Reading Robert Walser Simon Wortham,2025-05-06

Reading Robert Walser concentrates on the letters sent by the author Robert Walser to Frieda Mermet the laundry manager at a Swiss psychiatric hospital where his sister worked as a teacher Their exchange continued from 1913 to 1942 covering the time when Walser s literary fortunes declined after which he himself was placed in an asylum for almost three decades before his death in 1956 This epistolary history provides a reflection on the question of correspondence and literature particularly the subject of lost correspondence gender the question of address and the performance of identity Simon Wortham frames the letters with an extensive critical biography about the life and writing of Robert Walser whose work has enjoyed a resurgence in recent years As her side of the exchange no longer survives the book concludes with a fictional reimagining of Mermet s response to Walser s letters This creative part is carefully introduced by chapters on epistolary writing in a range of critical settings from modernism to literary theory and deconstruction as well as exploring what is at stake in creative engagements with a literary legacy of this kind Praise for Reading Robert Walser The very question of a subject is at stake in this enchanting book Intriguingly each chapter has a different voice from a man writing about Walser to a man writing as a woman speaking as Walser with a chorus in between that produces an exhilarating threefold reading of strangely connected desires Sharon Kivland artist writer and editor of the independent press MA BIBLIOTH QUE Reading Robert Walser gifts us a psychologically flexible approach to the incomparably brilliant modernist writer Never pathologizing Wortham shows that Walser s texts challenge us to think asexuality and queerness in new and dynamic ways Rather than pathologizing Walser Wortham productively stays under Walser s spell Barbara N Nagel Princeton University *Robert Walser* Samuel Frederick,Valerie Heffernan,2018-06-15 The Swiss writer Robert Walser 1878 1956 is now recognized as one of the most important European authors of the modernist period having garnered high praise from such prominent voices as Susan Sontag W G Sebald and J M Coetzee Robert Walser A Companion is the first comprehensive guide to Walser s work in English The twelve essays in this collection examine Walser s literary output historical milieu and idiosyncratic writing process addressing aspects of his biography discussing the various genres in which he wrote the novel short prose drama lyric poetry and letters and analyzing his best known novels and short stories alongside lesser known but no less fascinating poems plays and prose pieces An essential addition to the scholarship about this eccentric prolific and influential writer s work Robert Walser A Companion will be of interest both to established scholars and to those coming to Walser for the first time **Robert Walser and the Politics of Neglect** Simon Wortham,2025-10-29 This book s argument is that Walser toys with style in ways that are not purely literary but which carry the ambivalent resonance of politics in all its forms cultural politics sexual politics class politics both in his own time and still today Once almost forgotten the Swiss modernist author

Robert Walser is now widely read and celebrated both in Europe and in the Anglo American world Such was his early promise that Franz Kafka was heralded by Robert Musil as a peculiar case of the Walser type The growing Walser Myth as Reto Sorg has called it has been fueled through reference to canonical readings by writers and critics such as Walter Benjamin Susan Sontag Elias Canetti W G Sebald and J M Coetzee Meanwhile others have suggested that the legacy of important figures in German writing such as Musil Karl Kraus Frank Wedekind and Walser himself suffered in the past from the early canonization of a quartet of authors taken to represent the high water mark of modern German literature Thomas Mann Rainer Maria Rilke Franz Kafka and Bertolt Brecht serving as a byword for literary achievement in the novel lyric poetry short prose and drama respectively Perhaps like Kafka Walser today feels uncannily modern He is therefore attracting a great deal of critical interest for the key themes of his work the enigmatic and fleeting experience of modern life the intricacies of sexuality and sex identity the modern experience of work money and consumerism the intersecting politics of capitalism and populism and so on contemporary themes that connect powerfully with his own life and writing This study brings all of these issues into focus reassessing them through the lens of Walter Benjamin s claim that Walser s writing is to be thought of in terms of a certain neglect of style

The Enchanted Screen Jack Zipes, 2011-01-27 The Enchanted Screen The Unknown History of Fairy Tale Films offers readers a long overdue comprehensive look at the rich history of fairy tales and their influence on film complete with the inclusion of an extensive filmography compiled by the author With this book Jack Zipes not only looks at the extensive illustrious life of fairy tales and cinema but he also reminds us that decades before Walt Disney made his mark on the genre fairy tales were central to the birth of cinema as a medium as they offered cheap copyright free material that could easily engage audiences not only through their familiarity but also through their dazzling special effects Since the story of fairy tales on film stretches far beyond Disney this book therefore discusses a broad range of films silent English and non English animation live action puppetry woodcut montage Jim Henson cartoon and digital Zipes thus gives his readers an in depth look into the special relationship between fairy tales and cinema and guides us through this vast array of films by tracing the adaptations of major fairy tales like Little Red Riding Hood Cinderella Snow White Peter Pan and many more from their earliest cinematic appearances to today Full of insight into some of our most beloved films and stories and boldly illustrated with numerous film stills The Enchanted Screen is essential reading for film buffs and fans of the fairy tale alike

Comparative Modernism and Poetics of Time Özen Nergis Dolcerocca, 2023-10-05 This book explores the conceptualization of time in early twentieth century literature and thought based on a transnational and translational model of literary history focusing on Turkish French and German literary traditions Each from different cultural backgrounds these modernists provide a radical critique of modern time regimes which calibrate time in singular temporal narratives The book traces the philosophical strand of this critical chronometry from Henri Bergson s theory of time through Walter Benjamin s ambivalence towards decay of tradition and finally to A H Tanpınar and Robert Walser s modernist fiction

Negotiating regionally marked concepts and topoi of temporality it discusses networks of cultural circulations and maps a revised intersection of Turkish and Western European literary histories It is an essential read for scholars and students of comparative and world literature modernist studies and cultural history Anti-Tales David Calvin,Catriona McAra,2011-05-25 The anti fairy tale has long existed in the shadow of the traditional fairy tale as its flipside or evil twin According to Andr Jolles in *Einfache Formen* 1930 such Antim rchen are contemporaneous with some of the earliest known oral variants of familiar tales While fairy tales are generally characterised by a spirit of optimism Tolkien the anti tale offers us no such assurances for every happily ever after there is a dissenting they all died horribly The anti tale is however rarely an outright opposition to the traditional form itself Inasmuch as the anti hero is not a villain but may possess attributes of the hero the anti tale appropriates aspects of the fairy tale form and its equivalent genres and re imagines subverts inverts deconstructs or satirises elements of these to present an alternate narrative interpretation outcome or morality In this collection Little Red Riding Hood retaliates against the wolf Cinderella s stepmother provides her own account of events and Snow White evolves into a postmodern vampire tale The familiar becomes unfamiliar revealing the underlying structures dynamics fractures and contradictions within the borrowed tales Over the last half century this dissident tradition has become increasingly popular inspiring numerous writers artists musicians and filmmakers Although anti tales abound in contemporary art and popular culture the term has been used sporadically in scholarship without being developed or defined While it is clear that the aesthetics of postmodernism have provided fertile creative grounds for this tradition the anti tale is not just a postmodern phenomenon rather the postmodern fairy tale is only part of the picture Broadly interdisciplinary in scope this collection of twenty two essays and artwork explores various manifestations of the anti tale from the ancient to the modern including romanticism realism and surrealism along the way **They Have All Been Healed** Jan Plug,2016-07-15 In perhaps the most provocative reading to date of the Swiss German modernist Robert Walser Walter Benjamin asserted that Walser s figures have all been healed *They Have All Been Healed* takes up and extends Benjamin s assessment by following the figure of healing throughout major works by Walser from his minidrama *Snow White* and his acknowledged masterpieces *The Walk* and *Jakob von Gunten* to his enigmatic last novel *The Robber* At the same time Jan Plug reads Walser alongside his most compelling readers tracing how not only Benjamin but also Giorgio Agamben W G Sebald and the Brothers Quay complicate clarify and enact that same process of healing in their own work Working out the theological implications of Walser s work and of the tradition to which he gives rise Plug at once recasts one of the major authors of the twentieth century and articulates a new conception of healing and salvation

Robert Walser Rediscovered Stories Fairy Tale Plays And Critical Responses Introduction

In the digital age, access to information has become easier than ever before. The ability to download Robert Walser Rediscovered Stories Fairy Tale Plays And Critical Responses has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Robert Walser Rediscovered Stories Fairy Tale Plays And Critical Responses has opened up a world of possibilities. Downloading Robert Walser Rediscovered Stories Fairy Tale Plays And Critical Responses provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Robert Walser Rediscovered Stories Fairy Tale Plays And Critical Responses has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Robert Walser Rediscovered Stories Fairy Tale Plays And Critical Responses. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Robert Walser Rediscovered Stories Fairy Tale Plays And Critical Responses. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal

distribution of content. When downloading Robert Walser Rediscovered Stories Fairy Tale Plays And Critical Responses, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Robert Walser Rediscovered Stories Fairy Tale Plays And Critical Responses has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
