## **Lost Identity:**

*Lost Identity* Simon Geschwindt, 2014 Marco Meyer's wife Suzanna has left him for fellow journalist Karl Ngwenya. After Ngwenya's death, Marco determined to outdo Ngwenya, takes over his investigation into exports of fake drugs from Amsterdam to African countries. From the outset, Marco finds himself hopelessly out of his depth, isolated in east Africa with no one to trust. Eventually stripped of his dignity and his identity, Marco struggles to maintain his grip on the one hope that sustains him, Suzanna. This exciting and moving story follows the journalist's struggle with love, betrayal, murder, and his own identity. It was written in 1983 under the title *Een Welkome Dood* before the advent of the Internet, mobile phone, and post 9/11 tightening of international security. It was produced by the author in English in 2008 under the title *Lost Identity*. The issue of exports of substandard and counterfeit chemicals and drugs to developing countries remains as current as when the novel was first written.

**Lost Identity** Leona Karr, 2012-05-15 IT WAS A DARK AND STORMY NIGHT. She'd washed up on his beach with no name and no clue how she got there, and Andrew Davis's life would never be the same. The reclusive hero was immediately drawn to the breathtaking stranger, but the fear he saw reflected in her mesmerizing blue eyes told him she needed his protection. Struggling to keep his desire at bay, Andrew threw himself into discovering the truth behind his mystery woman. Before long, every clue they turned up thrust them into a dangerous web of power, deception, and murder. But how much would Andrew ultimately have to sacrifice in order to save the woman he'd grown to love.

*The Lost Identity* RITA JOSHI, 2017-12-08 Disha is a timid girl brought up by her parents as a homely, quiet girl trained to be seen rather than heard. She marries Giri, a man her parents choose for her. She goes on to be the ideal Indian wife, barely questioning or rebelling and catering to the needs of her husband and an insecure mother-in-law. Despite her constant inner conflict arising out of introspection, observation, and education, she remains largely silent and unheard in her marriage as she was during her childhood. Taunted and belittled by them, her individuality slowly disappears at least to the viewer's eye. Will she ever emerge out of the shadows? *The Lost Identity* is a must-read for teenagers and parents reflecting untold and little-understood problems of millions of Indian girls through the protagonist Disha.

*The Quest for a Lost Identity* Mahmūd Ghanāyim, 2008 Arabic fiction by Palestinian writers in Israel underwent a rebirth with the establishment of the State in 1948, an event affecting not only the land that had been Palestine but the entire region. In *The Quest for a Lost Identity*, Mahmud Ghanayim probes in considerable detail this creative process over the last half century. Adopting a strictly literary treatment of the new situation, he reconstructs the various stages in the evolution of Palestinian literature and its difficult existence under martial law. Perusing works by such writers as Hanna Ibrahim, Atallah Mansur, Muhammad Ali Taha, Tawfiq Fayyad, Muhammad Naffa, Naji Zahir, Riyadh Baydas, and others, he highlights the efficacy of ideologically driven literary criticism, monitoring the direction and literary strategies underlying the cultural revival generated by this national minority. The author of this penetrating monograph deftly etches the new Palestinian self-image emerging from this literary rebirth with its ardent

ambition to create an esthetically inspired rather politically monitored literature Perhaps no Palestinian writer of calibre exemplified better than Emile Habibi the aspiration to break away from the grip of local cultural conventions to achieve artistic modernity In effect this doyen of Palestinian literature succeeded in meeting the expectations of three highly demanding readerships comprising the local Arab minority the Jews and the Arab world outside Israel [The Callaghan Septology I: The Lost Identity Casualties](#) Kim Ekemar,2022-10-03 Coming out of a coma Matthias Callaghan finds himself tied to a hospital bed wrapped in bandages and suffering from amnesia As he gradually recovers his memories Callaghan discovers that he in a case of mistaken identity has been mutilated and subject to a full face transplant while being comatose After being released from the hospital Callaghan spends months in solitary depression plotting his revenge on the five people who have caused him the loss of his identity and former privileged life What he learns the hard way is that his revenge must encompass the Russian Mafia a treacherous lawyer his former business partner his ex wife and his estranged father Ekemar plays the plot beautifully A unique multilayered tale with some fresh twists Kirkus Reviews A well conceived tale for those who enjoy smart complex global intrigue Clarion Foreword Reviews It takes a lot of skill to bring so many interesting characters together explore their histories build a great main character plot out some wild revenge plots and watch what happens all while making some fascinating points about the follies of greed and pride A fantastic amount of creativity Onlinebookclub Reviews This is a very captivating novel with a very good plot The beginning immediately draws the reader into the complex web of mystery Amazon Editorial Review
