FREDERIC WAKEMAN, JR
RICHARD LOUIS EDMONDS

STUDIES ON CONTEMPORARY CHINA

Reappraising Republican China

Dong Wang

Reappraising Republican China:

Reappraising Republican China Richard Louis Edmonds, 1997 China's Contested Capital Charles D.

Musgrove, 2013-07-31 When the Chinese Nationalist Party nominally reunified the country in 1928 Chiang Kai shek and other party leaders insisted that Nanjing was better suited than Beijing to serve as its capital For the next decade until the Japanese invasion in 1937 Nanjing was the model capital of Nationalist China the center of not just a new regime but also a new modern outlook in a China destined to reclaim its place at the forefront of nations Interesting parallels between China s recent rise under the Post Mao Chinese Communist Party and the Nationalist era have brought increasing scholarly attention to the Nanjing Decade 1927 1937 however study of Nanjing itself has been neglected Charles Musgrove brings the city back into the discussion of China s modern development focusing on how it was transformed from a factional capital with only regional influence into a symbol of nationhood a city where newly forming ideals of citizenship were celebrated and contested on its streets and at its monuments China s Contested Capital investigates the development of the model capital from multiple perspectives It explores the ideological underpinnings of the project by looking at the divisive debates surrounding the new capital s establishment as well as the ideological discourse of Sun Yat Sen used to legitimize it In terms of the actual building of the city it provides an analysis of both the scientific methodology adopted to plan it and the aesthetic experiments employed to construct it Finally it examines the political and social life of the city looking at not only the reinvented traditions that gave official spaces a sacred air but also the ways that people actually used streets and monuments including the Sun Yat Sen Mausoleum to pursue their own interests often in defiance of Nationalist repression Contrary to the conventional story of incompetence and failure Musgrove shows that there was more to Nationalist Party nation building than simply paper plans that never came to fruition He argues rather that the model capital essentially legitimized a new form of state power embodied in new symbolic systems that the Communist Party was able to tap into after defeating the Nationalists in 1949 At the same time the book makes the case that although it was unintended by party planners who promoted single party rule Nanjing s legitimacy was also a product of protests and contestation which the party state only partially succeeded in channeling for its own ends China s Contested Capital is an important contribution to the literature on twentieth century Chinese urban history and the social and political history of one of China s key cities during the Republican period **The Body and Military Masculinity in Late Qing and Early Republican China** Nicolas

Schillinger, 2016-12-12 In 1894 1895 after suffering defeat against Japan in a war primarily fought over the control of Korea the Qing government initiated fundamental military reforms and established New Armies modeled after the German and Japanese military Besides reorganizing the structure of the army and improving military training the goal was to overcome the alleged physical weakness and lack of martial spirit attributed to Chinese soldiers in particular and to Chinese men in general Intellectuals government officials and military circles criticized the pacifist and civil orientation of Chinese culture

which had resulted in a negative attitude towards its armed forces and martial values throughout society and a lack of interest in martial deeds glory on the battlefield and military achievements among men The book examines the cultivation of new soldiers officers and civilians through new techniques intended to discipline their bodies and reconfigure their identities as military men and citizens The book shows how the establishment of German style New Armies in China between 1895 and 1916 led to the re creation of a militarized version of masculinity that stressed physical strength discipline professionalism martial spirit and Western military appearance and conduct Although the military reforms did not prevent the downfall of the Qing Dynasty or provide stable military clout to subsequent regimes they left a lasting legacy by reconfiguring Chinese military culture and re creating military masculinity and the image of men in China

China's Communist Revolutions

Werner Draguhn,David S.G. Goodman,2012-10-12 During its fifty years of existence the People s Republic of China has seen dramatic changes from the proclamation of the independent state through the period of the Communist Revolution the Cultural Revolution the Reform Period These changes are analysed from the political economic and social points of view challenging accepted orthodoxy Throughout the emphasis is on change in the context of contemporary China and as part of the Chinese Communist Party s search for paths to development

The Republic of China Xavier Paules,2023-11-08 The declaration of the Republic of China in 1912 signalled an entirely new era Not only did the revolution of 1911 12 bring about the fall of the Qing dynasty it also brought an end to the entire series of dynasties that had marked Chinese history for over two millennia Radical reforms since 1901 had culminated in the ending of the political status quo and the rejection of the very idea of empire Drawing on the most recent historical research Xavier Paul s provides a comprehensive account of the crucial but chaotic period that stretched from the founding of the Republic of China in 1912 to the civil war of 1945 9 which ended with the victory of the Chinese Communist Party CCP and the establishment of the People s Republic of China Paul s challenges various common claims about this period It is often assumed that the CCP was instrumental in bringing about key events by skilfully mobilizing the population to serve its ends Paul s argues by contrast that the CCP took advantage of fortunate circumstances and that even then it was only in a position to challenge the supremacy of the Guomindang as late as 1944 His analysis takes a broad view by considering the importance of political actors both within and external to the revolutionary movement enabling him to offer a balanced interpretation of the republican period which sheds new light on China s political cultural and economic development

Victorious in Defeat Alexander V. Pantsov,2023-03-21 An extensively researched comprehensive biography of Chinese Nationalist leader Chiang Kai shek one of the twentieth century s most powerful and controversial figures Chiang Kai shek 1887 1975 led the Republic of China for almost fifty years starting in 1926 He was the architect of a new republican China a hero of the Second World War and a faithful ally of the United States Simultaneously a Christian and a Confucian Chiang dreamed of universal equality yet was a perfidious and cunning dictator responsible for the deaths of over 1 5 million innocent people This critical biography is based on Chiang Kai shek s

unpublished diaries his extensive personal files from the Russian archives and the Russian files of his relatives associates and foes Alexander V Pantsov sheds new light on the role played by the Russians in Chiang's rise to power in the 1920s and throughout his political career and indeed the Russian influence on the Chinese revolutionary movement as a whole as well as on Chiang's complex relationship with top officials of the United States It is a detailed portrait of a man who ranks with Stalin Roosevelt Hitler Churchill and Gandhi as leaders who shaped our world

China and International Security

Donovan C. Chau, Thomas M. Kane, 2014-04-17 The first work of its kind this strategic assessment of China's national security reveals the nation's intentions capabilities and threats and their implications for the United States and the world As China continues to develop the strategic means to advance its national interests in Asia and around the world assessing its role in international security is the greatest strategic challenge now faced by the United States and its allies China and International Security facilitates this critically important understanding analyzing topics that range from strategic geography and orientation to gender ratios Using detailed case studies and sharing expert insights the work provides historical internal and contemporary analyses that reveal the nature and character of China's national security This three volume set is written for scholars students and policymakers The volumes offer in depth articles penned by intelligence professionals and journalists as well as entries by scholars in fields as diverse as international politics history and strategic studies While other works may attempt to predict the future of China's rise or the nature of China's future bilateral relationships none so thoroughly examines the totality of China's domestic regional and international security and their implications

Routledge

Handbook of Revolutionary China Alan Baumler, 2019-08-12 The Routledge Handbook of Revolutionary China covers the evolution of Chinese society from the roots of the Republic of China in the early 1900s until the end of the Cultural Revolution in 1976 The chapters in this volume explain aspects of the process of revolution and how people adapted to the demands of the revolutionary situation Exploring changes in political leadership as well as transformation in culture it compares the differences in experiences in urban and rural areas and contrasts rapid changes such as the war with Japan and Communist liberation with evolutionary developments such as the gradual redefinition of public space Taking a comprehensive approach the themes covered include War occupation and liberation Religion and gender Education cities and travel This is an essential resource for students and scholars of Modern China Republican China Revolutionary China and Chinese Politics Chapter 20 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY 4.0 license

The Deluge

Adam Tooze, 2014-11-13 A searing and highly original analysis of the First World War and its anguished aftermath from the prizewinning economist and author of Shutdown Crashed and The Wages of Destruction Winner of the Los Angeles Times Book Prize History Finalist for the Kirkus Prize Nonfiction In the depths of the Great War with millions dead and no imaginable end to the conflict societies around the world began to buckle The heart of the financial system shifted from

London to New York The infinite demands for men and material reached into countries far from the front The strain of the war ravaged all economic and political assumptions bringing unheard of changes in the social and industrial order A century after the outbreak of fighting Adam Tooze revisits this seismic moment in history challenging the existing narrative of the war its peace and its aftereffects From the day the United States enters the war in 1917 to the precipice of global financial ruin Tooze delineates the world remade by American economic and military power Tracing the ways in which countries came to terms with America's centrality including the slide into fascism *The Deluge* is a chilling work of great originality that will fundamentally change how we view the legacy of World War I

China's Unequal Treaties Dong Wang, 2005-01-01 China's Unequal Treaties offers a study based on primary sources of the linguistic development and polemical uses of the expression Unequal Treaties to refer to the treaties written between 1842 and 1943 Although the expression has occupied a central position in both Chinese collective memory and English historiographies China's Unequal Treaties is the first study of the phrase and its interpretations

The Enigmatic Realm of **Reappraising Republican China**: Unleashing the Language is Inner Magic

Reappraising Republican China Introduction

In today's digital age, the availability of Reappraising Republican China books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Reappraising Republican China books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Reappraising Republican China books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Reappraising Republican China versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Reappraising Republican China books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Reappraising Republican China books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Reappraising Republican China books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to

borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Reappraising Republican China books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Reappraising Republican China books and manuals for download and embark on your journey of knowledge?

FAQs About Reappraising Republican China Books

1. Where can I buy Reappraising Republican China books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Reappraising Republican China book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Reappraising Republican China books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.

6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Reappraising Republican China audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Reappraising Republican China books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
