

Robert Louis Stevenson Biography

Frank McLynn

Robert Louis Stevenson Biography:

Robert Louis Stevenson Claire Harman, 2006 The most authoritative comprehensive perceptive biography of R L Stevenson to date using for the first time his collected correspondence which has been unavailable to all previous writers The short life of Robert Louis Stevenson 1850-94 was as adventurous as almost anything in his fiction his travels illness struggles to become a writer relationships with his volatile wife and step family friendships and quarrels have fascinated readers for over a century In his time he was both engineer and aesthete dutiful son and reckless lover Scotsman and South Sea Islander Covenanter and atheist Stevenson's books including *Treasure Island* *The Strange Case of Dr Jekyll and Mr Hyde* and *Kidnapped* have achieved world fame others *The Master of Ballantrae* *A Child's Garden of Verses* *Travels with a Donkey* remain all time favourites His unique gift for storytelling and dramatic characterisation has meant that some of his characters live in the consciousness even of those who have never read his work *Long John Silver* with his wooden leg and his parrot is more real to most people than any historical pirate while *Jekyll and Hyde* has become a universally recognised term for a split personality No biography has yet done justice to the complex brilliant and troubled man who was responsible for so many remarkable creations His interest in psychology genetics technology and feminism anticipated the concerns of the next century while his experiments in narrative technique inspired post modern innovators such as Borges and Nabokov Stevenson's recently collected correspondence shows him to have been the least Victorian of Victorian writers a man of humour resilience and strongly unconventional views With access to this and much previously unpublished material Claire Harman the acclaimed biographer of Sylvia Townsend Warner and Fanny Burney has written the most authoritative comprehensive and perceptive portrait of RLS to date

Robert Louis Stevenson Robert Louis Stevenson, 1905 *Robert Louis Stevenson* William Gray, 2004-03-12 More than most writers Robert Louis Stevenson requires a Literary Life Fascination with Stevenson's life the Stevenson biography is almost a minor genre has tended to eclipse his literary achievement This study focuses on Stevenson's writing practice within the different geographical cultural and political contexts that shaped it from Scotland to the South Seas Following Stevenson's own views on biography the book is not structured primarily in terms of chronology but is more a kind of literary geography than traditional literary history
