Recent Political Economy:

Understanding India's New Political Economy Sanjay Ruparelia, Sanjay Reddy, John Harriss, Stuart Corbridge, 2011-03-09
A number of large scale transformations have shaped the economy polity and society of India over the past quarter century This book provides a detailed account of three that are of particular importance the advent of liberal economic reform the ascendance of Hindu cultural nationalism and the empowerment of historically subordinate classes through popular democratic mobilizations Filling a gap in existing literature the book goes beyond looking at the transformations in isolation managing to Explain the empirical linkages between these three phenomena Provide an account that integrates the insights of separate disciplinary perspectives Explain their distinct but possibly related causes and the likely consequences of these central transformations taken together By seeking to explain the causal relationships between these central transformations through a coordinated conversation across different disciplines the dynamics of India s new political economy are captured Chapters focus on the political economic and social aspects of India in their current and historical context The contributors use new empirical research to discuss how India s multidimensional story of economic growth social welfare and democratic deepening is likely to develop This is an essential text for students and researchers of India s political economy and the growth economies of Asia

The New Political Economy of Southeast Asia Rajah Rasiah, Johannes Dragsbaek Schmidt, 2010-01-01 This well researched book examines the dramatic transformation of Southeast Asian countries from agricultural and mining economies to industrial nations In doing so it explores the effects of development policy on a number of interdisciplinary issues and the emergence of new social and political pressures created by industrialization These include their heightened vulnerability to complex economic crises their use of sophisticated instruments in the labour process and increased awareness of environmental issues The distinguished authors present a regional and cross border focus on transnational actors and institutions and the policy issues and problems which have a wider impact on spatial configurations in the region This insightful study will appeal to researchers academics and policymakers working on the economics and development of Southeast Asia
