

**Robert Frost
and a
Poetics of Appetite**

Katherine Kearns

Robert Frost And A Poetics Of Appetite

Mark Richardson

Robert Frost And A Poetics Of Appetite:

Robert Frost and a Poetics of Appetite Katherine Kearns,1994-02-25 This book reads Frost s poetry within a theoretical perspective generated but not limited by feminist analysis The Ordeal of Robert Frost Mark Richardson,1997 Through close readings of Frost s poetry and often ignored prose Mark Richardson argues that Frost s debates with Van Wyck Brooks Malcolm Cowley and H L Mencken informed his poetics and his poetic style just as much as did his deep identification with earlier writers like Emerson and William James **Robert Frost and Feminine Literary Tradition** Karen L. Kilcup,1998 Uncovers heretofore overlooked influences and connections in the evolution of Frost s poetry

Robert Frost and the Politics of Poetry Tyler Hoffman,2001 A powerful and persuasive new reading of Frost as a poet deeply engaged with both the literary and public politics of his day **The Cambridge Companion to Robert Frost** Robert Faggen,2001-06-14 This collection of specially commissioned essays by experts in the field explores key dimensions of Robert Frost s poetry and life Frost remains one of the most memorable and beguiling of modern poets Writing in the tradition of Virgil Milton and Wordsworth he transformed pastoral and georgic poetry both in subject matter and form Mastering the rhythms of ordinary speech Frost made country life the point from which to view the world and the complexities of human psychology The essays in this volume enable readers to explore Frost s art and thought from the controversies of his biography to his subtle reinvention of poetic and metric traditions and the conflicts in his thought about politics gender science and religion This volume will bring fresh perspectives to the lyric narrative and dramatic poetry of an American master and its chronology and guide to further reading will prove valuable to scholars and students alike The Art of Robert Frost Tim Kendall,2012-05-29 Offers detailed accounts of sixty five poems that span Frost s writing career and assesses the particular nature of the poet s style discussing how it changes over time and relates to the works of contemporary poets and movements **Belief and Uncertainty in the Poetry of Robert Frost** Robert Pack,2003 A leading Frost critic guides the reader through some of the poet s most challenging verse Robert Frost and Northern Irish Poetry Rachel Buxton,2004-05-27 In this incisive and highly readable study Rachel Buxton offers a much needed assessment of Frost s significance for Northern Irish poetry of the past half century Drawing upon a diverse range of previously unpublished archival sources including juvenilia correspondence and drafts of poems Robert Frost and Northern Irish Poetry takes as its particular focus the triangular dynamic of Frost Seamus Heaney and Paul Muldoon Buxton explores the differing strengths which each Irish poet finds in Frost s work while Heaney is drawn primarily to the Frost persona and to the sound of sense it is the studied slyness and wryness of the American s poetry the complicating undertow which Muldoon values This appraisal of Frost in a non American context not only enables a fuller appreciation of Heaney s and Muldoon s poetry but also provides valuable insight into the nature of trans national and trans generational poetic influence Engaging with the politics of Irish American literary connections while providing a subtle analysis of the intertextual relationships between these three

key twentieth century poets Robert Frost and Northern Irish Poetry is a pioneering work **The Robert Frost**

Encyclopedia Nancy L. Tuten, John Zubizarreta, 2000-12-30 Often thought of as the quintessential poet of New England Robert Frost is one of the most widely read American poets of the 20th century He was a master of poetic form and imagery his works seemed to capture the spirit of America and he became so emblematic of his country that he read his work at President Kennedy's inauguration and traveled to Israel Greece and the Soviet Union as an emissary of the U S State Department While many readers think of him as the personification of New England he was born in San Francisco published his first book of poetry in England matured as a poet while abroad taught for several years at the University of Michigan and spent many of his winters in Florida This reference helps illuminate the hidden complexities of his life and work Included in this volume are hundreds of alphabetically arranged entries on Frost's life and writings Each of his collected poems is treated in a separate entry and the book additionally includes entries on such topics as his public speeches various colleges and universities with which he was associated the honors that he won his biographers films about him poets and others whom he knew and similar items Each entry is written by an expert contributor and closes with a brief bibliography The volume also provides a chronology and concludes with a general bibliography of major studies *Critical Companion to Robert Frost* Deirdre J. Fagan, 2007 Known for his favorite themes of New England and nature Robert Frost may well be the most famous American poet of the 20th century This is an encyclopedic guide to the life and works of this great American poet It combines critical analysis with information on Frost's life providing a one stop resource for students
