A View from the Highlands Mai Lin Tjoa-Bonatz, 2019-11-07 This book analyses the rise of the settlement system in the heartland of the Minangkabau region in the highlands of West Sumatra Indonesia It explores the regional settlement pattern arising from Adityavarman's highland interregnum c 1347-75 and provides the first attempt to place the archaeological remains and the landscape of Tanah Datar a fertile plain in the highlands of West Sumatra in a cultural historic synthesis The core of this research consisted of excavations at Bukit Gombak and Bukit Kincir Bukit Gombak was a central place in Adityavarman's kingdom and provides evidence of the organization and material development of this political entity Surveys uncovered other settlements that could be examined in relation to each other and to sites from earlier and later periods and used to sketch out the settlement history of Tanah Datar from prehistoric times to the colonial period The book consists of detailed studies of metal ceramics and glass finds by laboratory based specialists as well as careful descriptions of stone clay and other finds

The Oxford Handbook of Maritime Archaeology Alexis Catsambis, Ben Ford, Donny L. Hamilton, 2011-04-01 The Oxford Handbook of Maritime Archaeology is a comprehensive survey of the field as seen through the eyes of nearly fifty scholars at a time when maritime archaeology has established itself as a mature branch of archaeology This volume draws on many of the distinct and

universal aspects of maritime archaeology bringing them together under four main themes the research process ships and shipwrecks maritime and nautical culture and issues of preservation and management The first section of the book deals with the best practices for locating documenting excavating and analyzing submerged sites This methodological foundation is followed by a sample of shipwreck studies from around the world as scholars trace the regional development of ships and seafaring Chosen to balance the traditional core regions of maritime archaeology with important but lesser studied areas it aims at offering an international account of the study of submerged sites Reflecting the growing number of scholars who study past maritime cultures but not shipwrecks the third section of the book addresses various aspects of the maritime landscape and ethnography above and below the water The final chapters then approach maritime archaeology in a broader context moving beyond archaeological sites to discuss the archaeological record in general within legal preservation and management frameworks Taken together these individual and original articles provide a valuable resource that summarizes the current state of the field of maritime archaeology and offers insight into the future of this established and growing discipline

New Perspectives on the History and Historiography of Southeast Asia Michael Arthur Aung-Thwin, Kenneth Hall, 2011-05-13 Using a unique old new treatment this book presents new perspectives on several important topics in Southeast Asian history and historiography Based on original primary research it reinterprets and revises several long held conventional views in the field covering the period from the classical age to the twentieth century Chapters share the approach to Southeast Asian history and historiography namely giving agency to Southeast Asia in all research analysis writing and interpretation The book honours John K Whitmore a senior historian in the field of Southeast Asian history today by demonstrating the scope and breadth of the scholar s influence on two generations of historians trained in the West In addition to providing new information and insights on the field of Southeast Asia this book stimulates new debate on conventional ideas evidence and approaches to its teaching research and understanding It addresses and in many cases revises specific critically important topics in Southeast Asian history on which much conventional knowledge of Southeast Asia has long been based It is of interest to scholars of Southeast Asian Studies as well as Asian History
