

GEORGE BARNHA

RE-CHURCHING THE UNCHURCHED

*America has more unchurched people
than the entire population of all
but 4 of the world's 194 nations!
What else could we expect from a nation
without evangelism in their DNA.*

Rechurching The Unchurched

Edward H Hammett

Rechurching The Unchurched:

Re-churching the Unchurched George Barna, 2000 **Surprising Insights from the Unchurched and Proven Ways to Reach Them** Thom S. Rainer, 2001 A first of its kind comprehensive study of the formerly unchurched explodes some common myths as to what it takes to reach people and provides insight into how the Christian church can develop effective approaches to reach the growing number of unchurched in North America **Church for the Unchurched** George G. Hunter, 1996 Hunter discusses the rebirth of the apostolic congregation Christianity's vision of what people can become how small groups shape an apostolic people how lay ministry advances the Christian movement and how apostolic churches reach secular people This work shows that there is an apostolic way for a congregation to live out the gospel and here is why church leaders think so George Hunter hits the nail on the head with this practical and encouraging guide to church based evangelism Steve Sjogren Senior Pastor Vineyard Community Church Cincinnati Ohio This is a groundbreaking book What sets it apart from all the others is that it is based on hard data and real life examples If you want to know what is really happening in the so called Seeker churches this book is a must read Rick Warren Senior Pastor Saddleback Community Church Mission Viejo California George Hunter hits a home run with this book Walt Kallestad Community Church of Joy Phoenix Arizona Our commitment to the rebirth of apostolic congregations will be greatly enhanced by this book John Ed Mathison Frazier Memorial United Methodist Church Montgomery Alabama Apostolic churches present a tremendous challenge to stagnant traditional churches It is required reading for all who yearn to see the growth of the church Sir Alan Walker Australia Lost and Found Ed Stetzer, Richie Stanley, Jason Hayes, 2009 A leading national church research expert shares his surprising findings about the younger unchurched audience ages 25 to 34 and the churches that have found a way to reach them *Grow Your Church from the Outside In* George Barna, 2002-10-02 According to the author America has more unchurched people than the entire populations of all but 11 of the world's 194 nations Based on research among several thousand unchurched people the book discusses their values attitudes beliefs religious practices demographics life goals and spiritual expectations Using additional research conducted among churches that have had great success in attracting and retaining unchurched people the author also outlines perspectives and effective strategies for churches that wish to reach those who avoid churches Understanding what makes the unchurched tick will give you a better chance of relating to them in meaningful ways **The Disciple Making Church** Glenn McDonald, 2004 Newly expanded and revised edition of bestseller about changing from a program based church to a church making disciples You Found Me Rick Richardson, 2019-06-18 New research from the Billy Graham Center Institute shows that unchurched Americans are still remarkably open to faith conversations and the church Researcher and practitioner Rick Richardson sheds light on the study's findings and shares best practices for how churches are effectively approaching unchurched nones and moving them to faith Reaching People Under 40 while Keeping People over 60 Edward H Hammett, 2007-02-01 Many established

churches are facing a number of challenges in today's increasingly secular culture. Such a shift in many communities creates a challenge of church growth and church health when it seems that satisfying the needs of one group creates barriers to reaching another group. So many are asking, How do you keep people over sixty years of age who often hold church culture values while at the same time reach people under forty who often hold postmodern values? If a church is interested in growing, this situation becomes a major challenge. Reaching People under 40 while Keeping People over 60 looks at the church as it seeks to function in a new world. It looks at the differences in the generations and at postmodernism not just a generational difference but a global change. Most importantly, Reaching People under 40 while Keeping People over 60 looks at what a church can do in this new age to help the church survive and thrive. Foreword by Bill Easum. A TCP Leadership Series title.

The Y-B-H Handbook of Church Planting (Yes, But How?) Roger N. McNamara, Ken Davis, 2005-05. This book covers all the crucial issues of the church planting task. It tells how to organize and grow the new church working toward the ultimate goal of corporate reproduction. **Being the Body** Charles Colson, Ellen Vaughn, 2004-07-12. An updated and expanded edition of the landmark book *The Body*, this book calls for unity in the Christian Church during tumultuous times. Scriptural searching, haunting, humbling, challenging, energizing down to earth—all this and more—is true of *Being the Body*, a radical update of Colson's blockbuster, now even more powerful than it was before. Here is visionary dynamite. Read it thoughtfully and it will mark your life. J. I. Packer, professor and bestselling author of *Knowing God*. Many believe Charles Colson and Ellen Vaughn's *The Body* to be a watershed book of the twentieth century. It impacted the Church worldwide, encouraging Christians of diverse backgrounds to see themselves as part of the universal body of Christ. It challenged many to a new sense of unity, realizing that we blunt the Gospel message every time we divide over petty issues and personal turf. Now these acclaimed authors have come together to revisit this crucial subject. The book's classic truths have not changed. But the world we live in has. Christians in America have had their complacency shattered and their beliefs challenged. Around the globe, the clash of worldviews has never been more strident. Before all of us daily are the realities of life and death, terror and hope, light and darkness, brokenness and healing. We cannot withdraw to the comfort of our sanctuaries; we must engage. For if ever there were a time to be the Body of Christ in the world, it is now. No one can match Colson's unique blend of storytelling, contemporary insight, and prophetic vision. Phillip Yancey, bestselling author of *Soul Survivor*. It will certainly be as influential and provocative as its predecessor. Publishers Weekly.
