How does dharma wisdom show up in our lives every day? This collection of teachings by the beloved Insight Meditation teacher Larry Rosenberg offers clear down to earth guidance on learning how to live a life informed by Buddhism through questioning, reflective observation, and self-understanding. Rosenberg is known for presenting the essence of the Buddhism in a way that is unvarnished, utterly accessible, and that resonates with a wide audience. Here he unpacks with his signature engaging and iconoclastic style such topics as meditation, silence, use of the breath, self-knowing, working with strong emotions, intimacy, illness, and grief among others. There are few teachers who so epitomize the idea of spiritual friend in the way that Larry Rosenberg does. His teachings give a clear sense that dharma is very much a part of everyday life. This book is also informed by what Rosenberg considers his deeper and more immediate understanding of dharma that has come in recent years: a period marked in his own life by illness and disability and in the life of the planet by a deadly pandemic war, an existential climate crisis, and pervasive technological distraction. An introductory essay written by journalist and author Madeline Drexler serves as a spiritual biography of Rosenberg, presenting his reflections on more than half a century of dedicated dharma practice and instruction. This essay illuminates what for Rosenberg were profound turning points and moments of realization, his long apprenticeships with foundational figures in twentieth-century Buddhism including Ajahn Chah, Thich Nhat Hanh, Seung Sahn, and Ajahn Buddhadasa, as well as Indian philosopher Jiddu Krishnamurti. **Free in Deed** Craig L. President Joko Widodo's visit to meet US President Joe Biden in Washington on November 13 2023 has resulted in several new agreements. Marking a historic new phase in bilateral relations between the two countries, the two leaders upgraded US-Indonesia relations to a Comprehensive Strategic Partnership. Biden thanked Jokowi for Indonesia's leadership in ASEAN and underscored the US commitment to deepen cooperation in Southeast Asia and with Indonesia. Armory Reborn reviews various important aspects of Jokowi's visit, which also carries a message from the Organization of Islamic Cooperation regarding the Palestinian issue. When this foreword was written, a ceasefire between Hamas and Israel was already in effect in the Gaza Strip, Palestine. The ceasefire was realized after a military confrontation between the Islamist Hamas faction and the Israeli military, which claimed the lives of more than 14,000 civilians in Gaza. In this regard, Armory Reborn presents several scenarios about the future of the Gaza Strip after the military confrontation temporarily ends. The Gaza issue certainly cannot be separated from the peace negotiation process between Palestine and Israel. Many complex issues relate to the future of Gaza and Palestine. The existence of the Islamist Hamas faction and the nationalist Fatah faction, which have difficulty uniting within the Palestinian Authority, has made the peace process stall. Israel is taking advantage of the split Palestinian leadership to continue its territorial expansion agenda in the West Bank, which, according to international law, is the territory of the Palestinian Authority. For those of you who are interested in aerospace technology, we provide an article about the failed launch of Starship, a spacecraft made by SpaceX. This failure occurred in the second test flight in mid-November 2023. Starship is part of SpaceX's ambitious program founded by Elon Musk to send people and goods to the moon and then to the planet Mars. We hope that Armory Reborn friends can enjoy all these articles. Augustine: On the Free Choice of the Will, On Grace and Free Choice, and Other Writings, 2010-05-20. The works translated here deal with two major themes in the thinking of St Augustine: 354-430, free will and divine grace. On the one hand, free will enables human beings to make their own choices; on the other hand, God's grace is required for these choices to be efficacious. On the Free Choice of the Will, On Grace and Free Choice, On Reprimand and Grace, and On the Gift of Perseverance, set out Augustine's theory of human responsibility and sketch a subtle reconciliation of will and grace. This volume is the first to bring together Augustine's early and later writings on these two themes in a new translation by Peter King, enabling the reader to see what Augustine regarded as the crowning achievement of his work. The volume also includes a clear and accessible introduction that analyzes Augustine's key philosophical lines of thought. *The Blood of Free Men*, Michael Neiberg, 2012-10-02. Describes the operation involving Resistance fighters, Allied commanders, and French citizens that resulted in the liberation of Paris in 1944 from German occupation and ultimately helped shape the outcome of World War II. The Free World, Louis Menand, 2021-04-20. An engrossing and impossibly wide-ranging project. In *The Free World*, every seat is a good one. Carlos Lozada, *The Washington Post*. *The Free World* sparkles. Fully original, beautifully written. One hopes Menand has a sequel in mind. The bar is set very high.
