Rebel Gold:

Spanish Gold Kevin Randle, 2014-05-01 Sickened by war and embittered by his experience at Gettysburg David Travis heads west to escape the pain of war and his past In a bar in the hills north of El Paso he hears an old prospector spin a crazy tale about a wagon train loaded with Spanish gold that vanished in the West Texas hills in the early part of the seventeenth century The next day Travis finds the old man near death it seems that certain others believed the prospector's tale and forced him to tell all he knew Travis decides to team up with the dead man's daughter and head into the mountains to find if the old man's claims of a lost treasure are indeed true They are not alone in their mountain quest and their hidden adversaries have already proven that they are willing to kill for treasure *Scars of Gold* Xavier Dagba, 2025-09-23 A blueprint to reconcile with our shadow resolve the emotional conflicts that keep us stuck and in self sabotage and dissolve the hidden forces that hinder our ability to thrive In this book integrative life coach Xavier Dagba explores our relationship to the dark side of the human psyche This includes wounds from the past aspects of ourselves we've been conditioned to see as unlovable and more importantly our repressed brightness the golden shadow Many books on shadow work focus only on the more painful or dark aspects of the shadow They do not necessarily address the golden shadow *Scars of Gold* places shadow work into a well crafted framework of personal transformation that meets the reader where they are and guides them toward a fuller and more integrated life Other books on the topic may leave the reader lost in the vastness of the concept of shadow work without teaching how to integrate the practice into their lives This book offers an archetypal exploration of the shadow that will allow the reader to understand their life with more grace It dives into the exploration of resistance and self sabotage under the lens of shadow integration and helps the reader dissolve the hidden forces that keep them stuck Abbott's Gold Alan Perrie, 2015-10-30 Rebellion against British rule in India releases Treasury Gold A British Army officer survives the rebellion with much of the wealth in his possession He seeks refuge from pursuing British Intelligence in the underdeveloped Swan Colony in Western Australia where he attempts to hide from view until it is safe He and his young wife are subjected to persistent and ruthless attempts to recover the wealth by corrupt and violent methods **Gold** Adele Huxley, A fight for survival p p1 margin 0 0px 0 0px 0 0px 0 0px text indent 18 0px font 14 0px Cochin p p2 margin 0 0px 0 0px 0 0px 0 0px text indent 18 0px font 14 0px Cochin min height 17 0px Penny Ambushed Attacked Thrown to the wolves And that was all before I boarded the bus back to the Village I didn't have the energy or patience to explain how wrong they all are about me I was ready to get the hell out of Italy and leave the Unity Games behind Scrap the mission forget why I was here in the first place Now that I'm tied to the one person in the world who probably hates me most my life might depend on figuring out who I can trust Unfortunately trust doesn't come easy Phoenix Of all the lousy ways to top off a terrible weekend this probably takes the freakin' cake For the first time I put myself out there against all my better judgement Figures I'd pick the psycho stalker who might be behind all the crazy stuff going on at The Games To be fair she did warn me she'd crush my heart But now I'm

tied to her our future and fate linked for the time being My scorched heart still wants to trust her to believe but each lie burns me just a little more Hopefully I can get out of this before everything goes up in flames *Mayan Gold* Bill Craig,2002-03 When Professor Santo Cortez is murdered while preparing a new Mayan exhibit at the Chicago Field Museum of Natural History Det Jack Riley and his Partner Det Ken Alston begin to search for the killers Teaming up with Riley s reporter girlfriend Moria Clark and Cortez s protoge Dr Julie Carr they track the killers from the mean streets of the Windy City to the jungles of the Yucatan Peninsula where they encounter the mastermind behind both the murder and the theft of priceless artifacts A Man claiming to be the reincarnation of the ancient Mayan God Kulkulkan Facing armed rebels and giant snake guardians as well as the wrath of an ancient God Riley and company fight to make sure justice is served Gold Fever Rich Mole,2011-02-01 In 1897 tens of thousands of would be prospectors flooded into the Yukon in search of instant wealth during the Klondike Gold Rush In this historical tale of mayhem and obsession characters like prospectors George Carmack and Skookum Jim Skagway gangster Soapy Smith and Mountie Sam Steele come to life Enduring savage weather unforgiving terrain violence and starvation a lucky few made their fortune and some just as quickly lost it The lure of the North is still irresistible in this exciting account of a fabled era of Canadian history **Placer Gold Deposits of Arizona** Maureen G. Johnson,1972 A catalog of location geology and production with lists of annotated references pertaining to the placer districts *Valley of the Red Dog* R.M. Beauchesne,2025-08-04 Set during the tumultuous time of the Civil War a Confederate plot is hatched to change the course of the war using a weapon of mass destruction It falls to a team of Union agents led by one determined woman to stop it and save the Union About the Author R M Beauchesne is a retired civil servant and army officer He is married and has four children and two grandchildren Holding a love of Civil War history since ten years old Beauchesne has also been a reenactor for the 28th Mass Volunteer Infantry **Lost Oklahoma Treasure** W. Craig Gaines,2021-03-22 Oklahoma keeps its secrets Adventurers combing the Wichita Mountains for the legendary Lost Cave with an Iron Door can slake their thirst at Cache Creek or Treasure Lake Following the tradition of French and Spanish explorers miners and pioneers stashed their valuable discoveries along the Santa Fe Trail and the California Road Chief Opothleyahola reportedly buried gold coins that could be worth more than 14 million today while businessman Dr John J Hayes never returned from a Confederate refugee camp to reclaim his hidden fortune From the unrecovered loot of the James Gang to the fabled funds of the Knights of the Golden Circle W Craig Gaines tracks tales of treasure across sixty Oklahoma counties **Gold Mine Massacre** William W. Johnstone,J.A. Johnstone,2021-04-27 Johnstone Country Family First For generations the Jensens have struggled to build their home their land and their dreams But now the family is forced to fight fire with fire bullet by bullet blood for blood GOLD MINE MASSACRE For Smoke and his daughter Denny life on the Sugarloaf Ranch is more valuable than all the gold in the world Which works out fine since all the gold mines in Big Rock were squeezed dry years ago Even so that won t stop a pair of businessmen from the East from trying to squeeze out a little

more One of them has developed a newfangled method for extracting gold something called hydraulics and they've bought up all the old mines to do it The other is the son of legendary gunfighter Frank Morgan and Denny thinks he's awfully handsome Smoke isn't sure what to think of these would-be gold diggers Especially when the handsome one triggers a rivalry with Denny's off-and-on beau a deputy U.S. marshal And then they hire a small army of gunfighters to protect their mines from sabotage The Jensons can smell trouble brewing from a mile away And when it involves gold guns and love it's more than just trouble It's a massacre waiting to happen Live Free Read Hard
