Lord of the Church, we pray for our renewing:
Christ over all, our undivided aim;
fire of the Spirit, burn for our enduing,
wind of the Spirit, fan the living flame!
We turn to Christ amid our fear and failing,
the will that lacks the courage to be free,
the weary labours, all but unavailing,
to bring us nearer what a church should be.

Lord Of The Church

Lord Of The Church:

The Furtherance of the New Way for the Lord's Recovery Witness Lee, 2001-06 On the day of Pentecost Peter preached the gospel the Spirit was outpoured and close to three thousand souls were saved These newly saved believers spontaneously began to meet together in their homes And day by day continuing steadfastly with one accord in the temple and breaking bread from house to house they partook of their food with exultation and simplicity of heart Acts 2:46 In these home gatherings all believers were able to function and the early church flourished and spread v 47 *Conjugal Love* Emanuel Swedenborg, 2013-11-19 This work published in 1768 when Swedenborg was eighty years of age was the first of the author's theological works on the title of which his name appeared It treats of the relation of the sexes of the nature and origin of love truly conjugal and of its indissoluble nature of the marriage of the Lord and the Church and its correspondence of the spiritual conjunction of partners in true marriage of the change effected in both sexes by marriage of the causes of disaffection separations and divorces of the causes of apparent love friendship and favor in marriage and of iterated marriages To which is appended a treatise on Adulterous or Scortatory Love in its various degrees showing it to be in its nature the very opposite of Conjugal Love **Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954** United States.
