their own land in the St Lawrence Valley for their loyalty to the King Told by one of Philip and Catrina s descendants Three River Valleys Called Home is historical fiction based on a real family and true events Although some of the interactions and dialogue may be imagined they are firmly planted in the harsh realities that many immigrants faced and pay tribute to the true grit of the settlers who built North America While this book will have special meaning for the thousands of descendants of the Eamer family and the other families who made up their community their story will touch anyone with a history of immigration in their family tree
