Lost Yesterdays:

Yesterday's Lost (Yesterday's Paranormal Mysteries, Prequel) Sam Cheever, 2018 An old house a shadowy night a tortured spirit two lives irretrievably changed Pratt Davies is a police detective with the Saint Louis PD He's comfortable in his role confident that he's seen just about everything there is to see Until he and his partner answer a call to enter a home where blood curdling screams speak of horrific violence Inside the disturbing house he encounters a strange icy mist and something malevolent waiting just beyond view Pratt's confidence is shaken his worldview smashed into tiny pieces like shards of glass from a broken mirror His partner comes out of that house damaged both physically and mentally unable to even form a coherent response Pratt is so shaken he can barely function And he still has a murder to solve Who killed the couple living in that terrible house What haunted the mist obscuring the scene How did Pratt's partner end up bleeding and babbling on the floor something evil oozing through her gaze And how is Pratt broken and terrified himself ever going to solve a murder that has every indication of having been born in the ether

Yesterday's Self Andreea Deciu Ritivoi, 2002 In *Yesterday's Self* Andreea Ritivoi explores the philosophical and historical dimensions of nostalgia in the lives of immigrants forging a connection between current trends in the philosophy of identity and intercultural studies The book considers such questions as Does attachment to one's native culture preclude or merely influence adaptation into a new culture Do we fashion our identity in interdependence with others or do we shape it in a non contingent frame Is it possible to assimilate in an unfamiliar world without risking self alienation Ritivoi's response nostalgia is both the poison and the cure in such situations

Dreaming of the Dead Marilou Trask-Curtin, 2012-05-08 From the age of three when a near death experience brought an angel's healing touch Marilou Trask Curtin has been able to communicate with spirits primarily in unusually vivid and realistic dreams Over the years she has interacted with the ghostly forms of several spirits and experienced dream visitations from many others such as her first true love her beloved grandfather and even British actor Jeremy Brett with whom she'd grown close through years of correspondence Marilou touchingly recounts her visitations with spirits who have come to offer advice reassurance or to let her know they have died or are about to pass on This includes her companion animals who return to show they're as full of health and joy as their human counterparts in spirit The author also tells of dream visits from historical mentor figures such as Samuel L Clemens and Harriet Beecher Stowe as well as many others *Dreaming of the Dead* will take you on a compelling and beautifully comforting journey with a glimpse of what awaits us on the other side of life's doorway

Little Steps James Ream Adams, 2020-04-27 All too often survivors of a loved one's suicide are left behind struggling with a loss that fosters stigma shame blame guilt and abandonment For the survivor these struggles last long after the funeral is over and friends and relatives have returned to their daily lives Healing the loss after the suicide of a loved one is about restarting your life with nothing firm to stand on *Little Steps* is the guided process James Adams recorded in his journal documenting before during and after his son committed suicide It starts with conversations where voices of wisdom are guiding him along a spiritual path of discovery then as he was confronted with the trauma of his loss those conversations shifted focus towards coping with and understanding the grief process as it unfolded Feeling left

behind and somehow responsible James continued to write his guided conversations as he dealt with the questions of Why did he do this I should have I could have if only I had known or done what did I do wrong These real time journaled conversations capture in a loving spiritual and supportive way all the drama trauma and recovery as they occurred making Little Steps a powerful documentary of healing from a traumatic loss *My Heart After Esther: A Mystic's Philosophy of Love* Collins I. Aki, 2017-01-24 My Heart After Esther could be considered a philosophy of love in the skin of a romance novel or a romance novel in the skin of a philosophy of love but it is ultimately a story about love and philosophy in a way that romances the two In this work of literary meta fiction two stories are interwoven into one The first story is about the translator of the second story Gustav Z Itohahn and his love for the author and his work he is translating the mysterious pseudo philosopher Jorge Manuel Belmarez In the second story we read Itohahn s presentation of Belmarez s story of love which dares to challenge every idea of love and marriage from the vow till death do we part to the old courtly love edict that marriage is no proper defense against love This new take on philosophical fiction may somehow find itself in the memory of its readers as more than an experiment in story telling but truly an experiment in challenging our deepest ideas and beliefs

A Night on the Moon Larry Gaddy, 2011-11-10 Life and self worth is a blessing that cannot be bought at any price To see through those eyes is to see eternal youth to grow wise with grace and to still die young at any age Watching a colored leaf fall from a tree Seeing its dance upon the wind Hearing the lyrics of a song unsung Humming the melody yet written Writing words that bring teardrops And humbled by the grace of it all Some would say he s a visionary seeing truth beyond the lies twisting a simple word into emotion Question everything He heard so often as a child Looking through the stained glass in his minds eye somewhere within his fantasy a simple child became a poet He is a story teller In his words you will find a simple truth Hanging on a single word as a lifeline letting go to find another In his world you feel the little things and the miracles they bring Through his eyes the fairies have been seen painting sunsets and rainbows Callie Maddie
