Reborn Louise Morgan Runyon, 2004-04 Louise Runyon proves that her body is not the only thing that is lithe and graceful Her poetry ebbs and flows and takes the reader on an emotional journey from her days as a steel mill worker a dancer a mother and beyond Her words capture a life in motion and a life that continues to evolve *Reborn* is a splendid tango of words and thoughts urging everyone to join the dance Collin Kelley author of *Better To Travel* Runyon has a special skill of using words and songs as rhythmical underpinnings to her skillfully modulated movements intensely personal and intensely portrayed Atlanta Journal Constitution Runyon reads as if words were dance movements flowing from her open heart Art Papers Photographs Neil Dent

Reborn Mary Cochrane, 2022-09-03 This seventh book of poetry delves further into that elusive otherness which operates below the surface and which can dominate the quest for meaning A surrealistic approach is sometimes required to tease it to the surface As always the themes of love loss and fantasy are at the forefront of Mary's musings For the reader who refuses to wade in the mire of mediocrity and conventionality herein possibly lies your means of escape

Selected Poems Giuseppe Ungaretti, 2004-04 A major new translation of one of Italy's greatest modern poets Giuseppe Ungaretti 1888 1970 was a pioneer of the Modernist movement in Italian poetry and is widely regarded as one of the leading Italian poets of the twentieth century His verse is renowned and loved for its powerful insight and emotion and its exquisite music Yet unlike many of his peers Ungaretti has never been adequately presented to English readers This large bilingual selection translated with great sensitivity and fidelity by Andrew Frisardi captures Ungaretti in all of his phases from his early poems written in the trenches of northern Italy during World War I to the finely crafted erotic and religious

poetry of his second period to the visceral elegiac poetry of the years following the death of his son and the occupation of Rome during World War II to the love poems of the poet's old age Frisardi's in-depth introduction details the world in which Ungaretti's work took shape and exerted its influence In addition to the poet's own annotations an autobiographical afterword Ungaretti on Ungaretti further illuminates the poet's life and art Here is a compelling rewarding and comprehensive version of the work of one of the greatest modern European poets *Selected Poems of James Merrill* James Merrill, 2008-10-28 This volume brings together the best of Merrill and dazzles at every turn This balanced and compact selection will be an ideal introduction to his work for both students and general readers and an instant favorite among his familiars James Merrill himself once called his body of work chronicles of love and loss and in twenty books written over four decades he used the details of his own life comic and haunting exotic and domestic to shape a portrait that in turn mirrored the image of our world and our moment Includes poems from the domestic rupture of *The Broken Home* to the universal connections of *Lost in Translation* from the American storyteller of *The Summer People* to the ecologically motivated satirist of *Self Portrait in a Tyvek™ Windbreaker Log* Then when the flame forked like a sudden path I gasped and stumbled and was less Density pulsing upward gauze of ash Dear light along the way to nothingness What could be made of you but light and this **Selected Poems** Algernon Charles Swinburne, 1905 Shelley: Selected Poems Kelvin Everest, 2023-03-23 Percy Bysshe Shelley 1792-1822 was one of the major Romantic poets and wrote what is critically recognised as some of the finest lyric poetry in the English Language In this volume the editors have selected the most popular significant and frequently taught poems from the six-volume Longman Annotated edition of Shelley's poems Each poem is fully annotated explained and contextualised along with a comprehensive list of abbreviations an inclusive bibliography of material relating to the text and interpretation of Shelley's poetry plus an extensive chronology of Shelley's life and works Headnotes and footnotes furnish the personal literary historical and scientific information necessary for an informed reading of Shelley's richly varied and densely allusive verse making this an ideal anthology for students classroom use and anyone approaching Shelley's poetry for the first time however the level and extent of commentary and annotation will also be of great value for researchers and critics The Collected Poems of Delmore Schwartz Delmore Schwartz, 2024-04-02 The first complete collection of the poetry of Delmore Schwartz the most underrated poet of the twentieth century John Berryman When Delmore Schwartz published his first short story *In Dreams Begin Responsibilities* in *Partisan Review* in 1937 he became an instant literary celebrity After the appearance of his first book by the same name he was inundated with praise The famed poet Allen Tate wrote to him Your poetic style is beyond any doubt the first real innovation that we've had since Eliot and Pound and T S Eliot himself wrote Schwartz a letter asking him to compose more poetry The brilliant start of his career is matched perhaps only by its tragic end a lonely death after an extended period of alcoholism depression and derangement Today more than fifty years after his death in 1966 Schwartz is often remembered for the tragedy of his life rather than for

the innovation and sad brilliance of his greatest work This book brings together all of Schwartz s poetry for the very first time from his groundbreaking debut collection to his unpublished late work which he kept writing until his death Accompanied by Ben Mazer s illustrative notes and introduction The Collected Poems of Delmore Schwartz offers readers the long awaited opportunity to rediscover one of the most influential and original poets of the twentieth century As Mazer writes in his introduction It is the poems that count now And it is the glory of the poems that survives here awaiting new life
