Wright, 2003-09 *How to Travel Down the Narrow Road that Leads to Heaven* David Hawkins, 2023-02-09 How to Travel Down the Narrow Road That Leads to Heaven The narrow road that leads to heaven is very difficult to travel You must work hard to drive up this bumpy road and avoid running out of faith or making a wrong turn The road to hell is wide and smooth and easy to travel down It does not require faith and although you may take a right or left turn at one of the intersections all roads lead to the same place of unending torment The purpose of this book is to give you clear directions and a biblical map you can follow to get to heaven There are fourteen stops along the way starting with turning away from sin and turning toward God and ending with obeying the traffic laws of life that Jesus taught All the stops in between give you the encouragement and knowledge you need to stay on track for a successful journey These include receiving the gift of salvation and eternal life developing a relationship with the Holy Spirit having faith to follow Jesus serving and loving God and your neighbor digging deep into God s Word giving generously praying continually getting ready for the end times and living like Christ Once you arrive at your final destination there is no turning back So take time to look over the directions carefully study the map and read the Scriptures written on the road signs posted all along the way *They Walked with the Savior* Scott Hagan, 2002 Discover what happens when common everyday folks encounter the incomparable Christ Meet minor players in the Bible who came face to face with Jesus and accepted major roles Here are only a few of the unforgettable people whose stories have been tucked away in the pages of your Bible A grateful leper cured of leprosy The father of John the Baptist One praying widow named Anna A little boy with a little bread and a few fishes The old man who held baby Jesus Through passionate storytelling Scott Hagan will introduce you to simple folks with eternal legacies You will hear Zacharias breathe a breath of awe feel Simeon s heart skip a beat hold Martha s hand as she lays down the dirty plates and see Jesus face through a child s eyes You can experience each event with them Realize how each seemingly little player in the scheme of His plan was changed forever into an unforgettable hero in a God orchestrated moment of time As you read about how Jesus brought eternal significance to the lives of these obscure Bible characters your own faith will soar They listened responded and discovered life changing answers They discovered their need for Him They encountered His power and forgiveness They found their destiny in Him With each response to God they

became history makers And now it s your turn This is the first book in the supporting cast trilogy by Scott Hagan

associated with Jesus's life and death. Why do these pilgrims choose to journey halfway around the world? How do they react to what they encounter and how do they understand the trip upon return? This book places the answers to these questions into the context of broad historical trends, analyzing how the growth of mass market evangelical and Catholic pilgrimage relates to changes in American Christian theology and culture over the last sixty years, including shifts in Jewish-Christian relations, the growth of small group spirituality, and the development of a Christian leisure industry. Drawing on five years of research with pilgrims before, during, and after their trips, *Walking Where Jesus Walked* offers a lived religion approach that explores the trip's hybrid nature for pilgrims themselves, both ordinary, tied to their everyday role as the family's ritual specialists, and extraordinary, since they leave home in a dramatic way, often for the first time. Their experiences illuminate key tensions in contemporary US Christianity: between material evidence and transcendent divinity, commoditization and religious authority, domestic relationships and global experience. Hillary Kaell crafts the first in-depth study of the cultural and religious significance of American Holy Land pilgrimage after 1948. The result sheds light on how Christian pilgrims, especially women, make sense of their experience in Israel/Palestine, offering an important complement to top-down approaches in studies of Christian Zionism and foreign policy.
