Reason Social Myths Democracy

Sidney Hook

Reason Social Myths Democracy:

Reason, Social Myths and Democracy Sidney Hook, 2009-01-01 Dedicated to the memory of a Great Adversary this 1940 work is a startling clarion call to embrace reason and rationality as the only way to solve social problems Hook discusses democracy and scientific method the meaning behind nonsense the folklore of capitalism ideas as weapons integral humanism science atheism and mythology science and the new obscurantism the mythology of class science and much more

In the Shadow of Authoritarianism Thomas D. Fallace, 2018 In the Shadow of Authoritarianism explores how American educators in the wake of World War I created a student centered curriculum in response to authoritarian threats abroad For most of the 20th century American educators lived in the shadow of ideological political cultural and existential threats including Prussianism propaganda collectivism dictatorship totalitarianism mind control the space race and moral relativity To meet the perceived threat the American curriculum was gradually moved in a more student centered direction that focused less on what to think and more on how to think This book examines the period between World War I and the 1980s focusing on how U S schools countered the influence of fascist and communist ideologies as well as racial discrimination Fallace also considers this approach in light of current interests in the Common Core State Standards Perhaps the recent rise of new authoritarian threats not just abroad but also at home will rejuvenate our long tradition of democratic education Schools have served as the bulwarks of democracy before Let s hope they can do so again guided by this smart little book Jonathan Zimmerman University of Pennsylvania Fallace offers a fresh provocative history of democratic education as it has been practiced in the United States Walter Parker University of Washington Natural Rights Liberalism from Locke to Nozick Ellen Frankel Paul, Fred Dycus Miller, Jeffrey Paul, 2005 The essays in this book have also been published without introduction and index in the semiannual journal Social philosophy policy volume 22 number 1 T p verso Includes bibliographical references and index *A Liberalism Safe for Catholicism?* Daniel Philpott, Ryan T. Anderson, 2017-06-30 This volume is the third in the Perspectives from The Review of Politics series following The Crisis of Modern Times edited by A James McAdams 2007 and War Peace and International Political Realism edited by Keir Lieber 2009 In A Liberalism Safe for Catholicism editors Daniel Philpott and Ryan Anderson chronicle the relationship between the Catholic Church and American liberalism as told through twenty seven essays selected from the history of the Review of Politics dating back to the journal s founding in 1939 The primary subject addressed in these essays is the development of a Catholic political liberalism in response to the democratic environment of nineteenth and twentieth century America Works by Jacques Maritain Heinrich Rommen and Yves R Simon forge the case for the compatibility of Catholicism and American liberal institutions including the civic right of religious freedom The conversation continues through recent decades when a number of Catholic philosophers called into question the partnership between Christianity and American liberalism and were debated by others who rejoined with a strenuous defense of the partnership The book also covers a wide range of other topics including democracy free

market economics the common good human rights international politics and the thought of John Henry Newman John Courtney Murray and Alasdair MacIntyre as well as some of the most prominent Catholic thinkers of the last century among them John Finnis Michael Novak and William T Cavanaugh This book will be of special interest to students and scholars of political science journalists and policymakers church leaders and everyday Catholics trying to make sense of Christianity in modern society Contributors Daniel Philpott Ryan T Anderson Jacques Maritain Alvan S Ryan Heinrich Rommen Josef Pieper Yves R Simon Ernest L Fortin John Finnis Paul E Sigmund David C Lege Thomas R Rourke Michael Novak Michael J Baxter David L Schindler Joseph A Komonchak John Courtney Murray Samuel Cardinal Stritch Francis J Connell Carson Holloway James V Schall Gary D Glenn John Stack Glenn Tinder Clarke E Cochran William A Barbieri Jr Thomas S Hibbs Paul S Rowe and William T Cavanaugh *Agricultural Economics Literature*, 1940 *Agricultural Economics Literature* United States. Bureau of Agricultural Economics. Library, 1940 **Books and Pamphlets, Including Serials and Contributions to Periodicals** Library of Congress. Copyright Office, 1968 **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1968 *Gallery of Scholars* Israel Scheffler, 2007-11-03 This volume offers a vivid personal account of eminent philosophers and educators with whom the author has interacted over the half century of his academic career at Harvard It recalls the personalities and ideas of landmark thinkers of the recent past thus counteracting the prevalent amnesia of research universities It reflects on the educational impact of the scholars styles of teaching as well as the varied approaches embodied in their academic practice In addition it affords insights into the human workings of universities and the varieties of scholarship in the continuing quest of shared understanding The book includes fourteen photographs of scholars portrayed in the book The book offers a rare glimpse from the inside of the most significant intellectual milieu of the Western world and the insights of one of Harvard philosophy s most distinguished members As such it will be of great interest to readers both from within and outside the academy Harvey Siegel Department of Philosophy University of Miami Coral Gables FL USA Professor Scheffler writes wonderfully about an impressive array of famous scholars His portraits are vivid detailed exact often quite amusing and just right in terms of length and range David Hansen Teachers College Columbia University NY USA This is the work of a gifted writer an important contribution to the fields of philosophy and philosophy of education on both sides of the Atlantic The strongest aspects of the work are the weaving together of personalities and ideas in a quasi historical narrative together with a look back at what the life of the mind meant in one professional s work Steve Tozer UIC College of Education Chicago IL USA **The Political Problem of Religious Pluralism** Thaddeus J. Kozinski, 2012-07-10 In contemporary political philosophy there is much debate over how to maintain a public order in pluralistic democracies in which citizens hold radically different religious views The Political Problem of Religious Pluralism deals with this theoretically and practically difficult issue by examining three of the most influential figures of religious pluralism theory John Rawls Jacques Maritain and Alasdair MacIntyre Drawing on a diverse number of

sources Kozinski addresses the flaws in each philosopher's views and shows that the only philosophically defensible end of any overlapping consensus political order must be the eradication of the ideological pluralism that makes it necessary. In other words, a pluralistic society should have as its primary political aim to create the political conditions for the communal discovery and political establishment of that unifying tradition within which political justice can most effectively be obtained. Kozinski's analysis, though exhaustive and rigorous, still remains accessible and engaging even for a reader unversed in the works of Rawls, Maritain, and MacIntyre. Interdisciplinary and multi-thematic in nature, it will appeal to anyone interested in the intersection of religion, politics, and culture.

Reason Social Myths Democracy: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoovers "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
