Lost Cat Caroline Paul, 2013-04-11 Caroline Paul was recovering from a bad accident she had been flying a plane when it happened and thought things couldn't get worse. But then her beloved cat Tibia disappeared. She and her partner, illustrator Wendy MacNaughton, anxiously waited for his return before resigning themselves to their loss. But weeks later Tibia waltzed back into their lives. His owners were overjoyed. They might also have been a bit jealous. All right, they were very jealous. Where had their sweet, anxious cat disappeared to? Had he become a swashbuckling cat adventurer? Did he love someone else more? His owners were determined to find out. Using GPS technology, cat cameras, psychics, the web, and animal communicators, they embarked on a quest to discover what their cat did when they weren't around. Writer Caroline Paul tells the warm and poignant story of their discoveries with Wendy MacNaughton's elegant and hilarious full-colour watercolours. **Lost Cat** is a book for animal lovers, pet owners, and anyone who has ever done anything desperate for love. **Reward, Lost**

Cat, the Search for Spock Donald Weiser, 2012-09 This is a true story where the main characters are feline. There are some humans too. It is a story of cat love and loss. It is also a story of two humans finding each other and of human love and bonding. My name is Don Weiser. I had three cats: Jones, who is all black with green eyes and is going on 21 years of age; Spock, who is an Abyssinian and is presently lost; and Sam, who is a huge orange tabby who was a stray. I lived in Albany, NY, for 17 years and worked for the Department of Social Services. My wife Beth lives in North Carolina and had three cats: Smokey, who is a lovely lion-like gray tabby with the largest head I have ever seen; Maggie, who was a solid black cat with gold eyes; and Rosy, who is also a solid black cat with gold eyes and who is Maggie's daughter. Beth and I are now married, 89/90, and live in North Carolina with our six cats. Maggie is dead, Spock is lost, and Junior, the youngest cat who is a tabby, now lives with us. These are the main characters, and the story is about how we all came to live together in North Carolina. I hope you find it interesting. It may make you cry. I hope it makes you laugh too. My book is meant to help anyone whose pet is lost. What to do, what steps to take before your pet is lost to help ensure that it doesn't get lost and to make recovery easier. If it does become lost, what to do in the first hours, first days, first weeks, and long term up to how to deal with the possibility of never finding your pet.

The Secrets of Lost Cats Dr. Nancy Davidson, MD, Nancy L. Davidson, 2013-07-23 You've seen them: hanging on telephone poles and posted on supermarket bulletin boards. But have you ever wondered about the stories behind them? When her orange tabby Zak disappeared, Nancy Davidson did what countless people before her had done. She made a lost cat poster. And after days of frantic searching, she found him. Nancy was ecstatic. Zak seemed happy too, although being a cat it was hard to tell. Zak may have remained his old self, but Nancy had changed. From that moment on, she became acutely aware of lost cat posters. She studied their language, composition, and design. She was drawn to their folk art. Mostly, however, she was intrigued by the messages themselves, the stories behind the posters. It wasn't long before Nancy reached out to other owners of lost and found cats to offer empathy and support. They told hilarious and often poignant stories. They sought advice

That's when Dr Nancy the cat lover and the seasoned therapist stepped in and offered insights brought to light by her shrewd but never self-serious analysis. What they told her and what she learns creates a captivating look into the heart of our relationships with our pets and each other. For seven years Dr Nancy followed the lost cat trail discovering answers to a question that eventually touches all of us: What will you do for love? *The Secrets of Lost Cats* traces the evolution of Nancy Davidson's seven-year passion for lost cat posters. From the astonishing almost implausible posters she encounters across the country and indeed the world to the daring dedication and emotional complexity of the cat owners themselves, *The Secrets of Lost Cats* offers readers an absorbing journey that illuminates love, loss, and learning to love again even more deeply.

For she wants not only to know what it is possible to do and how to do it but to what end she should put her special abilities.
