Destiny's Journey Robert Ruiz Jr., 2014-10-14 Children and younger adolescents in today's world are bombarded with information from the electronic media and in particular the internet Much of what they see and read has little redeeming social value Computer games are particularly violent and teach the lesson that in order to have your way it is okay to resort to strength and violence Robert Ruiz Jr in writing *Destiny's Journey* sought to provide children and youth with an imaginative adventure story rooted in the values of family and friendship that stand the test of time love joy peace kindness gentleness faith and patience Inculcated in the story are the concepts of a Creator and a plan of life that is greater than any individual or group of individuals on earth There is indeed a divine plan for all living things The author in developing the Chiles family was

particularly interested in engaging Mexican and Hispanic American children and youth many of whom have been raised in the produce fields of Mexico and the United States Thus Chiles family characters serve as the vehicle to share values that make any society strong The interdependence of the characters in this story clearly demonstrates that no man is an island entire of it self All of us need each other regardless of race age or background in order to not only survive but thrive in todays world And above all we must recognize that there is a higher power at work in each of our lives *River's Edge* Marie Bostwick,2010-04-23 One extraordinary woman will come of age and come into her own in this haunting elegiac portrait of an ever changing America during the tumult and uncertainty of World War II After the death of her mother Elise Braun is sent to live with a new family in the United States and to start a new life Her father only wants to save his daughter from the impending war in her native Germany and the horrors of the new Nazi regime But Elise can only feel a sense of abandonment and resentment toward the one man who is supposed to protect her An accomplished pianist music has become her only solace from the loneliness and loss that makes it so difficult for her to love or trust anyone Devastated by his wife s death Herman Braun knows that he s incapable of caring for the daughter he loves so deeply He also knows that Germany is becoming a treacherous country in the hands of a tyrant one he must defy at any price even the price of sending his daughter away to a strange new land It s a choice that may cost him his family and his life Now with the war over Elise has grown into the beautiful and brave young woman her father always hoped she would be But underneath the polished fa ade she remains torn between her love for her adoptive home and the heartbreak caused by her homeland As she struggles to find her place in a harrowing new world she must also learn to acknowledge her love for her father the man who traded his happiness for her own **The River** Mark Stuberg,2018-10-18 God s desire is to pour Himself out unto us The sheer magnitude of the outpouring of His blessing is absolutely enormous much larger than you can imagine But many of these blessings are being held back But why and how In this book you will read of three prophetic encounters where I meet Jesus in the most amazing river You will see what may be preventing the flow of God s presence in your life your family and your church You will be challenged to rip down the wall of the dam that is holding back the flow of God s amazing river Get ready to jump into His river the water is out of this world **"Bula" Man-River** Kiang P Lee,2013-03-06 The parable of the Bula man river is the story of the miraculous life God promises man from the beginning By creating man in His own likeness He forever placed man on a path of living the miraculous life He is divine and we are mortal and whenever the two intersect miracles happen As humans it s impossible for man to experience the glory of God s divine Being so he experiences miracles the divine spark Miracles are foretastes of man s future in the glorious presence of God It s a life of unimaginable awe inspiring wonder both now and future From the beginning Adam and Eve experienced this miraculous life firsthand God lovingly and miraculously planted them a garden home which had all the resources for their survival and happiness God did not point to a jungle and charged Adam with planting a garden himself No God planted it with His own hands This miraculous life was man s destiny

from the start and continues to this day The whole earth hanging in the blackness of space is the larger Edenic home we all share as co inhabitants of it But man fails to respond with gratitude to dress and keep it Lost in the jungle of his own narcissistic self man seeks for life s answers which only the BULA man river can supply For those who change into the likeness of God s love God leads them to a new Eden This is where the miraculous life is lived as naturally as breathing This is what this book is about miracles It begins with the life of the BULA man river He is the product of God s love It begins with love gifts from the Father which form the substance of the three dimensional life of the BULA man river the Miracle Man Read about the two wonderful love gifts of the Father
