Their essays are accessible personal accounts of their individual discovery of the Talmud reflecting the vitality and profundity of modern religious thought and experience

Subject Guide to Books in Print, 1996 2001, 000 0000 [The Story of Reb Elchonon](#) Shimon Finkelman, 1984 *The Story of Reb Elchonon* Shimon Finkelman, 1984-03-01 A biography written especially for young people packed with history and inspiration
