Rush, 2012-10-02 Reality s Pen portrays the Eastside of Asheboro NC as a mother who provides a safe cocoon filled with neighborly concern and care This location aka The Hill is a place of magic with a sense of community pervading the air This comfortable milieu flung author Thomas D Rush out into the world like a cultural arrow aimed at intriguing future events From a 1989 one on one prophetic conversation with the first African American President of the United States to a mystical revelation from a mentor to Martin Luther King Jr Reality s Pen provides a mesmerizing tapestry of reflections Rush includes his timely residence in celebratory Chicago along with an enticing view of fellow North Carolinian Michael Jordan as Jordan led his Chicago Bulls to their first NBA championship *Late Edition* Bob Greene, 2009-07-07 A loving and laughter filled trip back to a lost American time when the newspaper business was the happiest game in town In a warm affectionate true life tale New York Times bestselling author Bob Greene When We Get to Surf City Duty Once Upon a Town travels back to a place where when little

more than a boy he had the grand good luck to find himself surrounded by a brotherhood and sisterhood of wayward misfits who on the mezzanine of a Midwestern building put out a daily newspaper that didn't even know it had already started to die In some American cities Greene writes famous journalists at mighty and world renowned papers changed the course of history with their reporting But at the Columbus Citizen Journal there was a willful rejection of grandeur these were overworked reporters and snazzy sportswriters nerve frazzled editors and insult spewing photographers who found pure joy in the fact that each morning they awakened to realize I get to go down to the paper again At least that is how it seemed in the eyes of the novice copyboy who saw romance in every grungy pastepot a symphony in the song of every creaking typewriter With current day developments in the American newspaper industry so grim and dreary Late Edition is a Valentine to an era that was gleefully cocky and seemingly free from care a wonderful story as bracing and welcome as the sound of a rolled up paper thumping onto the front stoop just after dawn
