Its Significance for Christianity Today

A young theologian offers a radical basis for religious freedom

New Testament Disunity Its Significance For Christianity Today

David E. Aune

New Testament Disunity Its Significance For Christianity Today:

New Testament Disunity John Charlot, 1970 Donated by Sydney Harris The Canon of the New Testament Bruce M. Metzger, 1997-03-06 A study of the long and gradual process in Church history which led to recognition of the canonical status of the books of the New Testament **Systematic Theology, Volume 1, Fourth Edition** James Leo Garrett, 2014-09-14 Rivals the major systematic theologies of this century Baptist History and Heritage Journal July 1996 One of the characteristics of Garrett's system that needs especially to be noted is its balanced judicious and nearly invariably objective presentation of materials While holding true to the teachings of his own Baptist faith Garrett so carefully and judiciously presents alternatives that teachers and students from other confessional and denominational positions will find his work instructive Consensus 1997 If one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology there is no more complete presentation in a relatively short work than this Pastors will especially find this feature to be a real help in teaching theology It is an indispensable contribution to the task of systematic theology Journal of the Evangelical Theological Society September 1999 Many students and pastors will find all they need here and will in addition be helped to relate their knowledge to recent developments in the theological world The Churchman A Journal of Anglican Theology 1991 A gold mine of helpful material The Christian Century May 29 June 5 1991 No book that I know is more loaded with biblical and theological facts than this one The prodigious research that must have gone into the preparation of this volume is truly mind boggling Faith and Mission Fall 1991 Garrett has provided a massive and scholarly systematic theology from a thoroughly conservative and comprehensive viewpoint The work is well documented in both biblical and historical scholarship and will prove to be a classic William Hendrickson Southern Baptist Theological Seminary One of the most comprehensive concise books of its type available it should receive wide use in the classroom and in the study Robert H Culpepper Southern Baptist Theological Seminary *The Tommentary* Robert M. Price, 2013-02 Previous commentaries on the Gospel of Thomas have tended mainly to make this intriguing text less understandable to the general reader not less Choking on their authors methodology these commentaries are more about them than the text Robert M Price brings striking clarity to a fascinating text bridging the dusty centuries Price draws on the learning of his predecessors while providing many new interpretations Does Thomas use the canonical gospels Or was it written earlier Why was it excluded from the canon Is it Gnostic Watch out Thomas may become your favorite gospel **The Byzantine Text-Type & New Testament Textual Criticism** Harry Sturz, 2022-06-08 Should the Byzantine text type be considered valuable in determining the original text of the New Testament Does it bear independent witness to ancient readings Dr Harry Sturz in a book published in 1984 maintained that it should be valued and that it could help with finding older readings and thus contribute to our knowledge of and confidence in the text of the Greek New Testament His position that the Byzantine text type should be weighed along with other witnesses to the ancient text differs from those who dismiss

Byzantine manuscripts which were largely copied later but also from those who hold that the Byzantine text has priority or even is determinative of what the final reading should be He uses carefully laid out arguments and numerous specific examples in making his case This book is divided into two parts The first outlines the positions both for relying on the Byzantine text and for largely ignoring it Part two examines the evidence and outlines an argument that neither side of this debate should win the field but rather that the Byzantine text should be valued but not made exclusive Energion Publications is pleased to offer this reprint edition reproducing the text of the old book exactly and adding a preface by Dr David Alan Black We believe that Dr Sturz's arguments provide a strong case and are as relevant today as they were in 1984 We also believe that not just scholars but all believers should be made aware of discussions about the text of Scripture so that they can understand the arguments for the reliability of the text we have today This book is primarily aimed at students of New Testament textual criticism and at scholars who are seeking to refine their art The first section especially is accessible to any serious reader While the second section does include Greek text and excellent references the main argument is clear and accessible

Prophecy in Early Christianity and the Ancient Mediterranean World David E. Aune, 2003-08-12 Aune's comprehensive study of early Christian prophecy includes a review of its antecedents Greco Roman oracles ancient Israelite prophecy prophecy in early Judaism a discussion of Jesus as prophet and analyses of Christian prophetic speeches from Paul to the middle of the second century A D The most detailed study of early Christian prophecy written Aune's book places the phenomenon of early Christian prophecy within the larger Greco Roman world

Fidelity with Plausibility Wesley J. Wildman, 1998-01-15 The task of interpreting the religious significance of Jesus Christ takes shape in this book with the tension determined by two goals fidelity to the classical Christological tradition which draws our attention to Jesus in the first place and plausibility with respect to all forms of contemporary knowledge To ignore the classical tradition is to assume uncritically that contemporary plausibility structures are beyond question while to forsake plausibility is to embrace the irrationalism of the theological ghetto dweller This book argues that maintaining this tension in our time can be achieved only with a modest interpretation of Jesus Christ one that repudiates the hermeneutical absolutism associated with affirming that Jesus Christ is uniquely exhaustively unsurpassably significant for revelation and salvation

Unity and Diversity in the New Testament James D. G. Dunn, 2006 A challenging textbook for level two and three New Testament scholars The new material is the author's critical refinement of all the original issues covered New Testament study the synoptic question and the origins of Christianity are all fundamental areas of study on theology undergraduate degrees today

One Faith, Many Faithful William J. Byron, 2012 Health Care Finance reform The future of Catholic schools Caring for the elderly Abortion Abuse scandals in the church Business management the economy and the very welfare of our society Confronted with a storm of issues all of which call for their attention and concern contemporary Catholics often find themselves confused and uncertain and even at odds with each other when trying to apply their faith to the realities of the world they live in One

Faith Many Faithful provides numerous essays or short takes that tackle the wide range of matters of concern to Catholics but does so in a spirit of complete faithfulness to Catholic teaching and tradition The collection is divided into four parts Religion and Ethics Business and Politics Education and Family and People and Ideas William J Byron SJ applies and explains principles of Catholic social teaching throughout the book which offers the reader clarity and concise exposition of the issues that are troubling the contemporary Catholic mind This book is for all Catholics who want to move beyond the limited scope of contemporary debates and actually apply the ancient principles of their faith to difficult issues Book jacket **Bread Not Stone** Elisabeth Schussler Fiorenza,1995-07-31 This feminist classic explores the ways in which women can read the Christian Bible with full understanding of both its oppressive and its liberating functions In the substantial new Afterword to this edition Elisabeth Schussler Fiorenza situates Bread Not Stone in relation to mainstream Biblical scholarship Catholic and Protestant theologies liberation theologies and nineteenth century feminist writings on the Bible **The Canon of the New Testament** Bruce Manning Metzger,1987 A study of the long and gradual process in Church history which led to recognition of the canonical status of the books of the New Testament **Variety and Unity in New Testament Thought** John Reumann,1991 The blend of variety and unity apparent in the thought of the New Testament has been a subject for theological debate through the ages Certain themse teachings and characterizations are clearly consistent but others are perplexing in their diversity This distinction was acknowledged by the New Testament writers themselves For example the author of 2 Peter looking back at the letters of our beloved brother Paul confesses that they contain some things hard to understand **The Credal Formulae of the New Testament** Ivan Havener,1976 *Scripture and Social Justice* Stephen P. Ahearne-Kroll,Harold W. Attridge,Corrine Carvalho,Adela Yarbro Collins,John J. Collins,John R. Donahue,John Endres,Gina Hens-Piazza,Anathea E. Portier-Young,Julia D. E. Prinz,Gregory E. Sterling,2018-08-10 The essays gathered here provide a panoramic view of current thinking on biblical texts that play important roles in contemporary struggles for social justice either as inspiration or impediment Here from the hands of an ecumenical array of leading biblical scholars are fresh and compelling resources for thinking biblically about what justice is and what it demands Individual essays treat key debates themes and texts locating each within its historical and cultural settings while also linking them to the most pressing justice concerns of the twenty first century The volume aims to challenge academic and ecclesiastical complacency and highlight key avenues for future scholarship and action The Catholic Biblical Quarterly Wendell Stephen Reilly,1971 Includes various reports of the Association **The Catholic Periodical and Literature Index** ,1974 **Dictionary of the Later New Testament & Its Developments** Ralph P. Martin,Peter H. Davids,2010-05-11 This one of a kind reference volume provides focused study on the often neglected portions of the New Testament Acts Hebrews the General Epistles and Revelation Expert contributors present more information than any other single work dealing exclusively with the theology literature background and scholarship of the later New Testament and the apostolic church **Systematic Theology** James Leo

Garrett,1990 Intended first of all for classroom use but also serving pastors and educated Christians who want to attain a deeper understanding of the Christian faith Garrett s Systematic Theology is a full scale exposition of the doctrinal teachings of the Christian faith **Religious & Theological Resources** ,1971 **Journal of Ecumenical Studies** ,1987
