Real Vikings:

The Vikings Reimagined Tom Birkett, Roderick Dale, 2020-01-20 The Vikings Reimagined explores the changing perception of Norse and Viking cultures across different cultural forms and the complex legacy of the Vikings in the present day Bringing together experts in literature history and heritage engagement this highly interdisciplinary collection aims to reconsider the impact of the discipline of Old Norse Viking Studies outside the academy and to broaden our understanding of the ways in which the material and textual remains of the Viking Age are given new meanings in the present The diverse collection draws attention to the many roles that the Vikings play across contemporary culture from the importance of Viking tourism to the role of Norse sub cultures in the formation of local and international identities Together these collected essays challenge the academy to rethink its engagement with popular reiterations of the Vikings and to reassess the position afforded to reception within the discipline

Stowing Away with the Vikings Linda Bailey, 2022-05-17 Twins Josh and Emma Binkerton swore they'd never return to the Good Times Travel Agency Only now a terrible storm has driven them and their little sister Libby right through its doors Worse Libby's opened another of Julian T Pettigrew's guidebooks and the Binkertons find themselves hurtling back in time to the Viking Age All

seems fine at first as the children are welcomed by the locals But they quickly realize that Viking life is not for the faint of heart it involves beds made of earth monotonous farm work and death defying sports And when Josh and Libby inadvertently stow away on a Viking ship headed for a raid it suddenly turns perilous Can the Binkertons finish the guidebook and travel back to the present before it s too late Part of the award winning Time Travel Guides series from the talented Linda Bailey and Bill Slavin this thrilling graphic novel combines fact and fiction to make learning about the past fun It employs a fast paced narrative that s quirky and funny and colorful detailed illustrations to create an engaging and accessible overview of the Viking Age Key facts vetted by experts are cleverly embedded in the story through the guidebook This title makes an excellent resource for social studies and history lessons on the period covering politics and government travel and trade education celebrations and more The back of the book contains a short history of the Vikings including a map as well as a bibliography further resources and an index

The Untold History of the Vikings Martin J. Dougherty,2016-07-15

Beginning in 789AD the Vikings raided monasteries sacked cities and invaded western Europe They looted and enslaved their enemies But that is only part of their story In long boats they discovered Iceland and America both by accident and also sailed up the Seine to Paris which they sacked They settled from Newfoundland to Russia founded Dublin and fought battles as far afield as the Caspian Sea A thousand years after their demise traces of the Vikings remain all the way from North America to Istanbul They traded walrus with Inuits brought Russian furs to Western Europe and took European slaves to Constantinople Their graves contain Arab silver Byzantine silks and Frankish weapons In this accessible book the whole narrative of the Viking story is examined from the eighth to the 11th century Arranged thematically Vikings A History of the Norse People examines the Norsemen from exploration to religion to trade to settlement to weaponry to kingdoms to their demise and legacy But today questions remain what prompted the first Viking raids What stopped their expansion And how much of the tales of murder rape and pillage is myth
