## Lost Films Of John Wayne:

**The Lost Films of John Wayne** Carolyn McGivern, 2004 Hollywood icon John Wayne created a personal treasure trove of films during a fifty year career spanning 1926 1976 Today over twenty years after his death scarcely an hour goes by without one of them appearing somewhere in the world s TV listings Thankfully for the fans only a handful remain unobtainable in an era of re mastered miracles and out of all the movies he made post 1939 just two are retained the last remaining prints of both apparently damaged For whatever reason neither one has been made available since soon after their original 1950 s distribution ISLAND IN THE SKY and THE HIGH AND THE MIGHTY are an unusual pair of aerial films shot and screened when Wayne s westerner and war hero image were reaching their zenith This book looks at both films in some depth and includes many fascinating photographs and production details Director William A Wellman a Hollywood legend in his own right the rich array of stars of both movies Ernie Gann the writer of both the novels on which the films are based and of course John Wayne s dual roles as producer and star of both movies are all investigated thoroughly This is McGivern s second book concentrating on John Wayne The first A GIANT SHADOW 0954003101 looked at the man this one at two films that most of his fans may treasure in their memories but certainly won t have seen for many years Gone but not forgotten It attempts to uncover the murky history of the films since the 1950 s and takes a hopeful peak at a prospective future as more and more lost films are re discovered in Hollywood Early next year John Wayne s two lost films Island in the Sky and The High and the Mighty are being released on DVD Leonard Maltin has called these two films The Holy Grails of Hollywood to be seen again for the first time in over 40 years
