Rebels Renegades:

Renegades, Rebels and Rogues Under the Tsars Peter Julicher, 2003-08-25 In the Russia of the tsars people who criticized or questioned the autocratic prerogatives of the sovereign were brutally suppressed and sometimes actively persecuted So imbedded was this official hostility to anyone hoping to change or even influence government policy that even the most high minded reformers came to understand that the only way they could succeed was to overthrow the regime The author describes the activities of the most important dissidents and agitators from the reign of Ivan the Terrible to Nicholas II and the Communist Revolution in 1917 Many of these fascinating individuals were serious activists endeavoring to improve society others were opportunistic scoundrels and adventurers The author explores the causes that provoked them and the consequences they faced and explains how time and time again the tsars were goaded into mistakes and over reaction

The Rebels Daniel R. Wolf, 1991-01-01 The image of the outlaw biker is widely recognize in North American society The reality is only known to insiders To study the phenomenon of outlaw biker clubs anthropologist Daniel Wolf bridged the gap between image and reality by becoming an insider *Wartime Images, Peacetime Wounds* Sandra Lambertus, 2004-01-01 What does the media coverage of a crisis situation reveal about the nature of dominant minority relations locally regionally and nationally Sandra Lambertus asks this question of the media coverage of the largest RCMP operation in Canadian history the 1995 Gustafsen Lake Native Indian standoff Drawing from extensive newspaper television and radio news products legal and law enforcement documents ethnographic interviews with 26 journalists as well as RCMP and Native leaders Lambertus examines the construction and national dissemination of vilifying stereotyped portrayals of Native people The ethnographic component pushes the standard of media analysis bringing to light previously unconsidered aspects of media representations of minorities media and law enforcement processes frameworks of the news makers face presentation strategies information control and exchange relations in news gathering The investigation shows how the values and perspectives of local communities media and law enforcement became overshadowed by outsiders during the course of the event and the serious effects of the media coverage on specific audiences and ultimately Canadian society The study culminates with an assessment of the structural elements that contributed to the damaging media portrayals media bias competition cooperation empowerment and cultural misperceptions *Wartime Images Peacetime Wounds* opens new avenues for studies of minorities in the news and for the study of news media in general Rebels and Renegades Neil A.
