The call went out and the response was nothing short of remarkable with contributions from such creators as Alan Moore and Dave Gibbons in one of their rare collaborations after Watchmen Neil Gaiman The Sandman Paul Chadwick Concrete and Eddie Campbell From Hell among others In these pages you ll find new tales of Central City s protector facing off against familiar villains such as the Octopus and Sand Saref witness his undying love for Ellen Dolan daughter of Commissioner Dolan the only man who knows his secret identity and glimpse what might be the Spirit's fate in an uncertain future Vine and Olive; Or, Young America in Spain and Portugal Oliver Optic, 2015-01-09 Vine and Olive the fifth volume of the second series of Young America Abroad contains the history of the Academy Squadron during the cruise along the shores of Spain and Portugal and the travels of the students in the peninsula As in the preceding volumes the professor of geography and history discourses on these subjects to the pupils conveying to them a great deal of useful information concerning the countries they visit The surgeon of the ship is a sort of encyclop dia of travel and while he is on shore with a couple of the juvenile officers he enlightens them by his talk on a great variety of topics and the description of sights is given in these conversations or in the waits between the speeches In addition to the cities of the peninsula on the Atlantic and the Mediterranean the young travellers cross the country from Barcelona to Lisbon visiting on the way Saragossa Burgos the Escurial Madrid Toledo Aranjuez Badajos and Elvas In another excursion by land they start from Malaga and take in Granada and the Alhambra Cordova Seville and Cadiz Besides the ports mentioned the party vessels visit Valencia Alicante from which they make an excursion to Elche to see its palms Carthagena and

Gibraltar The author has visited every country included in the titles of the eleven volumes of the two series of which the present volume is the last published He has been abroad twice for the sole purpose of obtaining the materials for these books his object being to produce books that would instruct as well as amuse The story of the incendiaries and of the young Spanish officer of the Tritonia interwoven with the incidents of travel is in accordance with the plan adopted in the first and followed out in every subsequent volume of the two series Doubtless the book will have some readers who will skip the lectures of the professor and the travel talk of the surgeon and others who will turn unread the pages on which the story is related but we fancy the former will be larger than the latter class If both are suited the author need not complain though he especially advises his young friends to read the historical portions of the volume because he thinks that the maritime history of Portugal for instance ought to interest them more than any story he can invent The titles of all the books of this series were published ten years ago The boys and girls who read the first volume are men and women now and the task the author undertook then will be finished in one more volume With the hope that he will live to complete the work begun so many years ago the author once more returns his grateful acknowledgments to his friends old and young for the favor they have extended to this series
