Riverside Killer:

The Riverside Killer Christine Keers, Dennis St. Pierre, 1996 The story of the Riverside Killer is told by the homicide detective who cracked the case and covers the efforts of the investigative team the double life of stock clerk William Lester Suff and his six year murder spree Original Riverside Killer Keers, St. Pierre, 2000-05-01 *Perfect Victims* Bill James, 2011-07-07 The Black Dahlia case The Manson murders The Zodiac Killer The slaughter of JonBenet Ramsay These killings among many others in Bill James's astonishing chronicle of the history of American crime have all created a frenzy of interest and speculation about human nature And while many of us choose to avoid the news about gruesome murders Bill James contends that these crime stories which create such frenzy and have throughout history are as important to understanding our society culture and history as anything we may consider to be a more serious subject The topic envelopes our society so completely we almost forget about it James looks at the ways in which society has changed by examining the development of how crimes have been committed investigated and prosecuted The book takes on such issues as the rise of an organized police force the controversial use of the death penalty the introduction of evidence such as fingerprinting and DNA and the unexpected ways in which the most shocking crimes have shaped the criminal justice system and our perceptions of violence **Federal Register**, 1989-02 *Popular Crime* Bill James, 2012-05-08 Originally published 2011 With new addendum **Understanding Sexual Serial Killing** Frederick Toates, Olga Coschug-Toates, 2022-06-02 Why do some people engage in serial killing for sexual pleasure This book considers the phenomenon of sexual serial killing from the perspective of motivation theory as advanced in psychology and neuroscience By examining biological psychological and social determinants it develops a model of sexual killing that integrates widely dispersed existing literature The first part of the book reviews scientific data and theories while the second part presents biographical sketches of 80 sexual killers and links their early development and later killing to current theoretical understanding The book examines cases of serial killers from the USA Western Europe Iran Australia and South Africa and it also includes an account of killers from the USSR made available to non Russian speakers for the first time Deliberately written to avoid jargon *Understanding Sexual Serial Killing* is accessible to students scholars and professionals across psychology sociology forensic science and law Serial Murder Ronald M. Holmes, Stephen T. Holmes, 2009-07-21 Provides a solid review of the subject with an accessible incisive presentation including photos and features unique to this edition The Obituary Collector Gordon Bonnet, 2020-07-22 Malice and brilliance make a deadly combination Dignified silver haired Parsifal Snowe is an enigma even to his closest associates He has an air of omniscience tempered by a courteous self effacing demeanor How did such a man end up the leader of a motley crew of psychic detectives The Obituary Collector takes us back to 2006 and the founding of Snowe Agency Mr Snowe is asked for help in a series of deaths in a psychiatric hospital where each is preceded by a note containing clues in the form of literary quotes Very quickly he sees that the killings are the work of a highly intelligent but profoundly

disturbed mind Is it one of the psychiatric patients One would think so but the hospital s staff all seem to have secrets and skeletons of their own as well When a fourth note is found Mr Snowe realizes the murders aren t over yet and he has no hope of solving the case alone Racing against time he enlists the aide of a trio of local psychics Bethany Hale Callista Lee and Troy Seligman and the administrative skills of the ultra competent but eccentric Arabella Leidenfrost Each is a talent in and of themselves but together their complimentary abilities make them a formidable team But will it be enough to stop a killer determined to destroy the patients and staff of Riverside Psychiatric Hospital
