River Of Mines Fortunes And Loves:

River of Mines, Fortunes, and Loves Virgil F. Hendricks, 2000-01-01 *The Fraser River Gold Rush of 1858*, 2001

This book is about the gold rush which took place in the Fraser River and vicinity in 1858 which was within the British Possession and the Washington Territory now called British Columbia and the State of Washington This book covers the Fraser River Gold Rush from its infancy to what could be considered its conclusion as viewed by the California newspapers This book is somewhat unusual as it tells the chronological history of the gold rush as it unfolded and progressed by using newspaper articles from that era The news articles themselves were in most cases letters which had been written by many of the miners or correspondents who went to the area either to dig for gold or report on what was happening Many of the letters capture the experiences of the writer and his ordeal in trying to reach the gold fields as well as the latest news of the day Over 25% of the California miners would go to this place called the Fraser River not believing in the perils and danger that awaited them until actually faced by them As some would say crossing the plains was nothing in comparison to trying to reach the gold fields of the Fraser River and vicinity This book readily depicts their reason for saying so Fortune's Frenzy Eilene Lyon, 2023-09-08 The road to hell is paved with good intentions and gold dust When Henry Jenkins's sawmill business goes bust and his family loses their Indiana farm to foreclosure he sees gold as the answer to his financial woes Joining a company of younger men Jenkins and the other prospective miners sign fraudulent promissory notes to borrow from a ruthless businessman Allen Makepeace to reach the gold mines They sail the risky route via Panama to the mines in 1851 But gold is not so easy to find by then Making enough to survive and get home will be difficult repaying Makepeace could be impossible As Henry Jenkins becomes mired in mining his wife Abby struggles to meet the needs of her large family amidst crop failures waves of deadly disease and harassment by Henry's creditors When Henry's sons in law follow in his wake they find themselves on a notorious death ship stranded in the vast Pacific Will any of these frantic men make it home to their distressed families Fortune's Frenzy reveals the plight of miners who borrowed at extortionate rates to get to California and explores the dangerous and deadly sea routes to the west coast that killed roughly 10 percent of those who risked the journey Alternating between the miners trials and terrors and the challenges for the wives children and mothers left behind Fortune's Frenzy delves into the country's pressing social economic and nationalist issues in the pre Civil War decades The theme is age old and still relevant desperate people falling for get rich quick schemes They fail to consider the sacrifices they will have to make and the dismal odds of their success **Silver River Love** Barbara Baldwin, 2007-10-01 Samantha Delaney sees the book of poems as clues that her father is in trouble so she travels to the Nevada Territory to find him Unfortunately she must deal with two men of totally opposite persuasion but both of whom think she needs a guardian Her gentleman companion Roger Smith and the ever present Sheriff of Silver River Tyler Sloan go out of their way to aggravate her interfere with her investigation and create a disturbing emotional upheaval in her life Roger has a somewhat reticent

nature which Samantha considers an asset since she feels she can given enough time mold him into the kind of husband she wants However as Samantha unravels the clues to her father s whereabouts she finds Roger is not who he seems and there is far more to Sheriff Sloan than she first thought His passion for life and the passion he awakens in Sam have her quickly rethinking her ideas of independence **The West Shore** ,1887 **Fortune** Henry R. Luce,1946 Engineering and Mining Journal ,1883 *River of Tears* Richard West,1972 **Catalog of Copyright Entries** Library of Congress. Copyright Office,1967 **Biographical and Genealogical History of Appanoose and Monroe Counties, Iowa** ,1903
