Gaudissart II Honoré de Balzac,1899 **Lost illusions. The illustrious Gaudissart** Honoré de Balzac,1899 Titanic: Ship of Lost Illusions Kevin Brown,2025-05-30 A fresh exploration of the Titanic disaster reveals how class gender and racial prejudices shaped contemporary responses When it set sail on its ill fated maiden voyage RMS Titanic was a marvel of modern technology and the latest in luxury providing a gilded setting and false sense of security for its passengers to act out their imagined ideal lives in a reflection of pre First World War society When disaster struck in the form of an iceberg four days into its maiden voyage that society was frozen in a moment of time revealing class gender and racial discrimination that pervaded contemporary social attitudes Kevin Brown takes a fresh approach in exploring the social attitudes to class manliness heroism and cowardice social redemption the proper role of women and the social religious and racial prejudices revealed by the sinking He re evaluates the code of women and children first revealing how

attitudes glorifying manliness influenced the behaviour of passengers and crew during the sinking as well as suggesting a narrative of chivalry and self sacrifice to create heroes from the victims and brand the surviving men as cowards an interpretation that is challenged here Eyewitness accounts evoke the horror of the night and reveal the underlying ideas of the day They also show that women played a less passive role than expected of them The responses to the sinking by politicians across the spectrum the labour movement and suffragettes suffragists and anti suffragists is explored to show more critical contemporary responses to the disaster that challenge the heroic narrative It was a world that was never so confident in modernity after the disaster but yet still held on to illusions of chivalry *The Comédie Humaine: Lost illusions* Honoré de Balzac,1899 *Comédie Humaine: Lost illusions. 1897* Honoré de Balzac,1896 Routledge Revivals: Lost Illusions (1974) James Harding,2017-03-16 Paul L autaud was both one of the oddest characters in French literature and as a staff member of the review *Mercure de France* at the centre of Parisian literary life for over half a century First published in 1974 this book represents the first full length biography of L autaud in any language The author recreates the world of a man who once regarded as a mere eccentric is now recognised as a significant figure in contemporary literature It traces L autaud s intimate friendships with many famous writers of the time and gives a lively panorama of the French literary scene and its vivid characters *The lily of the valley.
