Patrick Gale, 2018-08-14 Two family novels from an international bestselling British writer with heart soul and a dark and a naughty wit The Observer Armistead Maupin says of Patrick Gale Few writers have grasped the twisted dynamics of family the way Gale has There's really no one he can't inhabit understand and forgive In both novels presented in this collection Gale explores the complex dynamics of family with dead on observation and generous compassion A Sweet Obscurity Dido a nine year old orphan lives with her aunt Eliza who adopted the girl after her mother died A depressed musicologist unable to balance her brilliant academic career with motherhood Eliza ruined her marriage with an affair Her estranged husband Giles is an opera singer whose girlfriend Julia uncovers a shocking secret while concealing one of her own As Dido shuttles between Eliza's squalid flat and Giles's elegant townhouse she acts as both tactful diplomat and insightful analyst to the adults who act like children Until something happens that powerfully impacts her young life This is arguably Gale's most questioning troublesome work It amuses startles and occasionally bewilders A Sweet Obscurity is worth every minute of your time The Independent The Cat Sanctuary Deborah Curtis's husband a diplomat in an African principality was killed by a car bomb and months later she is still recovering from the assassination Her estranged sister Judith an author who lives with her American lover Joanna in Cornwall insists Deborah come to her farmhouse to grieve in peace But unresolved wounds between the sisters bleed into the present and a history of abuse comes to light Forced to confront painful memories the

women's secrets and lies collide in a shattering climax A dark tale of loss sex and mistrust A sensitive thoughtful novel with a conclusion that is both unsettling and consistent Time Out London Phantom Lady Christina Lane,2020-02-04 Winner of the Mystery Writers of America's 2021 Edgar Allan Poe Award for Best Critical Biographical In 1933 Joan Harrison was a twenty six year old former salesgirl with a dream of escaping both her stodgy London suburb and the dreadful prospect of settling down with one of the local boys A few short years later she was Alfred Hitchcock's confidante and one of the Oscar nominated screenwriters of his first American film Rebecca Harrison had quickly grown from being the worst secretary Hitchcock ever had to one of his closest collaborators critically shaping his brand as the Master of Suspense Harrison went on to produce numerous Hollywood features before becoming a television pioneer as the producer of Alfred Hitchcock Presents A respected powerhouse she acquired a singular reputation for running amazingly smooth productions and defying anyone who posed an obstacle She built most of her films and series from the ground up She waged rough and tumble battles against executives and censors and even helped to break the Hollywood blacklist She teamed up with many of the most respected well known directors writers and actors of the twentieth century And she did it all on her own terms Author Christina Lane shows how this stylish stunning woman became Hollywood's most powerful female writer producer one whom history has since overlooked **Moment of Action** Murray Pomerance,2016-05-09 There are hundreds of biographies of filmstars and dozens of scholarly works on acting in general But what about the ephemeral yet indelible moments when for a brief scene or even just a single shot an actor's performance triggers a visceral response in the viewer Moment of Action delves into the mysteries of screen performance revealing both the acting techniques and the technical apparatuses that coalesce in an instant of cinematic alchemy to create movie gold Considering a range of acting styles while examining films as varied as Bringing Up Baby Psycho The Red Shoes Godzilla and The Bourne Identity Murray Pomerance traces the common dynamics that work to structure the complex relationship between the act of cinematic performance and its eventual perception Mining the spaces where subjective and objective analyses merge Pomerance offers both a deeply personal account of film viewership and a detailed examination of the intuitive gestures orchestrated movements and backstage maneuvers that go into creating those phenomenal moments onscreen Moment of Action takes us on an innovative exploration of the nexus at which the actor's keen skills spark and kindle the audience's receptive energies Hitchcock's Romantic Irony Richard Allen,2007 Is Hitchcock a superficial though brilliant entertainer or a moralist Do his films celebrate the ideal of romantic love or subvert it In a new interpretation of the director's work Richard Allen argues that Hitchcock orchestrates the narrative and stylistic idioms of popular cinema to at once celebrate and subvert the ideal of romance and to forge a distinctive worldview the amoral outlook of the romantic ironist or aesthete He describes in detail how Hitchcock's characteristic tone is achieved through a titillating combination of suspense and black humor that subverts the moral framework of the romantic thriller and a meticulous approach to visual style that articulates the lure of human perversity

even as the ideal of romance is being deliriously affirmed Discussing more than thirty films from the director's English and American periods Allen explores the filmmaker's adoption of the idioms of late romanticism his orchestration of narrative point of view and suspense and his distinctive visual strategies of aestheticism and expressionism and surrealism *Boom and Bust* Thomas Schatz, 1999-11-23 On the history of motion pictures **Hitchcock's Magic** Neil Badmington, 2011-04-15 Why are we still drawn to the work of Alfred Hitchcock so long after his final film appeared What remains to see What could there possibly be left to say about tales that are overwhelmingly familiar Why moreover have many of Hitchcock's films entered the popular imagination and enjoyed an eventful life far from the screen What is the source of Hitchcock's magic This book answers these questions about the influence and ongoing appeal of Hitchcock's work by focussing upon the fabric of the films themselves upon the way in which they enlist and sustain our desire holding our attention by constantly withholding something from us We keep watching keep revisiting the stories because there is always something left to see and know The book combines detailed textual analysis of a number of Hitchcock's most famous films *Psycho* *Rear Window* *Rebecca* *North by Northwest* *The Man Who Knew Too Much* and *The Birds* with more general discussion of the director's complete body of work Drawing upon the poststructuralist theories of Roland Barthes and Jacques Derrida it takes issue with the biographical and psychoanalytic approaches that have dominated studies of Hitchcock's films to argue instead for the significance of textuality *Hitchcock's Magic* is an innovative lively and readable book which challenges critical orthodoxy and breaks new ground in the field *Hitchcock's Motifs* Michael Walker, 2005 Among the abundant Alfred Hitchcock literature *Hitchcock's Motifs* has found a fresh angle Starting from recurring objects settings character types and events Michael Walker tracks some forty motifs themes and clusters across the whole of Hitchcock's oeuvre including not only all his 52 extant feature films but also representative episodes from his TV series Connections and deeper inflections that Hitchcock fans may have long sensed or suspected can now be seen for what they are an intricately spun web of cross references which gives this unique artist's work the depth consistency and resonance that justifies Hitchcock's place as probably the best known film director ever The title the first book length study of the subject can be used as a mini encyclopaedia of Hitchcock's motifs but the individual entries also give full attention to the wider social contexts hidden sources and the sometimes unconscious meanings present in the work and solidly linking it to its time and place **Hitchcock's British Films** Maurice Yacowar, 2010-11-15 A reissued classic that examines the structure and themes of each of Hitchcock's British feature films Originally published in 1977 and long out of print Maurice Yacowar's *Hitchcock's British Films* was the first volume devoted solely to the twenty three films directed by Alfred Hitchcock in his native England before he came to the United States As such it was the first book to challenge the assumption that Hitchcock's mature period in Hollywood from the late 1940s to the early 1960s represented the director's best work In this traditional auteurist examination of Hitchcock's early work author Maurice Yacowar considers Hitchcock's British films in chronological order reads the composition of individual shots

and scenes in each and pays special attention to the films verbal effects Yacowar s readings remain compelling more than thirty years after they were written and some on Downhill Champagne and Waltzes from Vienna are among the few extended interpretations of these films that exist Alongside important works such as Murder the first The Man Who Knew Too Much Secret Agent The Lady Vanishes and Blackmail readers will appreciate Yacowar s equal attention to lesser known films like The Pleasure Garden The Ring and The Manxman Yacowar dissects Hitchcock s precise staging and technical production to draw out ethical themes and metaphysical meanings of each film while keeping a close eye on the source material such as novels and plays that Hitchcock used as the inspiration for many of his screenplays Yacowar concludes with an overview of Hitchcock as auteur and an appendix identifying the director s appearances in these films A foreword by Barry Keith Grant and a preface to the second edition from Yacowar complete this comprehensive volume Anyone interested in Hitchcock classic British cinema or the history of film will appreciate Yacowar s accessible and often witty exploration of the director s early work

Hollywood: Formal-aesthetic dimensions: authorship, genre and stardom Thomas Schatz, 2004
Hollywood as a concept applies variously to a particular film style a factory based mode of film production a cartel of powerful media institutions and a national and increasingly global way of seeing It is a complex social cultural and industrial phenomenon and is arguably the single most important site of cultural production over the past century This collection brings together journal articles published essays book chapters and excerpts which explore Hollywood as a social economic industrial aesthetic and political force and as a complex historical entity
