Los Genios Del Fuego Quienes Son Como Crean Y Que Cocinan 10 Chefs De Vanguardia:

Los Genios Del Fuego Pau Arenós, Albert Bertran, 1999 **Transatlantic Mysteries** William J. Nichols, 2011

Transatlantic Mysteries presents a comparative study that brings together authors Paco Ignacio Taibo II and Manuel Vázquez Montalbán from two specific political contexts post 1968 Mexico and post Franco Spain who both work in one specific genre noir detective fiction. In this so called age of globalization Spain and Mexico have witnessed an explosion in the production of noir detective fiction which these authors choose purposefully in order to infiltrate the market with formulaic popular literature while simultaneously critiquing the effects of the neoliberal strategies embraced by their countries. By locating themselves at the crossroads where literature meets the market they not only underscore the effects of capital on literary and cultural production but also explore the possibility for their writing to resist the influences of capital and question the role of an intellectual in an era of globalization. At the core of their writing Taibo and Vázquez Montalbán examine the revolutionary possibilities of literature and popular culture to offer a new kind of Marxist project that revitalizes the Left by redefining the role of socially engaged literature in a globalized landscape. **Journal for the Study of Food and Society**, 1998 **Bibliografía española**, 2000
