Robe and Ring Melita Denning, Osborne Phillips, 1974 The Parables of Jesus Arland J. Hultgren, 2000-06-22 Outlines the parables of Jesus and discusses how each of the parables can be taught and preached Basic Training for Spiritual Warfare Steven Wiederwax, 2018-10-15 The Personality of God is the first book in a planned series called the Basic Training for Spiritual Warfare The Personality of God is based on Paul's writing to the Corinthians 1 Cor 14 12 and 2 Cor 3 18 and his comparison of looking into a mirror we see unclearly the face of God and how it becomes clearer and more distinct as we are changed into the image of God This reflection we see is of the spiritual image of God and not his physical image This truth begs for the answer to what is God's spiritual nature or what are the personality traits of God that comprise this nature The Personality of God strives to answer this question by addressing the nature of God as it is revealed in the Bible Using both historical and modern Bible commentaries on scripture that documents God's personality the traces the evolution of thought concerning God's individual personality traits is explored Additionally where appropriate the book cites Biblical dictionaries and lexicons to explore the original Hebrew and Greek meanings of the various words to describe God's personality and the challenges facing the translators of the various Bible versions faced in accurately portraying what was written by the authors of the different books of the Bible Isaiah wrote that God teaches us and that we learn precept upon precept line upon line a little here and a little there Is 28 10 Thus the Personality of God is intended to help teach us new precepts that our knowledge of God may increase The Personality of God is intended to help Christians to a greater knowledge and understanding of what it means to be more like God For Pastors and Sunday School teacher in can be used as a reference to help strengthen and encourage their congregation and students of becoming a strong witness for Christ Notes on the Parables of Our Lord Richard Chenevix Trench, 1886 **The Gospel According to Luke** James R Edwards, 2020-05-21 This new Pillar commentary devotes attention throughout to the vocabulary historical background special themes and narrative purpose that make the book of Luke unique among the four Gospels Though the Gentile focus of Luke is often held to be primary James Edwards counterbalances that by citing numerous evidences of Luke's overarching interest in depicting Jesus as the fulfillment of the providential work of God in the history of Israel and he considers the possibility that Luke himself was a Jew Edwards also draws out other important thematic issues in excurses scattered throughout the commentary including discussion of Luke's infancy narrative the mission of Jesus as the way of salvation and Luke's depiction of the universal scope of the gospel This readable relevant commentary attends to the linguistic historical literary and theological elements of Luke that are essential to its meaning and considers Luke's significance for the church and the life of faith today

Being a Dad Who Leads John MacArthur, 2014-05-01 As a Christian father you bear a tremendous responsibility to raise your children through both biblical instruction and personal example But how can you succeed in a society that attacks the role of fatherhood and godly family values Are you sometimes tempted to give in or give up The rewards of being a dad who

leads are well worth making the effort to stand firm The Bible offers clear guidance for dads on how to parent effectively Join pastor teacher John MacArthur as he looks at the keys to building healthy family unity essential character qualities to teach every child how to lovingly discipline children and nurture obedience traps to avoid in the course of parenting the power of a dad s example to influence future generations Commit yourself to being a dad who leads and God will enable you every step of the way There s no surer path to experiencing a lifetime of family blessings **The Robe, the Ring and the Sandals** K. Edmund Hermann,2007 *New Life Every Day* Rhonda Matthews,Bryan Matthews,2011-11-17 *Fulfilled in Christ: The Sacraments. A Guide to Symbols and Types in the Bible and Tradition* Fr. Devin Roza,2015-07-01 The Early Church read the Scriptures with the conviction that in the words of St Augustine The New Testament lies hidden in the Old and the Old Testament is unveiled in the New Drawing inspiration from how both the Apostles and Christ himself read the Old Covenant as referring to the New cf Luke 24 27 1 Peter 3 20 21 1 Corinthians 10 1 5 the Church found the Old Testament to be rich with figures or types that foreshadowed both the mysteries of the life of Christ and the mysteries or sacraments of the New Covenant And yet in modern times the study of types or typology has been largely abandoned by scholars due to the dangers of subjectivity and exaggeration How can typology be studied in a way that is objective and that avoids the excesses present in the past Fr Devin Roza seeks to offer a solution to these difficulties by asking the question According to the Scriptures and the living Tradition of the Church what are the types and symbols of the sacraments and what do they mean As authorized representatives of the living Tradition the Liturgy including the readings from the Church Fathers and the Catechism together with the Scriptures offer both the scholar and pastor the opportunity to study typology as the Catholic Church herself understands and prays it today in those texts the Church considers her own Fulfilled in Christ thus offers a comprehensive and readable summary of references to types and symbols of the sacraments in the Scriptures and the living Tradition of the Church as represented by the Liturgy and the Catechism The result is a highly objective scholarly and at the same time pastoral study of how the Church understands and lives the types and symbols of the sacraments today **A suggestive commentary on the New Testament. St. Luke (St. John) by W.H. Van Doren. (St. Paul's epistle to the Romans, by T. Robinson). [6 vols. No more publ.].** William Howard Van Doren,1876
