experience that will appeal to skaters of all levels dreamers beginners and experts alike The Untold Stories of Female Athletes Yvonne Bertovich,2019 Watching women take home gold medals and sparkling trophies from sporting competitions was not always as commonplace as it is in today s society Like in many aspects of our culture women throughout history struggled against prejudice and dealt with condescending male counterparts before reaching their place in the spotlight of athletics Before Venus Williams volleyed her way to her fourth Grand Slam Lucy Diggs Slowe proved African American women could win titles alongside men Before Danica Patrick raced past the finish line in the Indy Japan 300 Odette Siko helped to pave the racetrack for women in auto racing And Madge Syers was breaking rules and changing the course of figure skating history long before Michelle Kwan spiraled onto the ice Their names may have been forgotten in history outshined by men like Babe Ruth Michael Jordan and Muhammed Ali but the legacies of women in sports live on today through their predecessors The athletic women of history have stories filled with dramatic struggles game changing firsts and historic victories They deserve to be told African American Female Leadership in Major Motion Pictures Tracy L.F. Worley,2024-02-09 This book explores the factors contributing to the under representation of African American female directors in mainstream cinema leadership It also unmasks the potential strategies African American female film directors might pursue to reduce this inequity Author Tracy L F Worley draws on research around ethics to conclude that there are specific consequences of the male gaze on women in cinema leadership especially African American female directors of box office cinema Combining extensive analysis of ethics and ethical stance relative to the motion picture industry with perspectives from working African American female directors the text discusses the ethical considerations and historical inequities including the male gaze and uses those findings to define how the inequities can be opportunities The efficacy model for cinematic leadership is presented as a mechanism for viewing obstacles through the lenses of gender ethnicity and culture so they become drivers for African American women to achieve success Ideal for students of directing and filmmaking as well as aspiring professional filmmakers wishing to gain a better understanding of the industry as it stands today

Where the Millennials Will Take Us Barbara J. Risman,2018-01-30 Are today s young adults gender rebels or returning to tradition In *Where the Millennials Will Take Us* Barbara J Risman reveals the diverse strategies youth use to negotiate the ongoing gender revolution Using her theory of gender as a social structure Risman analyzes life history interviews with a diverse set of Millennials to probe how they understand gender and how they might change it Some are true believers that men and women are essentially different and should be so Others are innovators defying stereotypes and rejecting sexist ideologies and organizational practices Perhaps new to this generation are gender rebels who reject sex categories often refusing to present their bodies within them and sometimes claiming genderqueer identities And finally many youths today are simply confused by all the changes swirling around them As a new generation contends with unsettled gender norms and expectations Risman reminds us that gender is much more than an identity it also shapes expectations in

everyday life and structures the organization of workplaces politics and ideology To pursue change only in individual lives Risman argues risks the opportunity to eradicate both gender inequality and gender as a primary category that organizes social life
