A Mother's Guide to Praying for Your Children Quin Sherrer, 2011-02-09 Most Christian parents pray for their children but many don't know how to pray effectively and powerfully Now from the coauthor of *A Woman's Guide to Spiritual Warfare* and *The Spiritual Warrior's Prayer Guide* comes this step by step guide to praying faithfully and diligently for precious sons and daughters The first step is to surrender growing children to the Lord who longs to partner with parents to raise godly women and men Once parents have invited the Holy Spirit into their child's growth and development they can pray for their child's specific needs Readers will learn how to pray for their children's friends teachers and pastors and to intercede when their sons or daughters are under spiritual attack Stepparents and adoptive parents will find prayer guidance for their special circumstances and mothers and fathers of severely ill children will discover how to pray through the most difficult situations a parent can face When moms and dads covenant with God to be a household of faith they will see Him act in their children's lives beyond what they could ever dream *31 Days of Praying God's Wisdom for My Children* Hope McCardy, 2016-08-15 God wants to bless our children with an abundance of wisdom He greatly desires for them to be wise and knowledgeable whether they have to deal with simple or complex circumstances at home in school with friends or even when they are just sitting around and having fun God is eager to anoint them with the ability to be aware alert and balanced in the running of their young lives He so wants to bless our children with the Fruit of the Spirit helping them to pursue excellence in daily living by planting good seed in fertile soil to bring honor and glory to His name Our gracious Lord has

fashioned mothers to be tender and loving yet firm natural nurturers of their children He uses us as moms to assist Him in the shaping of our precious offspring For He knows that left to themselves our kids are prone to being selfish self centered persons who have the natural tendency to do perpetually silly unproductive things Their minds can become consumed with what is right for them what they want for themselves what makes them feel satisfied what they should be entitled to or what they think they deserve And society often promotes and encourages such vain mindsets Youngsters today are growing up in a typically I consumed nation Let s face it choosing to live selfishly is natural Living wisely on the other hand is something one has to be proactive and intentional about something that has to be taught and instilled In other words our children need help Our little ones especially need God s help if they are to succeed in making wise decisions for the many concerns in their lives but they also need our assistance In the midst of such an unhealthy standard of living moms are challenged to groom and foster positive growth in their offspring 31 Days of Praying God s Wisdom for My Children is a prayer book that focuses on insights gathered from a selected verse or verses from every chapter of the book of Proverbs It is written as a prayer guide to support and help mothers who in this ambiguous culture genuinely desire God to fill their children with His wisdom enabling them to live holy God honoring lives and bringing strength direction and stability to their daily walk The great need for wise insight is highlighted over and over again in the book of Proverbs This book teaches us honest truths about how to use wisdom in watching what we say and do and how we should treat others It gives us sound principles for living holy and devout lives that bring honor and glory to God It uses words like wisdom knowledge understanding and instruction again and again to assist us in gaining a God perspective for any given situation in life The book of Proverbs indeed gives us instructions on how to grow in wisdom This devotional book will encourage all of us as moms to take out 31 days of focused time seeking God in prayer for His wisdom His guidance and His direction for the many concerns and situations in the lives of our children It will inspire mothers to look to His Word in the book of Proverbs and to pray that God s Word would take root in our posterity strengthening them so that they can apply His insights to their daily lives This prayer book also seeks to inspire women to take time out to listen to God and to journal Wisdom Notes any directives or insights He imparts to them concerning their children Most of all it strives to inform us determined moms that we are not alone that indeed many others will be taking this exciting journey with us praying persistently for our youngsters and gleaning God s perfect plan and vision for their lives 31 Days of Praying God s Wisdom for My Children encourages mothers to pray for our precious children to grow in wisdom day by day We pray God answers [Moms in Prayer](#) Fern Nichols,2013-09-03 What principles enabled the concerned mom of two junior high school students to move from deciding she needed to pray for her kids at school to becoming the founder of a worldwide prayer movement called Moms In Prayer International Fern Nichols is a passionate believer in the power of prayer She knows that a regular habit of prayer can change things can bring home wayward children heal broken marriages and provide answers to desperate situations Prayer can also bring a new kind of peace and
