## **Lost Legacy Of Muhammad Ali:**

*The Lost Legacy of Muhammad Ali* Thomas Hauser, 2005 The *Lost Legacy of Muhammad Ali* is Thomas Hauser's companion volume to his seminal 1991 work *Muhammad Ali His Life and Times* a biography hailed as incomparable by The New York Times a considerable achievement by the Wall Street Journal and simply magnificent by the Boston Globe Fourteen years later Hauser believes that Ali remains a transcendental figure in American life But in recent years Ali has been packaged and repackaged and the reasons for his importance as well as the electrifying nature of his persona have been obscured in a fog of revisionism

**Muhammad Ali** Thomas Hauser, 2005-10-27 Scheduled for publication in the same month as three significant anniversaries in Ali's ring career his return from ring exile against Joe Quarry 35 years ago his climactic third fight against Joe Frazier 30 years ago and the beating he absorbed at the hands of Larry Holmes 25 years ago *Muhammad Ali The Lost Legacy* is the most important work on its subject since *Muhammad Ali His Life and Times* was published to international acclaim 14 years ago Thomas Hauser has continued to observe and comment upon Ali with a series of essays that are published here as a collection for the first time including one final previously unpublished essay Forty one black and white photos of Ali accompany the text *Muhammad Ali The Lost Legacy* fills in the gaps in the record of Ali's life from beginning to end Ali's love affair with the world reached its zenith in 1996 when he was chosen to light the Olympic flame in Atlanta But since then writes Hauser there has been a determined effort to rewrite history In order to take advantage of Ali's economic potential All of the rough edges are being filed away from Ali's life story and he has been turned into a virtual Disney character Hauser believes Ali's legend is now imperilled and there has been a deliberate distortion in what Ali once believed said and stood for that it has been deemed desirable to sanitise him so promoters can take advantage of his commercial appeal

Muhammad Ali Thomas Hauser, 2016-06-04 Few global personalities have commanded an all encompassing sporting and cultural audience like Muhammad Ali Many have tried to interpret his impact and legacy into words Now *Muhammad Ali A Tribute to the Greatest* allows us to more fully appreciate the truth and understand both the man and the ways in which he helped recalibrate how the world perceives its transcendent figures In this celebratory volume New York Times bestselling author Thomas Hauser provides a compelling retrospective of Ali's life relying on personal insights interviews with close associates and other contemporaries and memories gathered over the course of decades on the cutting edge of boxing journalism Hauser explores Ali in colorful detail inside and outside the ring Muhammad Ali has attained mythical status But in recent years he has been subjected to an image makeover by corporate America as it seeks to homogenize the electrifying nature of his persona Hauser argues that there has been a deliberate distortion of what Ali believed said and stood for and that making Ali more presentable for advertising purposes by sanitizing his legacy is a disservice to history as well as to Ali himself
