Lessons from Solomon Glen A. Blanscet, 2018-06-08 Everyone wants to be successful The problem though is that most people misunderstand what constitutes true success The world defines success in terms of our accomplishments the fame and fortune we achieve and the recognitions we receive all of which are fleeting and temporary successes at best True success however is based upon our character the relationship we have with God and the glory God receives from our lives So how do we achieve this level of success Lessons from Solomon answers this question by looking at the life of King Solomon a man who not only achieved success by the world's standards but also had and lost true success that comes from knowing God Author Glen A Blanscet has penned engaging narrative retellings of King Solomon's story from the Bible and from King Solomon's story we learn several success lessons that we can apply in our own search for true success in life Based on the life of Solomon Blanscet has distilled from Solomon's story the life lessons that lead us to genuine success from the wisest man who ever lived I highly recommend this book Dr David L Allen Southwestern Baptist Theological Seminary In this book Glen Blanscet has masterfully extracted from scripture Solomon's successes and failures providing the reader with vivid lessons on attaining true success Steve Mullen PhD Dallas Baptist University

Satan and God's Armor Robert B. Callahan, 2013-05-29 The Apostle Paul

leaves no stone unturned as he encourages enlightens and informs the Ephesian believers and us regarding their duties and responsibilities as Christ's followers. Yes, there are duties and responsibilities for professing Christians just as there are duties and responsibilities in every phase of life whether it be as children, parents, employee, employer, student, teacher, or whatever field of endeavor one may pursue. The apostle is addressing those who believe in the Lord Jesus Christ and seek to follow Him, which, as Paul knows, is not easy. Therefore, in this portion of Scripture, he stresses certain truths that will strengthen each and every Christian as they journey through life. The elements may sound simple to learn but they are difficult to practice day in and day out. What are they? Obedience, discipline, priorities, knowing your heavenly Father, not just knowing about Him, being strong disciples in the faith, and separating ourselves. Developing these traits requires a commitment to adhere to Christ's teachings and commands.
