More trouble at school and at home and the discovery of a missive from her late soldier sister send Angie and a long ago friend on an RV road trip across Ohio. Sophomore year has just begun and Angie is miserable. Her girlfriend KC has moved away, her good friend Jake is keeping his distance, and the resident bully has ramped up an increasingly vicious and targeted campaign to humiliate her. An over the top statue dedication planned for her sister who died in Iraq is almost too much to bear, and it doesn't help that her mother has placed a symbolic empty urn on their mantel. At the ceremony a soldier hands Angie a final letter from her sister including a list of places she wanted the two of them to visit when she got home from the war. With her mother threatening to send Angie to a treatment center and the situation at school becoming violent, Angie enlists the help of her estranged childhood friend Jamboree. Along with a few other outsiders they pack into an RV and head across the state on the road trip. Angie's sister did not live to take it. It might be just what Angie needs to find a way to let her sister go and find herself in the process. *Freedom Choice* Carla Worley, 2010-04. Sabrina simply wanted a normal life. Raised by an emotionally unstable mother and a father who was an angry and violent drunk, Sabrina spent most of her young life feeling alone and scared. Her older brother Brad was her only ally as the two endured this difficult life together. When her family moved to a small town in Oklahoma, Sabrina lost the safety she felt with her old friends. However, she and Brad soon became close with Samantha and Joe, two local kids that gave them the support they so desperately needed. After a while, Sabrina and Brad faced their parents and discussed the ways in which they hurt them. Their parents eventually recognized the error of their ways and vowed to be more responsible and loving parents. *Freedom Choice: A Book That Allows You to Consider Your Options* is ideal for middle school aged children who suffer similar emotional turmoil. Through witnessing the healing of Sabrina, children are able to begin their own healing process and overcome any obstacles they face. Carla Worley sees the affects of abuse on a daily basis through her work as a counselor. Her desire to help people cope with abuse inspired her to reach out to children all over the world through this unique combination of fiction and therapy. She is currently working on her next book which tackles another emotional issue that children face today. **The Painted Rose** Alejandra O. Reed, 2010-12-23. Dotti Sets a Trap for Mildred.
