Road To Faith:

The Road to Faith Henri Loeb, 1859 *The Point of Faith* Josh Davis, 2016-12-09 Is Christ worth pursuing Is faith worth saving worth fighting for The Point of Faith is for the Christ seeker on all stages of the journey seeking to strengthen their understanding against the onslaught of anti Christian thought The Barna group stated 73% of Americans identify as Christian and that faith is personally important to them Yet only a small portion have a biblical worldview or paradigm This book is an invitation to free the mind from assumption step back and examine the viewpoint of Christ and the Bible If we think of life as a journey then we see that for the Christian Atheist and Agnostic alike each use a kind of road map or paradigm as a guide It is my assertion that each of these worldviews is based on some degree of faith trust or belief If ones paradigm fails to guide them to a good destination then what good is it I believe we need to ask what I call the seven fundamental questions of life which are Identity origin meaning purpose ethical value love and consciousness These questions apply to any worldview I believe through the recovery of true Biblical faith that Christ will transform lives Christs own words bid us I came that they may have life and have it in abundance 10 10
