Prophet, Elizabeth Clare Prophet, 2020-12-10 The physical world in which we live represents only a small slice of a broad spectrum of being, from the realm of the humblest nature spirits to that of the most exalted archangels and cosmic beings. This second book in the Sacred Adventure series describes the presence of masterful spiritual beings just beyond the veil. Learn from them how to embody the divine qualities of power, wisdom, and love as you explore the hidden dimensions of life in chapters on our teeming cosmos, the strength of divine will, soul travel, the brilliance of divine wisdom, the angelic kingdom, the comfort of divine love, and the threefold flame in the heart.

Dreams Marilyn C. Barrick, 2020-12-04 We spend one third of our lives asleep, and most of that time we are dreaming. But we don't always remember our dreams or understand the messages they are conveying. Dr. Marilyn Barrick's fascinating work shows that our dreams are not only meaningful and connected with events in our lives, but they also hold important keys to our spiritual and emotional development. In fact, our souls are great dramatists and teachers, and the scripts of our dreams often contain profound and valuable guidance. Through the powerful insights in this book and the author's visionary analysis of actual dreams, you'll learn how to interpret your own dreams and discover how to decode the metaphorical messages of your own soul. You'll also explore Tibetan sleep and dream yoga, lucid dreaming, and techniques to help you more clearly remember and understand your dreams.

The Age of the Divine Mother Elizabeth Clare Prophet, 2006 The author discusses the power of prayer to heal oneself, communities, nations, and the planet through the heart of Mary and her revelations.

Mary's Message of Divine Love Mark L. Prophet, Elizabeth Clare Prophet, 2004 In the twentieth century alone, more than two hundred appearances of Mary, the Mother of Jesus, have been reported in over thirty countries. Some claim Mary has appeared to them as they pray. Others say they have watched her statues weep or have seen her images on walls or windows. And some tell us that Mary has revealed to them urgent prophecies and secrets. Mary has entrusted her messages to unlikely ambassadors, not prelates or popes, presidents or politicians, but children and simple folk, innocent ones who could receive her messages in humility and convey them with undiluted simplicity. For forty years, Mother Mary gave messages through Mark and Elizabeth Prophet to comfort and enlighten spiritual seekers of all paths. This

groundbreaking book records Mary's precious messages of wisdom, hope, and love to a troubled world. It also includes the text of five nondenominational rosaries, one for each evening, Monday through Friday. **Violet Flame** Elizabeth Clare Prophet, 2020-06-12

Did Our Hearts Not Burn Within Us? The mystics have always known that the heart is the most important center of consciousness. We can gain visions through the third eye, enlightenment through the crown. But the true fount of cosmic consciousness is always in the heart. How do we develop our heart, the chakra of Divine Love? How can we increase the fire of the heart? How can we expand the threefold flame, the very source of life within us? Within *Initiations of the Heart*, the ascended masters reveal the mysteries of the heart. Most importantly, as we enter into their Word, each one offers a transfer of light, a unique initiation of the heart. The apostles felt the fire of the heart in their encounter with the risen Christ on the road to Emmaus. May you also experience that fire through your encounter with the masters in this age. [The Path to Your Ascension](#) Annice Booth, 2020-12-07

The Path to Your Ascension will empower you to focus on what's really important in life. It will help you rediscover what your soul has known from the beginning: that life does have a higher purpose. And that each encounter along the way, no matter how difficult, is a stepping stone that will lead you back to your source. The world's religions have singled out great masters who have walked the earth and ascended to God. Elijah was swept up into heaven in a chariot of fire. Gautama Buddha entered Parinirvana. Jesus ascended to the Father, and Mary was assumed into heaven. These masters were not exceptions to the rule. They were teachers, mentors, examples. They came to show us how we too can master the circumstances of our life and walk the path home to God. *The Path to Your Ascension* shapes the wisdom of these ascended masters into a personal guide for your own soul's liberation. It offers practical techniques to accelerate your spiritual growth and describes the angels and masters who can help you achieve your goal. In down-to-earth terms, sprinkled with touching anecdotes, it reveals your greatest opportunities for spirituality and the most serious challenges to making it all the way home. **Constructing Tradition** Andreas Kilcher, 2010-10-05
