Reasons For Faith:

Reasons for Faith Mark Mittelberg, Chad V. Meister, 2007 Gives Christians the tools they need to stand firm in their faith and to share that faith with anyone who asks for a reason for the hope within them *Reasons for Faith (Foreword by Lee Strobel)* Norman L. Geisler, Chad V. Meister, 2007-10-26 Many Christians want to witness for their faith but they are afraid they will not be able to answer questions that others may ask of them First Peter 3 15 reminds believers to always be prepared to make a defense to anyone who asks you for a reason for the hope that is in you Norman Geisler and Chad Meister realize the fear of facing questions about the Christian faith Their book *Reasons for Faith* gives believers grounded biblical apologetics to help them defend their faith By covering the importance of apologetics and then applying apologetics to popular culture and theological issues these authors give all Christians the tools they need to stand firm in their faith and to be able to share that faith in today's society

Why We're Catholic Trent Horn, 2017-05 How can you believe all this stuff This is the number one question Catholics get asked and sometimes we ask ourselves Why do we believe that God exists that he became a man and came to save us that what looks like a wafer of bread is actually his body Why do we believe that he inspired a holy book and founded an infallible Church to teach us the one true way to live Ever since he became Catholic Trent Horn has spent a lot of time answering these questions trying to explain to friends family and total strangers the reasons for his Catholic faith Some didn't believe in God or even in the existence of truth Others said they were spiritual but didn't think you needed religion to be happy Some were Christians who thought Catholic doctrines over complicated the pure gospel And some were fellow Catholics who had a hard time understanding everything they professed to believe on Sunday Why We're Catholic assembles the clearest friendliest most helpful answers that Trent learned to give to all these people and more Beginning with how we can know reality and ending with our hope of eternal life it's the perfect way to help skeptics and seekers or Catholics who want to firm up their faith understand the evidence that bolsters our belief and brings us joy *Reasons for Faith in this Nineteenth Century* John McDowell Leavitt, 1884
