Receiving Woman Studies In The Psychology And Theology Of The Feminine:

Receiving Woman - Studies in the Psychology and Theology of the Feminine Ann Belford Ulanov, We live in a time of unparalleled opportunity for women and a time just because of that opportunity of great stress It is a time when every woman can find her own particular style to develop her skills to acknowledge her needs and failures and to claim both her satisfactions and dissatisfactions The old stereotypes are all but dead But another danger threatens of new stereotyped roles for women in the very range of choices and opportunities presented to the RECEIVING WOMAN grew out of a decade of reflections on women s experiences my own my patients and my students writes Professor Ulanov From all of them a common voice emerged speaking about each woman s struggle to receive all of herself Each was trying to find and put together different parts of herself into a whole that was personal alive and real to her and to others I know that women want to be all of themselves and want to be their own selves not examples of types They want to work out their own individual combinations of what have been called the masculine and feminine parts of themselves This book focuses on that possibility on women receiving themselves all of themselves wisely and gladly Hospital Ministry Lawrence E. Holst,2006-07-01 The contributors include twelve staff chaplains of the Division of Pastoral Care Luthernan General Hospital Park Ridge Illinois in addition to a church historian an ethicist a research psychologists and an expert on substance abuse Book jacket

Archetype Revisited Anthony Stevens,2015-06-05 Archetype A Natural History of the Self first published in 1982 was a ground breaking book the first to explore the connections between Jung s archetypes and evolutionary disciplines such as ethology and sociobiology and an excellent introduction to the archetypes in theory and practical application as well C G Jung s archetypes of the collective unconscious have traditionally remained the property of analytical psychology and have commonly been dismissed as mystical by scientists But Jung himself described them as biological entities which if they exist at all must be amenable to empirical study In the work of Bowlby and Lorenz and in studies of the bilateral brain Anthony Stevens has discovered the key to opening up this long ignored scientific approach to the archetypes originally envisaged by Jung At last in a creative leap made possible by the cross fertilisation of several specialist disciplines psychiatry can be integrated with psychology with ethology and biology The result is an immensely enriched science of human behaviour In Archetype Revisited Stevens considers the enormous cultural social and intellectual changes that have taken place since the publication of the original edition and includes An updated chapter on The Archetypal Masculine and Feminine reflecting recent research findings and developments in feminist thinking Commentary on the intrusion of neo Darwinian thinking into psychology and psychiatry Analysis of what has happened to the archetype in terms of our understanding of it and our responses to it This Classic Edition of the book includes a new introduction by the author *Evelyn Underhill* Dana Greene,1988-08-04 Evelyn Underhill was a pioneer in revitalizing interest in mysticism and in the spiritual life as lived by ordinary people Here are some of her articles that demonstrate the variety and development of her thought over forty years

The themes of magic and mysticism prayer and pacifism are all considered with particular emphasis on Underhill's focus on personal religious experience its nurturance in prayer its protection by institutional religion and its implications for all aspects of life Together the pieces illuminate the author's move from Platonism to the incarnational spirituality lived out during the years between the world wars Greene's interpretive introduction to the life and work of this contemporary mystic is most helpful for those previously unfamiliar with Underhill The book contains the most complete bibliography available on works by and about this important woman Spiritual Transformation and Healing Philip Hefner,Joan D.
