Walk Like a Man Virginia Ford,2023-02-16 I came up with the idea for the name of my book when one evening as Den and I were walking down a dark and deserted road in Germany carrying off our garbage he had me dressed in a fatigue jacket army baseball hat and I had on jeans He said Jenny walk like a man I have thought about that many times as I have navigated the roads I have traveled in my life some good and some very hard My book is about the first twenty six years of my life It sometimes feels like I lost my life and picked up another one I have been happy and sad but I have tried to be content in whatever state I have found myself I have found happiness and contentment in my God my husband my children and grandchildren God is so good **Attitudes of the Heart** JOJO,2011-05-10 In this book you will see many different types of attitudes Attitudes of the Heart is a devotional journal based upon biblical attitudes The illustrations used in this book are based on true stories either I have encountered or someone I know has encountered My hope is for people to distinguish between good and bad attitudes So if you dare open your heart and allow the pages of this book speak to your heart *Real* Earl Buchan ,2024-08-01 In this practical and eminently inspiring work pastor and church planter Earl Buchan takes readers on a rich and real ride through the ups and downs of Christian ministry offering down to earth insights and advice buoyed by grace and grit This book isn't about tearing into the church writes Buchan in the Introduction It's about building up the person you me those of us who know we are called to a kingdom life This is all about rewilding ministry from the inside out Honest and uplifting there's no fire breathing dragons or hellfire and brimstone here No legalistic list of Dos and Don'ts Just a heaping helping of battle hardened lessons about how to do the ministry in which you are called Sensitive and sensible Real is saturated in Scripture and soaked in hard won sagacity The tone is warm and winsome Note that this isn't a How to book

on how to build your church boost church attendance or implement the latest whiz bang ministry paradigm It s not a dry and dusty theological treatise on church planting or a compilation of abstract theory that looks good on paper but fizzles and fades in the real world Nor is it one of those dot all the Is and cross all the Ts just so recipes Add water Stir And voila You too can have a mega church and instant ministry success Nope It s much deeper than that More thoughtful More authentic More deliberate There is so much to love about this book At just over one hundred pages it s relatively brief and written in down to earth terms that everyone can understand both lay and clergy Chapter 5 Broken may be the stand out chapter of the book Mariella You ll have to read the book to get that Recommended Reading and a FAQ section are also included Dietrich Bonhoeffer Miguel de Cervantes Topics include the two pillars of love patience and kindness Loving without reward The daily grind Disappointment and disenchantment in ministry What to do when you feel like giving up Spotting wolves in sheep s clothing and how to deal with them Distractions Fighting behind enemy lines The difference between career pastors and called pastors Flexibility and creativity in ministry Perils and pitfalls to beware Balance Let s get real Making Pauls instead of Timothys He wins Family Lift up your eyes to Him And leaving well Onward The text is challenging in places It s forthright Clear eyed Refreshing No pre packaged cellophane wrapped sermons or pie in the sky by and by here Real asks the reader some pretty pointed questions about the condition of their own heart It also tells it like it is that sometimes ministry is difficult thankless and dull Meanwhile page after page offers gentle practical insights illustrated with personal life experiences and lessons learned Each chapter glides seamlessly into the next with smooth transitions that are natural and relaxed Indeed reading Real is like sitting down at the kitchen table with a hot cuppa and sharing a conversation with an old friend Talk about a breath of fresh air Additionally a central theme of Real is simple yet profound And very much needed in today s world with its own unique set of ministry challenges You are not alone and God wins The text conveys the theme with a strong undercurrent of camaraderie and compassion offering readers not only practical advice but also glistening gulps of grace
