

An abstract painting of a face, rendered in a style reminiscent of Vincent van Gogh. The face is composed of thick, textured brushstrokes in shades of yellow, red, and dark blue. The eyes are dark and intense, and the mouth is a vibrant red. The background is a mix of dark, swirling colors, creating a sense of depth and movement.

Rebecca's Vest Karl Miller,1993 *Rebecca's Vest* Karl Miller,1994 **Memoirs of Rebecca Wakefield** Robert Brewin,Rebecca Wakefield,1876 Memoirs of Mrs. Rebecca Wakefield Robert Brewin,1888 **Memoirs of Mrs. Rebecca Wakefield, Wife of the Rev. T. Wakefield, United Methodist Free Churches Missionary in Eastern Africa** Robert Brewin,1879 **The Private Memoirs and Confessions of a Justified Sinner** James Hogg,2006-05-25 Brought up by a strict Calvinist pastor Robert Wringham believes he is one of the elect predestined for salvation while all others including his real father and brother are cursed Convinced he is indestructible and above the law Robert commits terrible crimes under the influence of Gil Martin his physical double who claims they are acting in God s name to purify the world But does this mysterious tempter actually exist Could he be an agent of the devil Subversive and unsettling *The Private Memoirs and Confessions of a Justified Sinner* 1824 is a compelling psychological depiction of religious bigotry and the seductive effects of power on a tormented soul In Two Minds Kate Bassett,2014-10-01 *In Two Minds* is the first comprehensive biography of Jonathan Miller the story of one of post war Britain s most intriguing polymaths Descended from immigrants who fled Tsarist anti Semitism to become shopkeepers in Ireland and London s East End Miller was born into an intellectual milieu between Bloomsbury and Harley Street the son of a novelist and a leading child psychiatrist Miller trained as a doctor but then forged a career as a stellar comedian and as a world renowned theatre and opera director He is a controversial humorist public intellectual and TV personality As a star in the groundbreaking satirical revue *Beyond the Fringe* he shot to fame alongside Peter Cook Dudley Moore and Alan Bennett His expertise and interests encompass many areas from medicine he wrote and presented the hugely acclaimed BBC documentary series *The Body in Question* to the history of art Mozart atheism and the nature of laughter Jonathan Miller is one of the most multi talented Britons of his generation celebrated for his dazzling intelligence and anti establishmentarian wit Drawing on in depth interviews this is an entertaining and illuminating portrait of a fascinatingly complex man **Edinburgh: The Autobiography** Alan Taylor,2024-10-03 From one of the earliest mentions of its name in the sixth century to the Covid lockdowns of the twenty first this is a magnificent portrait of one of the world s great cities in its many iterations from Edinburgh the sink of abomination to the Athens of the North and everything including the home of the Enlightenment the Festival City the Aids Capital of Europe and a Mecca for tourists seeking tartan tat in between As the nation s capital it has been critical to its progress and a witness to epochal events such the tumultuous reign of Mary Queen of Scots the Reformation the Forty Five rebellion the Disruption of the Church of Scotland and the reconvening of the Scottish Parliament All of these and more feature But this is not simply a book about the great and good the famous and infamous There is testimony aplenty from ordinary folk who may not have made their mark on history but who have contributed to Edinburgh s ever expanding tapestry There are stories of body snatching and murder drunkenness and drug taking sex and shopping as well rants against inclement weather and the city council

English as a Vocation Christopher Hilliard, 2012-05-31 English as a Vocation is a history of the most influential movement in modern British literary criticism F R Leavis and his collaborators on the Cambridge journal Scrutiny in the 1930s to the 1950s demonstrated compelling ways of reading modernist poetry Shakespeare and the texts of advertising Crucially they offered a way of teaching critical reading an approach that could be adapted for schools and adult education classes modelled in radio talks and paperback guides to English Literature and taken up in universities as far afield as Colombo and Sydney This book shows how a small critical school turned into a movement with an international reach It tracks down Leavis's students analysing the pattern of their social origins and subsequent careers in the context of twentieth century social change It shows how teachers transformed Scrutiny approaches as they tried to put them into practice in grammar and secondary modern schools And it explores the complex even contradictory politics of the movement Champions of creative writing and enemies of progressive education alike based their arguments on Scrutiny's interpretation of modern culture Left Leavisites such as Raymond Williams Richard Hoggart and Stuart Hall wrought influential interpretations of social class and popular culture out of arguments with the Scrutiny tradition This is the first book to examine major figures such as these alongside the hundreds of other teachers and writers in the movement whose names are obscure but who wrestled with the same challenges how do you approach a baffling poem How do you uncover what an advertisement is trying to do How can literature inform our everyday experiences and judgements What does culture mean in modern times **Archipelagic**

English John Kerrigan, 2010-09-09 Seventeenth century English Literature has long been thought about in narrowly English terms Archipelagic English corrects this by devolving anglophone writing showing how much remarkable work was produced in Wales Scotland and Ireland and how preoccupied such English authors as Shakespeare Milton and Marvell were with the often fraught interactions between ethnic religious and national groups around the British Irish archipelago This book transforms our understanding of canonical texts from Macbeth to Defoe's Colonel Jack but it also shows the significance of a whole series of authors from William Drummond in Scotland to the Earl of Orrery in County Cork who were prominent during their lifetimes but who have since become neglected because they do not fit the Anglocentric paradigm With its European and imperial dimensions and its close attention to the cultural make up of early modern Britain and Ireland Archipelagic English authoritatively engages with questions and develops the claim now made by historians that the crises of the seventeenth century stem from the instabilities of a state system which between 1603 and 1707 was multiple mixed and inclined to let local quarrels spiral into all consuming conflict This is a major interdisciplinary contribution to literary and historical scholarship which is also set to influence present day arguments about devolution unionism and nationalism in Britain and Ireland
