The Children of the Valley Harriet Prescott Spofford, 2015-04-07 Example in this ebook I ALLY AND THE CHILDREN OF THE HILL Ally was lost the little blue eyed dear That is to say she was nowhere to be found And of course there was commotion in the Valley Michael the gardener was going one way and John the house man another and Pincher one of the loggers was making for the hills with Uncle Billy in one direction and Old Uncle and Will and Charlie had gone up in another and Aunt Rose and Aunt Susan were hunting through the house and Janet and Essie were running this way and that and it was noon and still they hadn't found her Will was sure Ally would be found in the strawberry patch on the farther edge of the interval across the river and as the boat was on the other side he had offered to swim over and fetch it Charlie had been equally sure that she was looking for bear cubs again in the hollow half way up Blue Top Aunt Susan was convinced that she had fallen asleep somewhere under a bush when she could not be found in the house Aunt Rose thought she might have been taken to drive by people passing through the Valley sometimes some of them were and they would bring her back Of course said Old Uncle they'll bring her back Ally'll turn up all right she makes more noise when she sets about it than all the rest of you put together Nevertheless Old Uncle who believed in whipping at least he said he did was making for the hollows of Blue Top as he said it For Ally was really the darling of the household always bright and sweet tempered and daring and ready for anything Essie who was Ally's twin felt indignant with Old Uncle for talking so when no one knew what had become of Ally she gave it as her opinion that the fairies had taken her into their own invisible country the fairies who haunted the Valley as every one knew or else why should they be seen sailing away on the early breeze in chariots like cobwebs leaving their coverlets long spreads of jewels shining on the sides of all the slopes of Blue Top and Green Ridge But Essie was always imagining something that wasn't so Will said Janet said nothing In her own mind although she didn't like to speak of it she believed Ally had gone up into the clouds round Blue Top to find Aunt Susan's baby who they understood had been taken away by the Children of the Hill Janet knew that Ally had carried a sore spot in her tender heart ever since that day last fall when Aunt Susan was up in the garret and not knowing that the twins were there had kissed the tiny shirt Janet was a little older than the twins and she was not quite sure that they had understood correctly what Aunt Rose had said one day after Aunt Susan had come home from a long walk trying to hide that she had been crying Aunt Rose had whispered that Aunt Susan had been up to the Children of the Hill Yes plainly to Janet's mind Ally had taken it into her own hands to discover if they were right or wrong For it was brave little Ally who if there was anything to adventure about always adventured It was Ally to whom things were always happening If there was a scrape round Ally was always the one sure to get into it although she usually contrived to come out on top except on those two dreadful times of which you shall hear for she had a courageous little spirit and a loving little heart And it was this courageous spirit and this loving heart full of childish sympathy for Aunt

Susan that had taken Ally away now all by herself She loved everything so much that she had no thought of being harmed by anything So Janet reasoned And when by and by you learn where she had really gone and what it was she brought home perhaps you will think that the result of this particular adventure of Ally s was one of the pleasantest things that ever befell the Children of the Valley To be continue in this ebook *She Took to the Woods* Alice Arlen,2000-01-01 Longtime fans of Rich s writing will welcome this engaging and thoughtful biography of her life There is also a wonderful section that includes many of Rich s essays and stories which were published in magazines but never appeared in book form as well as excerpts from her journal and letters *The Real Happily Ever After Book* Claudia Blamer Breznau,1980 Presents brief scripts for plays or puppet shows based on 21 familiar fairy tales and folk tales Also includes patterns for props and suggestions for related activities **Lost in the Backwoods** Jenni Calder,2013-05-31 How is the Scottish imagination shaped by its emigre experience with wilderness and the extreme Drawing on journals emigrant guides memoirs letters poetry and fiction this book examines patterns of survival defeat adaptation and response in North *The Practical Infant Teacher* Philip Boswood Ballard,1929 **Otto Tattercoat and the Forest of Lost Things** Matilda Woods,2020-02-06 An enchanting wintry middle grade adventure for fans of Kiran Millwood Hargrave and Abi Elphinstone Otto lives in the frozen city of Hodeldorf where an eternal winter has fallen When his mother goes missing one morning he must join forces with the Tattercoats a gang of brave orphans to find her They will journey into a dark forest where witches lurk and sun dragons lie sleeping on a heart racing adventure that will chill you to the bone *The Lost Woods* H. William Rice,2014-04-21 A collection that follows the lives of two families who own land and hunt in rural South Carolina The Lost Woods is a collection of fifteen short stories most of them set in and around the fictional small town of Sledge South Carolina The events narrated in the stories begin in the 1930s and continue to the present day The stories aren t accounts of hunting methods or legends of trophy kills they are serious stories about hunting that are similar in style to William Faulkner s Go Down Moses The collection traces the evolution of two families the Whites and the Chapmans as well as the changes in hunting and land use of the past eighty years Some of these stories are narrated in third person others are told by a wide range of characters from grown men and women to children but only from one perspective that of the hunter As they walk the woods in search of turkeys deer or raccoons these characters seek something more than food They seek a lost connection to some part of themselves The title the lost woods is adapted from Cherokee myths and stories wherein people must return again and again to the woods to find animals that were lost Thereby we find not only food but who we are Through these stories Rice reminds us that hunting is inextricably entwined with identity As one of the oldest rituals that we as a species know it reflects both our nobility and our depravity Through it we return again and again to find the lost woods inside ourselves **Too Good to Be Altogether Lost** Pamela Smith Hill, *Children Lost in the Mountains* Timothy A.
