W. Neighbor (Lieutenant),1874 Lessons in Becoming Myself Ellen Burstyn,2007-10-02 A deeply personal and electrifying memoir by Ellen Burstyn renowned actress and six time Academy Award nominee By the time Ellen Burstyn arrived in New York to study acting she d already worked as a Texas fashion model a Montreal chorus girl suffered numerous toxic relationships and just as many name changes and spiritual paths Theater legend Moss Hart called her a natural but Ellen Burstyn was still trying to discover who she was This is the graceful story of a personal and professional quest a life long journey by turns triumphant and terrifying tragic and funny thoughtful and illuminating Taking the Bastile Alexander Dumas,2020-07-25 Reproduction of the original Taking the Bastile by Alexander Dumas *Taking the Bastile* Александр Дюма,2021-03-16 **Taking the Bastile** Alexandre Dumas,2024-01-25 It was a winter night and the ground around Paris was covered with snow although the flakes had ceased to fall since some hours Spite of the cold and the darkness a young man wrapped in a mantle so voluminous as to hide a babe in his arms strode over the white fields out of the town of Villers Cotterets in the woods eighteen leagues from the capital which he had reached by the stage coach towards a hamlet called Haramont His assured step seemed to indicate that he had previously gone this road Soon above him streaked the leafless boughs upon the grey sky The sharp air the odor of the oaks the icicles and beads on the tips of branches all appealed to the poetry in the wanderer Through the clumps he looked for the village

spire and the blue smoke of the chimneys filtering from the cottages through the natural trellis of the limbs It was dawn when he crossed a brook bordered with yellow cress and frozen vines and at the first hovel asked for the laborer s boy to take him to Madeline Pi tou s home Mute and attentive not so dull as most of their kind the children sprang up and staring at the stranger led him by the hand to a rather large and good looking cottage on the bank of the rivulet running by most of the dwellings A plank served as a bridge There said one of the guides nodding his head to wards it Gilbert gave them a coin which made their eyes open still more widely and crossed the board to the door which he pushed open while the children taking one another s hand started with all their might at the handsome gentleman in a brown cloth coat buckled shoes and large cloak who wanted to find Madeline Pitou Apart from them Gilbert for such was the young man s name simply so for he had no other saw no liv ing things Haramont was the deserted village he was seeking As soon as the door was open his sight was struck by a scene full of charm for almost anybody and par ticularly for a young philosopher like our roamer A robust peasant woman was suckling a baby while another child a sturdy boy of four or five was saying a prayer in a loud voice In the chimney corner near a window or rather a hole in the wall in which was stuck a pane of glass an other woman going on for thirty five or six was spin ning with a stool under her feet and a fat poodle on an end of this stool Catching sight of the visitor the dog barked in a civil and hospitable manner just to show that he had not been caught napping The praying boy turned cutting the devotional phrase in two and both females uttered an exclamation between joy and surprise I greet you good mother Madeline said Gilbert with a smile
