Library of Congress Subject Headings Library of Congress,2011 **The Bible in Culture** Larry W. Caldwell,2025-07-08
How to Read and Interpret Scripture Across Cultures How can believers across cultures faithfully read and apply Scripture in a way that honors both the biblical text and their unique cultural contexts In *The Bible in Culture* Larry Caldwell introduces ethnohermeneutics a revolutionary yet biblical approach to reading Scripture with rather than for the world Drawing from decades of experience living overseas Caldwell demonstrates that every culture has its own tools for understanding meaning and shows how God uses these to communicate the truth of his word This approach is rooted in observing how Jesus Paul and others in the early church interpreted Scripture and in following their examples Through real life illustrations interactive activities and case studies readers will discover how they can also read and interpret God s word in their own cultures This book will challenge your assumptions about the interpretive task encouraging and equipping you to rethink how the Bible can be understood across every people group in various cross cultural multicultural and multigenerational contexts **Library of Congress Subject Headings** Library of Congress. Cataloging Policy and Support Office,2007 Contextualization in the New Testament Dean Flemming,2025-06-06 Winner of a Christianity Today Book Award Honored as one of the Fifteen Outstanding Books for Mission Studies by International Bulletin of Missionary Research From Cairo to Calcutta from Cochabamba to Columbus Christians are engaged in a conversation about how to speak and live the gospel in today s traditional modern and emergent cultures The technical term for their efforts is contextualization Missionary theorists have pondered and written on it at length More and more those who do theology in the West are also trying to discover new ways of communicating and embodying the gospel for an emerging postmodern culture But few have considered in depth how the early church contextualized the gospel And yet the New Testament provides numerous examples As both a crosscultural missionary and a New Testament scholar Dean Flemming is well equipped to examine how the early church contextualized the gospel and to draw out lessons for today By carefully sifting the New Testament evidence Flemming uncovers the patterns and parameters of a Paul or Mark or John as they spoke the Word on target and he brings these to bear on our contemporary missiological task Rich in insights and conversant with frontline thinking this is a book that will revitalize the conversation and refresh our speaking and living the gospel in today s cultures whether in traditional modern or emergent contexts Official Gazette Philippines,1978 **Annual Report** Summer Institute of Linguistics,1988 *Acts and Proceedings of the General Synod of the Reformed Protestant Dutch Church in North America* Reformed Church in America.
