Rebel Storehouse Florida In The Confederate Economy

Nick Wynne, Joe Crankshaw

Rebel Storehouse Florida In The Confederate Economy:

Rebel Storehouse Robert A. Taylor, 1995 Details how Florida became an integral part of the Confederacy's war economy as a major source of salt beef pork and corn for the rebel forces Discovering the Civil War in Florida Paul

Taylor, 2014-10-01 A chronicle of Civil War activity in Florida both land and sea maneuvers For each engagement the author includes excerpts from official government reports by officers on both sides of the battle lines Also a guide to Civil War sites you can visit Includes photos and maps Sites include Fort Pickens Natural Bridge Battlefield State Historic Site Fort Clinch State Park Olustee Battlefield Suwannee River State Park Castillo de San Marcos Bronson Mulholland House Cedar Key Island Hotel Gamble Plantation Yulee Sugar Mill Ruins State Historic Site Fort Zachary Taylor State Historic Site Fort Jefferson State Historic Site Rebel Storehouse Robert A. Taylor, 2003 Brings to light an overlooked aspect of Florida's

importance to the Confederacy Florida's role in the Civil War has long been overlooked or discounted by students of the conflict Despite its isolation and the lack of important land battles the state made a contribution to the Confederate war effort far out of proportion to its small population After seceding from the Union in 1861 Florida joined the Confederacy with a reputation born in the 1850s as an area of great agricultural potential for the newly created country Rebel leaders quickly came to regard Florida as an abundant source of foodstuffs The state became a major supplier of salt beef pork and corn both for the rebel forces and for many civilians Cattle in particular were driven northward in large numbers providing rations for Confederate troops from Chattanooga to Charleston Unfortunately however senior officials in the field and in Richmond often held unrealistic expectations about the volume of supplies Floridians could actually deliver These same authorities for the most part also failed adequately to defend this crucial food source a factor that may have accelerated the Confederacy's ultimate disintegration Rebels and Runaways Larry E. Rivers, 2012-06-22 This gripping study examines slave resistance

and protest in antebellum Florida and its local and national impact from 1821 to 1865 Using a variety of sources such as slaveholders wills and probate records ledgers account books court records oral histories and numerous newspaper accounts Larry Eugene Rivers discusses the historical significance of Florida as a runaway slave haven dating back to the seventeenth century and explains Florida's unique history of slave resistance and protest In moving detail Rivers illustrates what life was like for enslaved blacks whose families were pulled asunder as they relocated from the Upper South to the Lower South to an untamed place such as Florida and how they fought back any way they could to control small parts of their own lives Against a smoldering backdrop of violence this study analyzes the various degrees of slave resistance from the perspectives of both slave and master and how they differed in various regions of antebellum Florida In particular Rivers demonstrates how the Atlantic world view of some enslaved blacks successfully aided their escape to freedom a path that did not always lead North but sometimes farther South to the Bahama Islands and Caribbean Identifying more commonly known slave rebellions such as the Stono Louisiana Denmark Telemaque Vesey Gabriel and the Nat Turner insurrections Rivers argues persuasively that

the size scope and intensity of black resistance in the Second Seminole War makes it the largest sustained slave insurrection ever to occur in American history Meticulously researched Rebels and Runaways offers a detailed account of resistance protest and violence as enslaved blacks fought for freedom

Confederate Generals in the Western Theater, Vol. 3

Lawrence L. Hewitt, Arthur W. Bergeron, 2011-05-30 font face font family Times New Roman p MsoNormal li MsoNormal div MsoNormal margin 0in 0in 0 0001pt line height 200% font size 12pt font family Times table MsoNormalTable font size 10pt font family Times New Roman div Section1 page Section1 The American Civil War was won and lost on its western battlefields but accounts of triumphant Union generals such as Grant and Sherman leave half of the story untold In the third volume of Confederate Generals in the Western Theater editors Lawrence Hewitt and Arthur Bergeron bring together ten more never before published essays filled with new penetrating insights into the key question of why the Rebel high command in the West could not match the performance of Robert E Lee in the East Showcasing the work of such gifted historians as Wiley Sword Timothy B Smith Rory T Cornish and M Jane Johansson this book is a compelling addition to an ongoing collective portrait of generals who occasionally displayed brilliance but were more often handicapped by both geography and their own shortcomings While the vast varied terrain of the Western Theater slowed communications and troop transfers and led to the creation of too many military departments that hampered cooperation among commands even more damaging were the personal qualities of many of the generals All too frequently incompetence egotism and insubordination were the rule rather than the exception Some of these men were undone by alcoholism and womanizing others by politics and nepotism A few outlived their usefulness others were killed before they could demonstrate their potential Together they destroyed what chance the Confederacy had of winning its independence Whether adding fresh fuel to the debate over the respective roles of Albert Sidney Johnston and P G T Beauregard at Shiloh or bringing to light such lesser known figures as Joseph Finegan and Hiram Bronson Granbury this volume like the ones preceding it is an exemplary contribution to Civil War scholarship Lawrence Lee Hewitt is professor of history emeritus at Southeastern Louisiana University A recipient of SLU s President s Award for Excellence in Research and the Charles L Dufour Award for outstanding achievements in preserving the heritage of the American Civil War he is a former managing editor of North South His publications include Port Hudson Confederate Bastion on the Mississippi The late Arthur W Bergeron Jr was a reference historian with the United States Army Military History Institute and a past president of the Louisiana Historical Association Among his earlier books were Confederate Mobile and A Thrilling Narrative The Memoir of a Southern Unionist

Slavery in Florida Larry Eugene Rivers, 2009-03-15 This important illustrated social history of slavery tells what life was like for bond servants in Florida from 1821 to 1865 offering new insights from the perspective of both slave and master Starting with an overview of the institution as it evolved during the Spanish and English periods Larry E Rivers looks in detail and in depth at the slave experience noting the characteristics of slavery in the Middle Florida plantation belt the more

traditional slave based cotton growing economy and society as distinct from East and West Florida which maintained some attitudes and traditions of Spain He examines the slave family religion resistance activity slaves participation in the Civil War and their social interactions with whites Indians other slaves and masters Rivers also provides a dramatic account of the hundreds of armed free blacks and runaways among the Seminole Creek and Mikasuki Indians on the peninsula whose presence created tensions leading to the great slave rebellion the Second Seminole War 1835-42 Slavery in Florida is built upon painstaking research into virtually every source available on the subject a wealth of historic documents personal papers slave testimonies and census and newspaper reports This serious critical work strikes a balance between the factual and the interpretive It will be significant to all readers interested in slavery the Civil War the African American experience and Florida and southern U S history and it could serve as a comprehensive resource for secondary school teachers and students

Obstinate Heroism Steven J. Ramold, 2020-03-15 Despite popular belief the Civil War did not end when Robert E Lee surrendered to Ulysses S Grant at Appomattox Virginia in April 1865 The Confederacy still had tens of thousands of soldiers under arms in three main field armies and countless smaller commands scattered throughout the South Although pressed by Union forces at varying degrees all of the remaining Confederate armies were capable of continuing the war if they chose to do so But they did not even when their political leaders ordered them to continue the fight Convinced that most civilians no longer wanted to continue the war the senior Confederate military leadership over the course of several weeks surrendered their armies under different circumstances Gen Joseph Johnston surrendered his army in North Carolina only after contentious negotiations with Gen William Tecumseh Sherman Gen Richard Taylor ended the fighting in Alabama in the face of two massive Union incursions into the state rather than try to consolidate with other Confederate armies Personal rivalry also played a part in his practical considerations to surrender Gen Edmund Kirby Smith had the decision to surrender taken out of his hands disastrous economic conditions in his Trans Mississippi Department had eroded morale to such an extent that his soldiers demobilized themselves leaving Kirby Smith a general without an army The end of the Confederacy was a messy and complicated affair a far cry from the tidy closure associated with the events at Appomattox *Florida Civil War Blockades* Nick Wynne, Joe Crankshaw, 2014-02-18 Florida was the third Southern state to secede from the United States in 1860-61 With its small population of 140 000 and no manufacturing few Confederate resources were allocated to protect the state Some 15 000 Floridians served in the Union and Confederate armies the highest population percentage of any southern state but perhaps Florida's greatest contributions came from its production of salt an essential need for preserving meat and manufacturing gunpowder its large herds of cattle which fed two southern armies and its 1500 mile shoreline which allowed smugglers to bring critical supplies from Europe and the Caribbean Florida in the Civil War Blockaders will focus on the men and ships that fought this prolonged battle at sea along the long and largely vacant coasts of the Sunshine State and on Florida soil The information will be drawn from official sources newspaper articles and private accounts Approximately fifty

50 period photographs and drawings will be incorporated into the text **Suwannee River Guidebook** Kevin M McCarthy,2014-12-01 Anyone looking to escape the hustle and bustle of the modern world for a while is invited to sit back and enjoy a leisurely trip down one of the best known and most beloved rivers in the country Flowing more than 230 miles from the Okefenokee Swamp in Georgia to the Gulf of Mexico in Florida the Suwannee may well be the last unspoiled river in the Southeast Complete with travel information and tips for those exploring the area by water or by land this comprehensive guide describes the history major towns and cities along the way wildlife and personages associated with the river As you journey down the river you ll stop by places like White Springs and Branford Old Town and Fowler s Bluff You ll see manatees jumping fish alligators and many species of birds You ll also be introduced to some of the most important people and groups in Florida s history including the Timucuan and Seminole Indians Spanish missionaries and explorers Stephen C Foster Marjorie Kinnan Rawlings and William Bartram as well as the organizations and agencies that have fought to preserve and protect this magnificent river and its watershed The Suwannee River Guidebook will open your eyes to a part of Florida you may be surprised to learn still exists one largely untouched by developers and full of natural wonder Next in series See all of the books in this series **Jefferson Davis, Confederate President** Herman Hattaway,Richard E. Beringer,2002 Now two Civil War historians Herman Hattaway and Richard Beringer take a new and closer look at Davis s presidency In the process they provide a clearer image of his leadership and ability to handle domestic diplomatic and military matters under the most trying circumstances without the considerable industrial and population resources of the North and without the formal recognition of other nations BOOK JACKET

Ignite the flame of optimism with is motivational masterpiece, **Rebel Storehouse Florida In The Confederate Economy** . In a downloadable PDF format (Download in PDF: *), this ebook is a beacon of encouragement. Download now and let the words propel you towards a brighter, more motivated tomorrow.
