Onthelevel Performance Communication That Works

Nicholas Zurbrugg

On the level Performance Communication That Works:

On-the-level Patricia A. McLagan, Peter Krembs, 1988 Aimed primarily at business managers this text teaches readers the communication skills they need to be able to work together in a way that is honest respectful and deliberate The authors warn about the pitfalls and challenges when defensiveness and egos are given free rein and give tips for getting back on track after hitting trouble

Change Is Everybody's Business Patricia McLagan, 2002-06-09 In a conversational and supportive style the coauthor of *On the Level* offers concrete strategies for implementing organizational change from the bottom up Illustrations throughout

Managers as Facilitators Richard G. Weaver, John D. Farrell, 1997 An effective program to help transform business leaders and managers into skilled facilitators this book offers readers practical guidance to become effective facilitators of teams and groups The authors outline the four essential skills facilitators need to be successful 33 charts 60 tables

Leader's digest, 1991

On-the-level Patricia A. McLagan, 1995 The *On The level* approach outlined in this book will give you the knowledge and skills both to improve results and enhance relationships applying six specific skills for effective communication getting goal agreement giving and receiving feedback delivering and digesting tough messages and discussing learning and development

BOOK COVER

The Hotel Industry's Retention Management's Success Factors of Selected Major Hotels in Abu Dhabi, United Arab Emirates Dr. Eileen L. Guerra - Papellero, 2019-08-21 This study aims to assess in the hotel industry's retention management of the rank and file employees in terms of the demographic profiles and the level of influence and level of importance of the success factors of selected major hotels operating in Abu Dhabi of the United Arab Emirates as assessed by the managers The descriptive correlational research was applied The researcher prepared a structured survey questionnaire It examines the current phenomenon that happens within Abu Dhabi's hotel industry The eight factors used throughout this study comprises of compensation and benefits rewards and recognition work environment and culture recruitment and selection career development and training job design and work teams performance and management evaluation and communications Correlation analysis tested the relationship between a profile of the respondents and their perceptions on the level of influence and level of importance of the factors of employee retention and the difference between the perception of managers and rank and file employees on the level of importance and level of influence of the success factors of employee retention The findings show that the role of the manager in the retention management of the rank and file employees was due to the level of influence and level of importance As to the level of influence the work environment and corporate culture were assessed by the managers to be the most influential success factor which was followed by performance management and evaluation and job design and work teams As to the level of importance communication was assessed as the most important among all retention factors The reason is due to good communication skill expected in the hospitality industry Other considerations was on the recruitment and selection and performance management and evaluation As a conclusion the five success factors that helped the hotel

industry in retaining their good employees for sustainable operations include the work environment and corporate culture performance management and evaluation job design and work teams communication and recruitment and selection As a result of the study it is recommended that the hotel management should maintain the relationship of the level of influence and the level of importance with the respondents profiles in terms of age highest educational attainment hotel classification position and years of service basing from their significance and the rejection of the hypothesis

Key Terms Descriptive Correlational type of Research Level of Influence Level of Importance Success Factors Retention Management Hotel Industry in Abu Dhabi *World Business Academy Perspectives* ,1995 *On the Level* Bob Mierisch,2000 This memoir combines autobiography with reflections on building a successful business enterprise The author describes his experiences as CEO of an Australian company over 20 years of growth and presents his ideas on the value of openness and striving for excellence in building a successful and lasting organisation Includes a bibliography and an index The author is former director of Boulderstone Hornibrook He was appointed a member of the Order of Australia for service to the building and construction industry and to the community in 1994 *Bulletin* Wisconsin. Department of Workforce Development,1996

Interfaces of Performance Maria Chatzichristodoulou,Janis Jefferies,2016-05-23 This collection of essays and interviews investigates current practices that expand our understanding and experience of performance through the use of state of the art technologies It brings together leading practitioners writers and curators who explore the intersections between theatre performance and digital technologies challenging expectations and furthering discourse across the disciplines As technologies become increasingly integrated into theatre and performance *Interfaces of Performance* revisits key elements of performance practice in order to investigate emergent paradigms To do this five concepts integral to the core of all performance are foregrounded namely environments bodies audiences politics of practice and affect The thematic structure of the volume has been designed to extend current discourse in the field that is often led by formalist analysis focusing on technology per se The proposed approach intends to unpack conceptual elements of performance practice investigating the strategic use of a diverse spectrum of technologies as a means to artistic ends The focus is on the ideas objectives and concerns of the artists who integrate technologies into their work In so doing these inquisitive practitioners research new dramaturgies and methodologies in order to create innovative experiences for and encounters with their audiences

Theatre and Metatheatre Elodie Paillard,Silvia Sueli Milanezi,2021-11-22 The aim of this book is to explore the definition s of theatre and metatheatre that scholars use when studying the ancient Greek world Although in modern languages their meaning is mostly straightforward both concepts become problematical when applied to ancient reality In fact theatre as well as metatheatre are used in many different sometimes even contradictory ways by modern scholars Through a series of papers examining questions related to ancient Greek theatre and dramatic performances of various genres the use of those two terms is problematized and put into question Must ancient Greek theatre be reduced to what was performed in proper

theatre buildings And is everything was performed within such buildings to be considered as theatre How does the definition of what is considered as theatre evolve from one period to the other As for metatheatre the discussion revolves around the interaction between reality and fiction in dramatic pieces of all genres The various definitions of metatheatre are also explored and explicated by the papers gathered in this volume as well as the question of the distinction between paratheatre understood as paratragedy comedy and metatheatre Readers will be encouraged by the diversity of approaches presented in this book to re think their own understanding and use of theatre and metatheatre when examining ancient Greek reality

ICAME 2019 Ming Yu Cheng,Jay Rajasekera,Kabiru Maitama Kura,Abdul Razak Munir,2019-10-25 We are delighted to present the proceeding of the 4th International Conference on Accounting Management and Economics ICAME 2019 held on 25th October 2019 in Makassar Indonesia ICAME is an annual agenda of the Faculty of Economics and Business Universitas Hasanuddin The rapid advancement in the business industry in the industrial revolution 4.0 era brings significant challenges not only to the business environment but also to university as higher education institutions to produce graduates who are able to compete globally as well as to adapt with changes in technology development This is the background of ICAME 2019 theme which is Enlightening Research Paradigm in Business and Economics beyond Industrial Revolution 4.0 The purpose of this conference is to produce qualified research and publications which is in turn expected to be referenced in solving society issues In addition this event is a forum to establish a network among academicians and business practitioners to encourage the growth of innovation and creativity in the field of Accounting Management and Economics The conference invited academicians students and business practitioners to participate in the Call for Paper to share their research results Therefore we are pleased to present this proceedings of the conference

The systemic and empirical approach to literature and culture as theory and application Steven Tötösy de Zepetnek,Irene Sywenky,University of Alberta. Research Institute for Comparative Literature and Cross-Cultural Studies,1997

Art, Performance, Media Nicholas Zurbrugg,2004 Over the course of fifteen years

Nicholas Zurbrugg interviewed the avant garde poets filmmakers dancers writers composers and performance artists who were defying tradition crossing genres and forever changing how art would be created performed and interpreted These conversations with thirty one of the leading multimedia artists in the United States now form a comprehensive record from the insiders perspectives of the most vital component of the postmodern American art world Passionate about postmodernism and committed to innovative creativity Zurbrugg asks these artists probing and insightful questions How did their work evolve Who most influenced them How did they assess changes in contemporary art and what did they think of each other s work Which of their experiences had the most powerful effects on their creative development What could lie ahead for American art As these questions are answered by individual artists the interviews also cumulatively address larger issues of artistic expression including the idea of the avant garde itself The book features interviews with Kathy Acker Charles Amirkhanian Laurie Anderson Robert Ashley Beth B David Blair William S Burroughs Warren Burt John Cage Richard Foreman Kenneth Gaburo Diamanda Gal s John Giorno Philip Glass Brion Gysin Dick Higgins Jenny Holzer Mike Kuchar Robert Lax Jackson Mac Low Meredith Monk Nam June Paik Yvonne Rainer Steve Reich Rachel Rosenthal Bill Viola Larry Wendt Emmett Williams Robert Wilson Nick Zedd and Ellen Zweig Introductory notes to each interview provide context and connect the work and experiences of various artists and photographs of these artists contribute a significant visual element to the book Nicholas Zurbrugg 1947 2001 was professor of English and cultural studies as well as director of the Centre of Contemporary Arts at De Montfort University in Leicester England He is the author of The Parameters of Postmodernism and Critical Vices The Myths of Postmodern Theory

The Challenge of Front-Line Management Carolyn L. Facheau, Katherine A. Jackson, Ronald R. Sims, John G. Veres, 2000-11-30 As the way work is done changes and as organizations flatten themselves down in response to demands posed by the new global economy managers on the front lines where some say the real work is done need a broader set of skills than ever before They must learn to see their jobs differently to become tougher and more durable but they must also become more flexible in how they interact with the organization itself and its changing work and economic environments The authors emphasize key tasks that front line managers must do today such as strategic planning budgeting quality management and benchmarking and how they must focus attention on their customers until now far removed and perhaps out of mind They must also recognize the need for effective information systems and find ways to align their immediate work units with larger organizational strategies and processes In short the authors offer essentially a new paradigm for the way management should now be practiced in a far ranging book that today s managers will need to keep pace with changes that could threaten their careers and a book that offers others on the way up a way to start their own careers on the right foot Becoming an effective front line manager starts with understanding the job The authors begin with a comprehensive look at what it means to be a front line manager and the special challenges they face They must become all things to all people say the authors and at the same time consider other

perhaps unfamiliar challenges such as safety and health concerns Front line managers today must also learn to grow and adapt to changing work environments The authors present an extensive view of these new tasks and roles and detail the ways in which front line managers can address and overcome the obstacles they will find The book is a readable thought provoking study of special interest to teachers of general management courses on the undergraduate and graduate levels *Journal of Education and Learning (EduLearn)* Lina Handayani, Journal of Education and Learning EduLearn is an interdisciplinary international journal of original research and writing on education The EduLearn aims to provide a forum for scholarly understanding of the field of education and plays an important role in promoting the process that accumulated knowledge values and skills are transmitted from one generation to another and to make methods and contents of evaluation and research in education available to teachers administrators and research workers Critical Analysis of the Supportive and Suppressive Factors for the Children s Literature Program in Malaysia Siti Salina Mustakim Ramlee Mustapha Othman Lebar 1 Assessment on Hybrid e Learning Instrument Intan Farahana Kamsin Rosseni Din 11 Open Distance Learning ODL and Agricultural Extension Workers Social Competence in Indonesia Nurul Huda 17 Preparedness of Colleges of Education in Southwestern Nigeria for the Adoption of Blended Learning Olayiwola Idowu Olusola Alimi Kudirat Mojirade 25 Initial Oral English Communication Needs of Learners in the BE Classroom Paramudia Hadina Habil 35 The Influence of Netspeak on Students Writing Shalini Thangaraj Mahendran Maniam 45 The Relationship between Multiple Intelligences with Preferred Science Teaching and Science Process Skills Mohd Ali Samsudin Noor Hasyimah Haniza Corrienna Abdul Talib Hayani Marlia Mhd Ibrahim 53 The Effect of Personality Value of Principals toward Attitude Discipline Qualities and Communications of Work Muhammad Asri Lokman Bin Mohd Tahir 61 Causes Effects of Stress and the Coping Mechanism of the Bachelor of Science in Information Technology Students in A Philippine University Generoso N Mazo 71 How to Develop Character of Madrassa Students in Indonesia Lukman Abu Mahani Mokhtar Zainudin Hassan Siti Zakiah D S 79

Prethinking Work Sabina Jeschke, Frank Hees, Anja Simone Richert, Sven Trantow, 2012 The dynamic change of work is one the greatest challenges of advanced industrial societies Work is a systematically relevant element of the global economy part of our everyday life and a reflection of our socio economic conditions and developments This book outlines important trends opportunities and risks in the working environment of the 21st century International researchers economic actors and politicians from twelve different countries are rethinking or prethinking work and have produced inspiring articles on the future of work and the future of our socio economic reality Series Ergonomics Arbeitswissenschaften Vol 7 **Leading Global Teams** Jessica L. Wildman, Richard L. Griffith, 2014-11-10 This breakthrough volume details the psychological and interpersonal skills needed to meet the practical challenges of building developing adapting training and managing multicultural global teams Its self regulation approach offers cognitive keys to understanding and embracing difference and its associated complexities for successful global collaborations and lasting results From this foundation the book moves on to

the various roles of leadership in facilitating team process from establishing trust to defusing conflicts reducing biases and using feedback effectively This synthesis of research and practice effectively blends real world experience and the science of global team leadership to address the complex issues facing modern organizations Core skills covered by the book Structuring successful global virtual teams Developing cross cultural competencies through global teams Managing active faultlines and conflicts in global teams Coaching global teams and global team leaders Utilizing feedback effectively across cultures Meeting the global need for leaders through Guided Mindfulness Leading Global Teams is mind opening reading for students scholars and practitioners in industrial and organizational psychology organizational behavior work psychology and applied psychology programs looking for the most current research and best practices regarding its timely subject

Choctaw Prophecy Tom Mould, 2003-01-22 Explores the power and artistry of prophecy among the Mississippi Band of Choctaw Indians who use predictions about the future to interpret the world around them This book challenges the common assumption that American Indian prophecy was an anomaly of the 18th and 19th centuries that resulted from tribes across the continent reacting to the European invasion Tom Mould s study of the contemporary prophetic traditions of the Mississippi Band of Choctaw Indians reveals a much larger system of prophecy that continues today as a vibrant part of the oral tradition Mould shows that Choctaw prophecy is more than a prediction of the future it is a way to unite the past present and future in a moral dialogue about how one should live Choctaw prophecy he argues is stable and continuous it is shared in verbal discourse inviting negotiation on the individual level and because it is a tradition of all the people it manifests itself through myriad visions with many themes In homes casinos restaurants laundromats day care centers and grocery stores as well as in ceremonial and political situations people discuss current events and put them into context with traditional stories that govern the culture In short recitation is widely used in everyday life as a way to interpret validate challenge and create the world of the Choctaw speaker Choctaw Prophecy stands as a sound model for further study into the prophetic traditions of not only other American Indian tribes but also communities throughout the world Weaving folklore and oral tradition with ethnography this book will be useful to academic and public libraries as well as to scholars and students of southern Indians and the modern South
