Broadcast 4 Murder J.C. Eaton, 2020-10-27 In J C Eaton's seventh Sophie Kimball Mystery Sophie's kooky mother Harriet is gearing up to become Arizona's newest radio star as the host of the Booked 4 Murder Mystery Hour But when she ends up broadcasting herself discovering a dead body live on air it's up to the reluctant sleuth Sophie to find the killer Phee's mother Harriet is going to be a star At least that's how the Sun City West retiree describes her chance to host a live radio program of her book club's Booked 4 Murder Mystery Hour on Arizona's KSCW But instead of chatting about charming cozies Harriet ends up screaming bloody murder over the airwaves after discovering the body of Howard Buell the station's programming director in a closet with a pair of sewing shears shoved into his chest The number one suspect is Howard's ex-girlfriend Sylvia Strattlemeyer who believed she was going to host a sewing talk show before Harriet was offered the spot But not only do the fingerprints found on the scissors not match Sylvia's they belong to a woman who passed away twenty years ago at the age of ninety seven Now with the whole town on pins and needles it's up to Phee to stitch together enough clues from the past to uncover the identity of a killer in the present My Crazy Life, 2002 What does it feel like when the adult members of a family are too preoccupied or self-absorbed to act as parents What is life like for kids who grow up in a family where alcoholism is a daily reality where separation and divorce hang like a cloud over daily life In these situations it is too often the teen who assumes much of the responsibility and has to grow up quickly amidst the struggle to maintain even a semblance of stability My Crazy Life presents the voices of ten teens who have lived through these situations Rather than despair you will hear these young people talking about how they coped and survived One girl found strength through friendships and her sibling relationships Another girl abused by her alcoholic father tells how her commitment to art and a sympathetic teacher gave value to her life The Afterword by the head of psychiatry at a metropolitan children's hospital provides guidance to those seeking help Opening up the Debate on the Aging Society Alejandro Klein, 2022-08-03 This book documents, verifies and brings to life the issues and debates that are created around the aging society It carefully offers a series of opinions that attempt to illuminate the fact that the aging society goes beyond aging and includes a series of changes in terms of family social ties relationships and the way human beings perceive society The book contributes substantially to the discussion of this new type of aging the new types of families and the new types of relationships as well

as in the application of cutting edge analytical strategies to understand the trends and patterns of these new modes of social structures The book includes detailed perspectives on how decisions need to be made mindsets need to be changed and precautions need to be taken to positively deal with these new realities The evidence presented in this book suggests that if this does not happen the danger of thanato politics appears which denying reality will lead humanity into difficult labyrinths perhaps without any Ariadne s thread that will allow a glimpse of the way out The translation from Spanish to English was done with the help of artificial intelligence machine translation by the service DeepL com A subsequent human revision was done primarily in terms of content

The Modern Grandparent's Handbook Georgia Witkin,2012-01-03 Grandparents today are healthier more active and more youthful and young at heart than their predecessors Dr Georgia Witkin senior editor of Grandparents com draws on her experience as a psychiatry professor therapist and grandparent to help readers be the best grandparent they can be They ll learn How to connect with their grandchild online and off How to contribute to their grandchild s emotional development and boost their IQ The secret hidden stresses of being a grandparent and how to deal with them The three things they should never say to their son or daughter in laws And more
