Reaching For Paradise The Playboy Vision Of America:

Reaching for Paradise Thomas Weyr,1978 *Playboy and the Making of the Good Life in Modern America* Elizabeth Fraterrigo,2009-11-05 In exploring the history of America's most widely read and influential men's magazine Elizabeth Fraterrigo hones in on the values style and gender formulations put forth in its pages and how they gained widespread currency in American culture Bachelors and Bunnies Carrie Pitzulo,2011-05 Offering a surprising new take on a twentieth century icon Bachelors and Bunnies goes beyond the smoking jacket and the centerfold to uncover an unlikely ally for the feminist cause *The Bloodiest Thing That Ever Happened In Front Of A Camera* Stephen Milligen,2017-04-06 How porno chic became porno hell In the early 1970s outrageous claims were made of a new blood spattered cinematic extreme This was the legend of the snuff movie which promoted the inhuman notion that a woman had been murdered to satisfy the sexual appetite of a jaded public The story was produced by a kind of madness incarnate but it reflected the desperation of America in cultural turmoil Snuff was a backlash against the naive liberalism of the counterculture embraced by people who preferred to believe the worst about their society Once unleashed the concept was embraced and manipulated by the tabloid media and a variety of political and social crusaders each using it to further their own cause Brutal evil ghastly beyond belief snuff became an iconic urban legend This book is the true startling and hideously exploitative history of that legend and how it was created SNUFF THE BLOODIEST THING THAT EVER HAPPENED IN FRONT OF A CAMERA **Elvis Cinema and Popular Culture** Douglas Brode,2014-12-09 Though Elvis Presley's music is widely credited as starting a sea change in American popular culture his films are often dismissed as superficial Beyond the formulaic plotlines and the increasingly weaker songs however the films are rich with resonance to the changing times in which they were produced roughly 1955 1970 They were also a means by which Elvis communicated deeply felt autobiographical material to his fan base although in the guise of lighthearted escapist fare This work takes a new stand maintaining that Elvis's 31 Hollywood features and two documentaries reveal a profound statement from the star and auteur Analyzing each film in detail and exploring the body of work as a whole Brode reveals the Elvis persona as a contemporary Candide attempting to navigate an ever changing social and political landscape *With Amusement for All* LeRoy Ashby,2006-05-12 Popular culture is a central part of everyday life to many Americans Personalities such as Elvis Presley Oprah Winfrey and Michael Jordan are more recognizable to many people than are most elected officials With Amusement for All is the first comprehensive history of two centuries of mass entertainment in the United States covering everything from the penny press to Playboy the NBA to NASCAR big band to hip hop and other topics including film comics television sports dance and music Paying careful attention to matters of race gender class technology economics and politics LeRoy Ashby emphasizes the complex ways in which popular culture simultaneously reflects and transforms American culture revealing that the world of entertainment constantly evolves as it tries to meet the demands of a diverse audience Trends in popular entertainment often reveal the tensions between

competing ideologies appetites and values in American society For example in the late nineteenth century Americans embraced self made men such as John D Rockefeller and Andrew Carnegie the celebrities of the day were circus tycoons P T Barnum and James A Bailey Wild West star Buffalo Bill Cody professional baseball organizer Albert Spalding and prizefighter John L Sullivan At the same time however several female performers challenged traditional notions of weak frail Victorian women Adah Isaacs Menken astonished crowds by wearing tights that made her appear nude while performing dangerous stunts on horseback and the shows of the voluptuous burlesque group British Blondes often centered on provocative images of female sexual power and dominance Ashby describes how history and politics frequently influence mainstream entertainment When Native Americans blacks and other non whites appeared in the nineteenth century circuses and Wild West shows it was often to perpetuate demeaning racial stereotypes crowds jeered Sitting Bull at Cody s shows By the early twentieth century however black minstrel acts reveled in racial tensions reinforcing stereotypes while at the same time satirizing them and mocking racist attitudes before a predominantly white audience Decades later Red Foxx and Richard Pryor s profane comedy routines changed American entertainment The raw ethnic material of Pryor s short lived television show led to a series of African American sitcoms in the 1980s that presented common American experiences from family life to college life with black casts Mainstream entertainment has often co opted and sanitized fringe amusements in an ongoing process of redefining the cultural center and its boundaries Social control and respectability vied with the bold erotic sensational and surprising as entrepreneurs sought to manipulate the vagaries of the market control shifting public appetites and capitalize on campaigns to protect public morals Rock n Roll was one such fringe culture in the 1950s Elvis blurred gender norms with his androgynous style and challenged conventions of public decency with his sexually charged performances By the end of the 1960s Bob Dylan introduced the social consciousness of folk music into the rock scene and The Beatles embraced hippie counter culture Don McLean s 1971 anthem American Pie served as an epitaph for rock s political core which had been replaced by the spectacle of hard rock acts such as Kiss and Alice Cooper While Rock n Roll did not lose its ability to shock in less than three decades it became part of the established order that it had originally sought to challenge With Amusement for All provides the context to what Americans have done for fun since 1830 showing the reciprocal nature of the relationships between social political economic and cultural forces and the way in which the entertainment world has reflected refracted or reinforced the values those forces represent in America

As Seen on TV Karal Ann Marling,1996-03-01 From the painting by numbers fad to the public fascination with the First Lady s apparel to the television sensation of Elvis Presley to the sculptural refinement of the automobile Marling explores what Americans saw and what they looked for in the 1950s with a gaze newly trained by TV

Magazines for the Millions Helen Damon-Moore,1994-08-12 Argues that the two popular women s magazines were pivotal in the combining of gender and commercialism at the turn of the century and that publishers and advertisers conspired to create both a gendered

commercial discourse and a commercial gender discourse for both men and women Annotation copyright by Book News Inc Portland OR

The Making of Ernest Hemingway Hans-Peter Rodenberg, 2014 Perhaps no other writer has shared as much public attention as Ernest Hemingway This book shows how Hemingway's personal yearning for recognition interacted with new trends in the American publishing business

and in advertising and how the emergence of a visual culture of photojournalism and lifestyle magazines led to the public persona familiar to people all over the world However the book also shows the tragedy of a man who became the victim of a time that needed unquestionably virile heroes in order to cover up the psychological insecurity caused by the radical social changes taking place during the 20th century Series Literature Research and Science Literatur Forschung und Wissenschaft Vol 31 Subject Biography Media Studies Literary Criticism **At Home with Pornography** Jane Juffer,1998 Juffer demonstrates how women s consumption of erotica and porn for their own pleasure can be empowering while simultaneously reinforcing conservative ideals She shows for instance how the Victoria s Secret catalog functions as a kind of pornography whose popularity is enhanced by both its reliance on Victorian themes of secrecy and privacy and by its appeals to the pleasures of modern career women In her pursuit to understand what women like and how they get it Juffer delves into adult cable channels erotic literary anthologies sex therapy guides cyberporn masturbation and sex toys showing the degrees to which these materials have been domesticated for home consumption *Humour in Society* George E Paton,Chris Powell,1988-04-18 *A Century of Women* Deborah G. Felder,2003 Comprehensive and riveting this important volume on women s history surveys the revolutionary changes in the social economic and political status of women during the twentieth century From the battles of suffragists and labor activists such as Carrie Chapman Catt and Rose Schneiderman to the provocative ideas of Betty Friedan here are the women of vision and courage who fought for equality and freedom But here too are the unexpected medical and technological discoveries that removed a woman s destiny from the restrictions of biology the electric washing machine anesthesia for childbirth sulfa drugs to stop post partum deaths the birth control pill and more This lively and provocative history covers groundbreaking legislation and Supreme Court rulings yet it doesn t neglect the often conflicting cultural forces from Emily Post and Barbie to the founding of the La Leche League and Ellen DeGeneres s sitcom that have shaped women s lives in today s world Book jacket *A Companion to Media Studies* Angharad N. through British and American landmark rape cases to explain how with the exception of earliest colonial times rape has been a crime notable for placing the woman on trial Whether she is charged as a false accuser gold digger loose or scorned woman stereotypes prevail American jurisprudence and the public at large remain divided on acquaintance rape With the passage of the Violence Against Women Act one of the most important legislation for women a new breed of antifeminists stepped up to the plate to subordinate women s bid for sexual autonomy and freedom A groundbreaking classic work of scholarship that coherently challenges the anti rape backlash and its rhetoric A Woman Scorned continues to bring a broad perspective to our understanding of acquaintance rape even if its original vision of a new paradigm for female sexual equality awaits implementation

Pornography Gail Dines,Bob Jensen,Ann Russo,2013-10-31 First published in 1998 No other issue has divided the feminist movement in the past two decades quite like pornography By providing the first book to engage in an empirical investigation of the pornography industry itself the authors each grounded in the radical feminist anti pornography movement move beyond the rhetorical bomb tossing of an often polarized debate The authors engage in a systematic examination of the politics production content and consumption of contemporary mass market heterosexual pornography thereby contributing to a fuller understanding of pornography s role in the cultural construction of gender racial and sexual identities and relations They begin with an overview of the social and political history of the feminist anti pornography movement and the debate over pornography within feminism Then they address the various rhetorical dodges definitional legal and causal used to distort the fact that institutionalized pornography helps maintain the sexual and social oppression of women within a patriarchal system Exploring the beginnings of the commercial pornography industry the book focuses in part on the history of Playboy magazine It also analyzes the content of contemporary mass market videos Dines Jensen and Russo argue that the sexual ideology of patriarchy eroticizes domination and submission with pornography playing a significant role in how these values are mediated and normalized in American society They discuss the effects of pornography on the lives of those who use it and those against whom it is used In so doing the authors hope to contribute to creating a world in which sex is not a site of oppression but of liberation
