The Sun Behind the Cloud Basavaraj Naikar, 2012-04 The Sun Behind The Cloud delineates the microscopic history of the colonial encounter between Bhaskararao Bhave of Peshwa dynasty of Naragund kingdom in South India and the authorities of the East India Company around 1857 Exasperated by the Political Agent for South India Mr Manson s refusal of permission to adopt a legal heir to his kingdom he attacks the latter and kills him arousing the anger of the East India Company He prepares himself to wage a war against the enemy by rallying the like minded neighbouring kings But he is betrayed by his own officers and Bhaskararao

Bhave is defeated by the army of the East India Company led by Colonel Malcolm. He is caught, imprisoned, tried and sentenced to death by the East India Company. Again, to the strange quirk of his fate, he escapes from the prison as his cook impersonates him and volunteers to be hanged to death out of his loyalty to the master Bhaskararao who is taken to be dead. He wanders in disguise. He goes to Nepal and meets Nanasaheb Peshwa who compliments him for kindling the spark of freedom in India. The novel recreates an important chunk of Indian history of the colonial period and rehabilitates a forgotten hero who sowed the seeds of freedom and nationalism in the 19th century itself. **The Queen of Kittur** Basavaraj Naikar, 2016-10-17

The novel depicts the colonial encounter between Rani Chennamma and the authorities of the East India Company around 1824 for land and political power. Although the Rani put up a heroic fight with the East India Company authorities and succeeded in killing Mr Thackeray, the Political Agent of South India and Collector of Dharwad, she was betrayed by her own courtiers later and consequently she was defeated by the East India Company authorities headed by the Commissioner of the Deccan Mr Chaplin. Then her kingdom of Kittur was annexed to the British Raj and she was imprisoned in her own fort at Bailahongala where she breathed her last in 1829 after suffering from nostalgia for the past glory of her kingdom. *Intrigue at Ikkeri* Basavaraj Naikar, The novel depicts the intrigue and conspiracy following the enthronement of Raja Virabhadra Nayaka in Keladi Kingdom of South India. It shows how the Raja has to struggle hard to retain his power by pleasing his subjects and suppressing his enemies. Thus there is a constant struggle for attaining and retaining power in the kingdom which is a universal theme in all the history of mankind.

Indian English Literature Basavaraj S. Naikar, 2007. Contributed articles covers the period 20th century. Ranis And The Raj Queeny Pradhan, 2022-10-28

Traditionally history has been telling us the stories of kings. In the long tradition of history writing, his story has always dominated over her story. Though queens evoke a sense of romance and their stories are told like fairy tales, it is common enough to find that these stories end in tragedy. In India's history, not all queens are remembered today. Some are celebrated while others have been almost ignored by historians. In *Ranis and the Raj Queeny*, Pradhan has selected six queens. All the six queens are from the nineteenth century and have faced the British Raj, the East India Company and the Crown. From the Rani of Sirmur who was the earliest to deal with the British authorities to Rani Chennamma, Rani Jindan Begum, Zeenat Mahal, Rani Lakshmi Bai to the Sikkim Queen from the 1860s to 1890s, Pradhan has attempted to carve an engrossing historical narrative for each of these important figures in Indian history. Unlike the biographical convention in traditional history writing, the research in this book can be placed in the realm of microhistory. The life stories of these queens are fragmented due to the silences and invisibilization in political history of the time and this book aims to fill these gaps.
